APPENDIX 3

REPRESENTATION FROM THE NOISE TEAM

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Cc: Service Manager Enforcement Response

Our Reference: WK55974

Date: 14th December 2007

Premises: Bar Apogee 115 Park Road N8

Type of application: Variation

I would like to confirm that we have considered the above proposal with regard to the prevention of public nuisance and wish to make representations to the Variation on the following grounds

Due to the close proximity of residential dwellings, the proposed operating hours are inappropriate.

The premises opening later is likely to lead to the Enforcement Response out of hours team continuing to receive complaints about music and other noise from the premises

Noise caused by patrons exiting the premises and locating suitable transport home is likely to be detrimental to the residential amenity.

Supporting Information

Bar Apogee is a detached property situated on a busy main road. Residential accommodation is situated to the right (as viewed from the front) and across the road.

In excess of 30 complaints have been received about noise since 15th April 2007 Noise nuisance has been witnessed in the past year on a number of occasions resulting in the issue of warning during May 2007 and abatement Notices, under section 80 of the Environmental Protection Act 1990 in July 2007 and October 2007 with a final warning issued on 15th October 2007

Bar Apogee have addressed some of the concerns & a noise limiter has been recently installed and speakers relocated.

However, on the weekend of the 8/9th December 2007, an officer from the Enforcement Response Team received a complaint of noise nuisance from Bar Apogee. The noise was clearly audible from across the street during the early hours of the morning.

This indicated that the recommendations made are not being adhered to and that it is inappropriate for the premises to be open later than the currently agreed time. In fact having

regard to the absence of effective sound insulation at the premises there is the likelihood of complaints increasing if the premises opens later

We therefore recommend that the premises closes no later than currently agreed time and that regulated entertainment ceases at the currently agreed time.

However if it is seen fit to extend the hours then the following conditions should be placed upon the license

Prevention of nuisance from noise/vibration

Airborne

The lobbied door to minimise noise breakout used for patrons to enter or leave the premises should be fitted with a self-closing device and staff required to ensure that it is not propped open & a member of staff shall be positioned at the door to ensure it is opened for as brief a period as possible

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property level of amplified entertainments & sound levels shall be controlled by means of a limiting device set at a level agreed with the licensing authority / Enforcement Response team.

Outside Areas

No music will be played in, or for the benefit of patrons in the external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior of the premises or in or near any foyer, doorway, window or opening to the premises

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include where disclosed, the complainants name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Regular liaison meetings will be held to enable neighbours to raise concerns about any aspect of the licensed activities

Patrons entering/exiting premises.

Where people queue to enter the premises a licensed door supervisor shall supervise and ensure the potential patrons behave in an acceptable manor

When the premises turn out a licensed door supervisor shall supervise patrons and ensure they leave in a prompt and courteous manor, respecting the neighbours

Signs should be displayed instructing patrons to respect the neighbours and behave in a courteous manor

A licensed door supervisor will be positioned on the exit door to ensure, as far as reasonably practical, that patrons do not leave with drinks

Dear Madam,

LICENSING ACT 2003

Premises: Bar Apogee, 115 Park Road, London, N8 8JN

With reference to the application dated 16 November 2007, as shown on plan, un-numbered, the application has been examined and **the Fire Authority wish to make a representation** to the Licensing committee that the Public Safety objective of the Licensing Act has not been adequately addressed.

The applicant has been informed that the Fire Authority will be making a representation to the Licensing Authority.

The items that are of concern to this authority are detailed on the attached schedule.

The Fire Authority has not received all of the information required and has not therefore, been able to form a judgement as to whether the public safety objective of the Licensing Act has been adequately addressed.

Please advise me, at your earliest convenience, of the date and time of the Licensing Committee Hearing.

Should these matters be resolved to the satisfaction of this Authority at least 2 days prior to the Licensing Committee Hearing the representation will be withdrawn.

Any queries regarding this letter should be addressed to the person named at the top of the letter. If you are dissatisfied in any way with the response given, please ask to speak to the Team Leader quoting our reference.

Yours faithfully,

for Assistant Commissioner

Dear Sir or Madam,

LICENSING ACT 2003

Premises: Bar Apogee, 115 Park Road, Crouch End, London, N8 8JN

With reference to the application dated 19 November 2007, in respect of the above mentioned premises, I have received insufficient information on which to determine the adequacy or otherwise of the fire safety arrangements in the premises.

Please submit to this office, within the next 5 working days:

- A set of plans showing the following additional information:-
 - i) Access to the rooms marked,
 - a) Private, (to the rear of the males toilet)
 - b) Private function room.
 - c) These will require an alternative means of escape.
 - ii) Fire detection systems and any fire fighting equipment.
- A copy of your fire risk assessment

I enclose a copy of our guidance note for applicants for premises licences to assist you.

