CAB95.	THE COUNCIL'S PERFORMANCE - OCTOBER 2007 (Joint Report of the Chief Executive and the Chief Financial Officer - Agenda Item 7)	
	Arising from consideration of paragraph 20 of the report (Capital Position in 2007/08) clarification was sought of the projected under spend of £4.5 million in the Children and Young People's approved budget. We noted that a full report on the Capital Programme would be submitted to our January meeting but we asked that a written response on this aspect be provided to Councillor Gorrie and to all Cabinet Members before the impending Christmas holiday.	
	RESOLVED:	
	That the report and the progress made against Council priorities as shown in the appendix be noted.	
	That approval be granted to the virements as set out in Section 21.5 of the interleaved report.	CFO
CAB96.	FINANCIAL PLANNING 2008/9 – 2010/11 (Joint Report of the Director	
	of Corporate Resources and the Chief Financial Officer - Agenda Item 8)  Our Chair agreed to accept the report as urgent business. The report was late because the provisional local authority revenue support grant settlement was not issued by the Government until 6 December and the majority of the specific grant notifications were not issued until 10 December. The report is too urgent to await the next meeting because the consultation on the settlement was due to end on 8 January 2008.	

# RESOLVED: 1. That the draft local authority revenue support grant settlement be DCR/ 2. That approval be granted to the proposed budget changes and CFO variations as set out in the interleaved report. 3. That the current overall resource shortfall, prior to the Cabinet's final budget package, be noted. 4. That the position in respect of Council Tax, the Children's Services budget, the HRA budget and the capital programme be noted. RE-ORGANISATION OF MOSELLE & WILLIAM C HARVEY SPECIAL **CAB97. SCHOOLS** (Report of the Director of the Children and Young People's Service - Agenda Item 9) **RESOLVED: DCYPS** That approval be granted to the proposed reorganisation of Moselle and William C Harvey Special Schools as set out in the interleaved report. REVIEW OF HARINGEY COUNCIL'S SCHOOL FUNDING FORMULA **CAB98.** AND SCHEME FOR FINANCING SCHOOLS (Report of the Director of the Children and Young People's Service - Agenda Item 10) We were informed that the report covered changes to the method of distributing the Individual Schools Budget (ISB), which was the major part of the ring fenced Dedicated Schools Grant (DSG). We were also informed that the Schools Forum had recommended that the whole of the additional deprivation funding received through the DSG be targeted in full by Haringey's funding formula at deprivation in schools. We noted the comments of the Chief Financial Officer if agreed that the proposed changes would be implemented as quickly as the financial settlement allowed and that the continuation of funding for existing statements that fell between the current and new thresholds for as long as the children remained at their schools and the statements in force might delay the move to funding support for statemented pupils at Scale 4. Whilst welcoming the proposals we sought confirmation of how it would be ensured that these additional funds would be targeted towards additional support for more disadvantaged children and young people. We were advised that while Governing Bodies were autonomous in this respect a letter would to be sent to all Head Teachers and Chairs of Governing Bodies of schools receiving additional funds indicating that the Council would expect them to be used for that purpose. **RESOLVED:**

	<ol> <li>That, having regard to the Chief Finance Officers comments outlined above, approval be granted to Haringey Councils Schools Funding Formula and Scheme for Financing Schools being amended, in accordance with the recommendations agreed by the Schools Forum on 15 November 2007, as set out in paragraphs 7.2.1 to 7.2.5 of the interleaved report.</li> <li>That a letter be sent to all Head Teachers and Chairs of Governing Bodies of schools receiving additional funds advising them that it was the Council's expectation that the additional resources for Additional Educational Needs would be targeted entirely towards providing support for more disadvantaged children and young people.</li> </ol>	DCYPS

CAB107.	RESOLVING SCHOOLS PFI ISSUES IN RELATION TO BSF (Joint Report of the Chief Financial Officer and the Director of the Children and Young People's Service - Agenda Item 21)	
	The interleaved report was the subject of a motion to exclude the press and public from the meeting as it contained exempt information relating to the business or financial affairs of any particular person (including the Authority holding that information).	
	Our Chair agreed to accept the report as urgent business. The report was late because negotiations with both the Department of Children, Schools and Families and Haringey Schools Services Ltd. on outstanding issues would continue until satisfactorily resolved and the latest position needed to be reported to the Cabinet. The report was too urgent to await the next meeting because the Suspension Agreement would need to be completed by 31 December to enable the new arrangements to come into operation.	
	Further to the circulated report we received a verbal update from officers on the negotiations to try to resolve issues arising from implementing the Building Schools for the Future programme with the operation of the current Schools Private Finance Initiative.	
	We noted that the Chair of the Overview and Scrutiny Committee had agreed that the decision in respect of this matter was both reasonable in all the circumstances and that it should be treated as a matter of urgency for the purposes of Paragraph 18 of Part 4 Section H of the Constitution and that the call in procedure should not apply to the action being taken.	

#### **RESOLVED:**

That, subject to the notification from the Department of Children, Schools and Families of the temporary suspension of the obligation of Haringey Schools Services Limited to provide facilities management services to those schools currently within the Secondary Schools Private Finance Initiative from 1 January 2008 and of the noting of the intention to transfer employees from Accommodation Services Ltd into the employment from that date under TUPE regulations, the Leader in consultation with the Cabinet Member for Children and Young People and the Chair of the Overview and Scrutiny Committee be authorised to take any necessary action to ensure the continued delivery of the Facility Management Service in schools and the successful delivery of the Building Schools for the Future programme.

#### CAB108.

**ALEXANDRA PALACE AND PARK** (Report of the Chief Financial Officer - Agenda Item 22)

The interleaved report was the subject of a motion to exclude the press and public from the meeting as it contained exempt information relating to the business or financial affairs of any particular person (including the Authority holding that information).

Our Chair agreed to accept the report as urgent business. The report was late because it required information that was being gathered at the time the agenda was dispatched. The report was too urgent to await the next meeting because it required actions that the Cabinet needed to take prior to the next meeting as a consequence of the report.

We noted that the Chair of the Overview and Scrutiny Committee had agreed that the decision in respect of this matter was both reasonable in all the circumstances and that it should be treated as a matter of urgency for the purposes of Paragraph 18 of Part 4 Section H of the Constitution and that the call in procedure should not apply to the action being taken.

#### **RESOLVED:**

That approval be granted to recommendations 3.1 (i) - (v) as set out in the interleaved report.
