Licensing Consultation

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Mark Eastwood

cc: Team Leader Enforcement Response, Derek Pearce

Our Reference: WK/000316916

Date: 24th April 2015

Premises: "Bills" 107 Muswell Hill Road, Hornsey, London, N10 3HS

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- Noise generated by patrons in external areas of the premises
- Noise generated from deliveries
- Noise from plant and machinery
- Litter nuisance
- Light nuisance
- Cooking odour

Supporting Information

The Premises is a building site at present. We have not had any complaints previously as the premises subject to the application was a different type of business.

This representation recommends that the following alterations/conditions to the operating schedule:

Outside areas

The number of persons permitted to utilise the external area/frontage will be restricted to 12 persons seated at a maximum of three tables.

The external area /frontage will be closed and patrons requested to come inside the main structure of the premises at 9 pm (21:00 hrs)

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours of 8am and 9 pm so as to minimise the disturbance caused to the neighbours with the exception of refuse collections.

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Patrons entering/exiting premises.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Prevention of nuisance from litter

Adequate receptacles for use by patrons will be provided. The positioning of the receptacles will be agreed with the licensing officer

Prevention of Nuisance from Odour

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour.

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Security lights will be positioned to minimise light intrusion to nearby residential premises
