

Health and Care Integration Programme Structure and Governance Model

Priority 2 Programme Structure and Governance Model

LBH vision: to make Haringey an even better place to live...and how you can help

Priority 2: “Empowering all adults to live healthy, long and fulfilling lives with control over what is important to them.”

- Outcome:**
1. All residents will be as healthy as possible for as long as possible.
 2. All residents will feel more supported by the community to be healthier and to live independently for longer.
 3. All vulnerable adults will be safeguarded from abuse.
 4. Support will be provided at an earlier stage to residents who have difficulty in maintaining their health and wellbeing.
 5. Residents assessed as needing formal care and / or health support will receive responsive, safe and high quality services.