If the information requested is not supplied within the specified time, the Fire Authority will make a representation to the licensing committee that the Public Safety objective of the Licensing Act may not have been properly addressed.

Any queries regarding this letter should be addressed to the person named at the top of the letter. If you are dissatisfied in any way with the response given, please speak to the Team Leader quoting our reference.

Yours faithfully,

for Assistant Commissioner

C.C.: Mrs D Barrett-Williams, Lead Licensing Officer, Haringey Council, 2nd Floor, Civic Centre, High Road, Wood Green, London, N22 8LE

BY FAX AND EMAIL

Dear Ms Barrett

Re Bar Apogee, 115 Park Road, Crouch End, London N8 8JN

I refer to the above and wish to register my opposition to the recent application for a premises licence made by Thespoula Athanasi and Anastasia Pieris.

I live in close proximity to Bar Apogee, together with my partner and three young children. I am self-employed and work mainly from home.

From around April 2007 the peaceful enjoyment of my home has been disturbed by noise emanating from Bar Apogee, and also from its customers arriving and leaving the premises, particularly after 11 pm on Friday and Saturday nights.

I did approach Ms Athanasi and Ms Pieris directly on a number of occasions to discuss the problems I am experiencing. Initially they appeared to be receptive to my concerns. I have also contacted the Noise Team at Haringey.

The music emanating from Bar Apogee is disruptive. It is in my opinion excessive and inappropriately loud given the proximity of the bar to local residents, and the construction of the bar itself. I do not think the building has adequate sound proofing to deal with the level and type of music played. The bass is a particular problem causing vibration to my property.

I am also disturbed by the noise made by customers arriving and leaving what is essentially a destination venue. A particular problem is the noise made by customers hanging around outside after 11 pm on Friday and Saturday nights, and after the bar has closed. There is also noise from cars reviving engines, sounding horns, accelerating away fast etc. On occasion customers appear to have left the bar well after the official closing time.

The back of my property, which is relatively quiet, overlooks the car park at the rear of Bar Apogee. I am disturbed by customers of the bar using the car park, particularly after 11 pm. This includes the reviving of car engines, loud in-car music with heavy base, and conducting loud and raucous conversations. It is a small car park and even when empty it is not possible to turn round without using reverse gear. The difficulty in getting in and out of the car park is increased when the car park is congested.

The above problems cause sleep and more general disturbance to my family. My partner fully endorses the points raised in this letter.

I very much hope the above will be taken into consideration when making a decision regarding this application.

Yours sincerely

Tim Newcombe

To whom it may concern

Please find attached a Licence Representation form to appeal against the request from Bar Apogee to extend their opening hours.

We've made a number of complaints against them due to the noise nuisance they create and we're incredibly concerned about this recent application.

I believe that the licence applicant is allowed to view all representations - however I'd much appreciate it that they didn't, at this point, know my name and exact address. Obviously if a hearing is required I'd be happy to appear for it.

Many thanks

LICENSING ACT 2003 - REPRESENTATION FORM

To make a representation in respect of an application for a Premises Licence or Club Premises Certificate please complete the following form. For representations to be considered relevant they must relate to one or more of the four "Licensing Objectives" (listed below):

Please note all representations will be made available for applicants to view. If you make a representation objecting to the application it is likely that you will be called upon to attend a hearing and present your objection before a Licensing Committee.

Personal Details	
Name..
Address...
Postcode...

Licence application you wish to make a representation on	
<i>You do not need to answer all of the questions in this section, but please give as much information as you can:</i>	
Application Number.....	
Name of Licensee... Miss Thespoula Athanasi	
Name of Premises (if applicable)... Bar Apogee.....	
Premises Address (where the Licence will take effect).....	
115 Park Road.....

Postcode... N8 8JN	

Reason/s for representation
<i>Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council's leaflet Variations, Representations and Appeals for Premises Licences and Club Premises Certificates).</i>
<i>Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.</i>

The Prevention of Crime and Disorder

We believe crime in this area has increased since this bar and other, opened with 2.30am licences at weekend - and extending opening hours to 4am will on increase it further. There is currently blood on the ground near the premises, there has been broken glass around the premises after most weekends and for the first time in 4 years there was a yellow police sign asking for witnesses of a serious assault in September. I no longer feel safe on this road at night.

Public Safety
See above.

