Licensing Consultation - Internal Memo

To: Licensing Team Attn of Daliah Barrett Williams

From: George Roberts, Enforcement Response (Noise) Team

Cc: Derek Pearce

Our Reference: WK64477

Date: 27/2/08

Premises: Pizza Express, 290 Muswell Hill Broadway, London, N10 2QR

Type of application: Variation

---

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Variation.

On the following grounds:

That the proposed operating hours are inappropriate due to the close proximity of residential dwellings.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises e.g. beer garden

**Supporting Information**

The only noise complaint reported to us on 10/5/07, relates to an alarm allegedly sounding 2 to 3 times a week in the early hours of the morning. The complainant made no further reports of any problems.

**Informative**

Should the licensing committee grant this variation we would recommend the following alterations/conditions to the operating schedule:

### **Prevention of nuisance from noise/vibration**

#### **Airborne**

All doors and windows will remain closed during the licensed entertainment activities. Where a door is used for patrons to enter or leave the premises the door will be fitted with a self-closing device and staff told to ensure that it is not propped open. [if necessary] A member of staff shall be positioned near the door to ensure it is opened for as brief a period as possible.

The licensable entertainment activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties.

Entrance/exit from the premises whilst licensable entertainment activities are ongoing shall be via a lobbied door to minimise noise breakout.

Where necessary adequate and suitable mechanical ventilation should be provided to public areas.

#### **Structure borne**

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties.

A report to be provided detailing the current level of sound insulation between the restaurant and the flats above.

#### **Sound limits**

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property.

#### **Outside Areas**

No music will be played in, or for the benefit of patrons in the external areas of the premises.

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises.

Signs shall be displayed on the frontage instructing patrons to recognise the residential nature of the area and conduct their behaviour accordingly – The management reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours.

The number of persons permitted to utilise the frontage will be restricted to 16 persons.

Only patrons seated at tables will be permitted to utilise the frontage.

The frontage will be closed and patrons requested to come inside the main structure of the premises at 2200 hours.

#### **Deliveries and collections.**

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed.

#### **Plant and machinery**

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise.

#### **Dealing with complaints**

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include where disclosed, the complainants name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers.

#### **Patrons entering/exiting premises.**

Where people queue to enter the premises a licensed door supervisor shall supervise and ensure the potential patrons behave in an acceptable manor.

Signs should be displayed instructing patrons to respect the neighbours and behave in a courteous manor.

### **Prevention of Nuisance from Odour**

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour.

### **Prevention of nuisance from light**

Illuminated external signage shall be switched off when the premises is closed.

Security lights will be positioned to minimise light intrusion to nearby residential premises.

Re: Pizza Express in Muswell Hill  
Alcohol sales and live music

Like many other local people in this area I wish to protest about Pizza Express applying for permission to sell alcohol to non diners and having live music until midnight 6 days a week with also wanting tables & chairs outside on the pavement for drinkers. I know several cafes do that, but they are mainly coffee shops.

There is enough noise at night with the large groups of smokers gathering outdoors at the bar at the roundabout "The Village".

Muswell Hill is very much a family suburb, as you know, & most of these revellers don't even live here, yet we seem to have to put up with it all especially those of us living nearby. I guess it's all in the name of greed.

Sincerely

Joan S. Coomber
