## Statement of attendance of Councillors at Council, committee, sub-committee and panel meetings 9th June 2014 to 30 March 2015 inclusive

The following bodies have not been included:

Disciplinary and Dismissal Appeals Panel
Job Evaluation and Grievance Appeals Panels
outside bodies
single party meetings with the exception of
scheduled meetings of the Cabinet

This list represents only the attendance at formal Council bodies as listed on the *Appointments of Committees, Sub-Committees and Panels document* reported to Council on 9 June 2014.

These figures do not include apologies for clashes of meetings which are noted as an absence.

Councillors attend numerous community meetings and are required to represent the Council on outside bodies. These meetings may sometimes clash with formal Council body meetings and the Councillor attendance figures set out in this report could be reduced as a result.

Where a member has a personal or prejudicial interest in a matter at a meeting they should absent themselves from the meeting during consultation of that matter. This may result in a reduction of their attendance figures.