The Prevention of Public Nuisance

The main area of concern. The music from the premises keeps us awake most weekends until it closes. We believe a limiter was fitted but this only seemed to work for a couple of weekends. It makes weekends unbearable. There is also the noise of customers leaving the premises, many of which seem to drive and the slamming of car doors and revving engines can go on for a good half an hour after the music stops. Customers also smoke outside the premises and loud talking and shouting also causes a great deal of disturbance. This is a quiet, very residential area, and bars playing loud music until 4am don't belong here.

The Protection of Children from Harm

This is a family packed area with a large number of young children running around. The glass and blood on the ground could cause harm.

I,....., hereby declare that all information I have submitted is true and correct.

Dear Licensing Team

I understand the owners of Bar Apogee, 115 Park Road, N8 have applied for an extension to their premises licence, allowing them to stay open until 4am on Fridays and Saturdays, and until 2am the rest of the week. I am a local resident, I live at 152 Park Road and I object to this extension being given. The noise and disturbance caused by Bar Apogee is already excessive - on many recent occasions the level of music and the drunken behaviour of the customers have made it impossible to sleep. The bar often already stays open until past 4am, (without permission?) and has, I know, been the cause of many complaints. It is already a public nuisance. Please reject this application for an extension and, if possible, reconsider the licence already granted.

Yours sincerely

From Ms J E George, 156 Park Road, N8 8JT 0208 340

I have just discovered today that the Bar Apogee (115 Park Road N8 8JN) has applied for an extension of its trading license hours. I am wholly opposed to this application. Since this bar started trading I have been frequently disturbed, particularly on Friday and Saturday nights due to the following forms of nuisance:

1. Loud music. (Public Nuisance)
2. Patrons having no regard for the area and its residents by shouting and shrieking in the vicinity of the bar and along the street. Also by slamming car doors, starting and revving car engines when they arrive and leave. (Public nuisance and disorder)
3. Cars parked along a very narrow section of road, often on both sides of the road and on the pavements. This causes difficulties and dangers for through traffic (especially emergency vehicles and buses), resulting in excessive braking, acceleration and use of vehicle horns. (Public safety)

I find the existence of this bar with such extended late operating hours on any night of the week, completely at odds with this residential area.

Yours sincerely

Sent: 15 December 2007 21:25
To: Barrett Daliah
Cc: Licensing
Subject: Bar Apogee, Park Road N8 - request for hours to be extended to 4am

Dear Mr Barrett,

I am writing to object to the proposed late night extension of licencing hours for Bar Apogee, 115 Park Road N8.

I live close to Bar Apogee and feel that extension of hours as late as 4am will cause further unreasonable disturbance to myself and other residents.

Having lived here for over 10 years, I have noticed an increase in noise disturbance at night since Bar Apogee opened earlier this year, especially at weekends, in the form of shrieking and shouting from revellers, car door slamming and revving of engines. I feel this has increased due to the type of young "club scene" clientelle the bar seeks to attract, as I have not noticed such pronounced nuisance from the premises when under previous management.

I have also observed cars cruising round the area after 12pm playing music loudly whilst apparently looking for space to park. To extend opening hours to 4am I feel will encourage similar behaviour from clientelle even later into the night.

The current appearance of the bar in the evenings I have to say I find somewhat intimidating, as at weekends I have often had to step past groups of people congregating outside Bar Apogee, presumably smokers, but who have at times been rowdy and have clearly been drinking. The Bar does sometimes have bouncers on the door, and whilst this may indicate that the management are prepared to deal with troublesome clientelle, it also indicates that the Bar by the nature of its "nightclub" style is encouraging potentially troublesome clientelle into a residential area, who will only drink more if hours are further extended.

My impression is that there has been an increase over the past year of violent attacks in the area around Bar Apogee, and I have seen bloodstains on the pavement nearby on several occasions this year.

Park Road is a residential area, and a number of my close neighbours have children. I do not feel it is beneficial or fair to have them exposed to this kind of environment, nor to have our sleep disturbed further by noise into the night.

Finally, I would add that the increased pressure on car parking in the area at night can be hazardous. At some weekends after 11pm cars have been parked outside Bar Apogee and my house on both sides of the road (including stretch limousines on a number of occasions). This appears to be due to overspill from Bar Apogee's car park. This narrows the road further and means buses and wide vehicles have to brake (often noisily) to give way to oncoming traffic.

Re. The proposed extension of opening hours for Bar Apogee on Park Road, London N8 from 2am to 4am

Dear Sir,

It has come to my notice that the local Bar Apogee has applied for an extension to it's current opening hours, which would now take the time it currently serves alcohol to 4 am and I am now writing to you as a concerned adjacent resident to say that I must most strongly contest the granting of such an extension. I have lived in this property for nearly 22 years, love the area for the residential oasis that it is and would want to see the atmosphere of family life maintained as much as possible. This move would, I feel, run counter to that.

While I appreciate that London has an increasing population with it's additional recreational demands, it doesn't make sense to me to add to the stress levels of the people for whom this is home, and I do consider this a home for my 2 children and I. I have seen such an increase in disorderly behaviour in the immediate vicinity brought on by excessive alcohol consumption that I am starting to have concerns for my 20 year old daughter returning home late at night from visiting friends who live in other boroughs or even other houses here. She is imminently sensible about the route she takes and how she behaves, but there is no way she can avoid walking home without passing the bar. We have never before felt unsafe in this neighbourhood and want that not to become the norm; as I have said, it is still home to my family and all the residents who live along this road, so public safety will continue to become a growing concern with extended licensing hours, bringing into the area a lot of people who have no vested interest in the neighbourhood or the effects their behaviour may have on it.

I myself have been in the road outside at 3 am, sweeping up after a group of 2/4 men who had been loitering on the pavement and were very much 'under the influence' and decided it would be fun to take the revolving glass advertising stand from the bar/pub/garage (who knows!), smash it onto the road in a show of absurd bravado and then kick the glass around for a while for additional mirth. The noise of the traffic braking to swerve round the glass and the noise of other cars driving over it kept me up for an hour before I could no longer tolerate it, got dressed, took my broom and swept the debris off the road and into a bin before returning to try and get to sleep for what was left of the night. In the past we have had dreadful problems with late night swimmers in the Lido behind us, having just vacated the local pub as it was then and deciding that a late night swim was what was needed on a balmy summer night; the Pool authorities were very sympathetic and did their utmost to increase security and the nuisance swimmers did eventually stop. It would be awful to see that state of affairs return again, with a small sector of the community having further opportunity to cause more trouble simply because they are under the influence of alcohol and still in the area, rather than going home at an earlier hour and sleeping it off!

Early last year I witnessed a bicycle theft in the property opposite me, having already alerted the police

17/12/2007

but being unable to leave my house as my son was asleep and I didn't want to run the risk of potential retaliation from the 2 men who were intent on stealing the bike in the garden across the road. It was obvious that they were both drunk and rather the worse for wear, but these recurring incidents just add to the worry of being an inner city resident. I appreciate that a lot of this kind of crime is opportunity related, but when you extend opening hours like this, there are more opportunities for visitors to add to the police figures of local theft and vandalism in this area and that cannot ever be a good thing.

In terms of public safety, the verbal/physical violence of some of the customers who have frequented both the bar on the Apogee site and the Princess Alexandra across the road is also on the increase and it is getting to be a very literal nightmare for those of us who live nearby, not being made any better for those with small children. My own car has been "keyed" and we've had car mirrors smashed, beer thrown over some vehicles and beer bottles/glasses left on the road or the adjoining walls from the night before. The noise of VERY loud music plus people shouting/swearing on the pavements outside is a regular 'early hours' occurrence. It wears you down with it's regularity and often makes working the next day appalingly hard when your degree of sleep has been so heavily compromised. The weekends are the only time most of us have to recover/regain our life/work balance and I am gong to admit that I have often gone to stay with friends rather than run the risk of continously disrupted sleep at night in my own home.

Add to this the problem of even more parking and traffic congestion as cars circle the area looking for somewhere to park off road and I just do NOT see how any real consideration of granting this licence application is feasible, let alone advisable.

I apologise if this seems like a diatribe of complaint, but I am appalled that such a licence is even being considered by the establishment in question, given that the owners know full well that it is a residential area, with families living all around it!! It just doesn't make sense to me and I would even like to see the current licence revoked to a time that is more appropriate for it's place in the vicinity.

Please do not hesitate to contact me with any queries at all regarding this email and I would very much appreciate a return email to say that you have received it. I understand that the deadline for it's receipt is Sunday, so I should be well within time for that.

Yours sincerely,

B Cameron-Smith

Subject: Bar Apogee (or should it be Bar Apocalyptic?)

Dear Licensing Authority

We have just been told that Bar Apogee on Park Road has applied to extend its licence for opening to enable it to stay open until 4.00 am on certain nights. Whilst we really do wish the bar well and hope it succeeds, if you were to grant such a licence it would be an absolute nightmare for those of us who live nearby.

We have two small children (6 & 4 years old) and there is already enough rowdy behaviour at past midnight when anti-social revellers are wending their way home. To have a bar open until such a ridiculous time in the morning would only exacerbate this.

Please please do not grant this licence extension.
