Working together for a safer London

**POLICE REPRESENTATION**

**Name and address of premises:**

**266 - 268 Langham Road N15 3NP**

**Type of Application: New Premises Licence**

**I wish to make representation on the following:**

- Prevention of crime and disorder

If this application were granted in full or part, I would recommend the following alterations be made to the licence conditions. I also suggest that additional conditions be attached to the licence, as set out below, to further promote the licensing objectives.

	<b>Current Conditions</b>	<b>Recommendation</b>
1	Police, local residents and applicant have expressed concerns regarding gangs, street drinkers and drug dealers and snatch thieves who have stolen from persons sitting outside nearby restaurants frequenting this area. Applicant has stated he will fit 2 cameras to cover the seated area at front of venue and the alleyway at side of venue.	<p>A digital CCTV system to be installed in the premises.</p> <p>Cameras must be sited to observe the entrance doors from the inside.</p> <p>Cameras to cover the alley at side of venue.</p> <p>Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification in any light condition.</p> <p>Cameras must be sited to cover all areas to which the public have access including any outside smoking / seating areas.</p> <p>Provide a linked record of the date, time of any image.</p>

		<p>Provide good quality images - colour during opening times.</p> <p>Have a monitor to review images and recorded quality.</p> <p>Be regularly maintained to ensure continuous quality of image capture and retention.</p> <p>Member of staff trained in operating CCTV on premises during time venue open to the public.</p> <p>Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request.</p>
2	<p>Venue has applied for 'Off Sales'. After discussion with applicant this will not be beer but rather wine and only to persons purchasing a meal. This area is frequented by street drinkers and a venue selling beer off the premises until 0100 would cause concern.</p>	<p>Alcohol Off Sales only to clients purchasing a meal at venue with no cans / bottles of beer or cider sold.</p>

**Subject:** Alcohol licence for 266-268 Langham Road, N15 3NP

**Categories:** Purple Category

Dear Sirs,

I am writing in relation to the above application for an alcohol licence and to ask the committee to reject the application.

266-268 Langham Road is Fat Sam's take away and is managed by the same person who owns the mini cab office and hairdressers at 270 and 270A . In the last few years, these few shops have been of real concern to me in terms of litter and as a meeting place where at risk youngsters are encouraged into low level crime.

Fat Sam's has been the source of most of the litter which blows down Langham Road and onto the green at Graham Road. Since opening they have not provided proper waste disposal bins for customers, only a domestic dustbin with no lid. They have recently bought a larger commercial bin, but this is often full to overflowing and cannot be used by customers. The waste is extensive and includes not only cans, bottles and food boxes, but food waste which encourages pigeons, foxes and rats.

I have seen staff from Fat Sam's pouring oil down the drain on Langham Road. The pavement outside the premises was littered with old furniture including a sofa and an ottoman, a disused fridge freezer and old chairs. This furniture was outside for over a year and was eventually disposed. The replacement furniture now does not conform to environmental standards, is unhygienic, unsafe and cannot be properly cleaned. It is left on the street at night for rats and vermin to scavenge.

The signage in front of Fat Sam's includes an old cut off whiteboard, wired to a drain pipe, which has a raw cut metal edge and is dangerous for children. In addition, the takeaway obstructs the pavement with other chairs, bins and random signage which is difficult to negotiate for those with visual impairment, walking sticks, pushchairs and prams. The take away has gradually encroached on the public highway by moving signs and tables out on to the pavement forcing pedestrians onto the road.

The takeaway is a focus for the mini cab drivers who stand and hail women going past, litter the pavement with gum, cigarette butts and spitting. The area also acts as a focus for late night street drinking, public urination and various local gangs congregate in and around the take away selling soft drugs. The street gangs selling cannabis all move between Fat Sam's, the mini cab office/cafe and hairdressers on Langham Road, the betting shop/Tesco's on the High Road and Duckett's Common.

I have taken to altering my journey home from the underground and from the shops on the High Road in order to avoid this area, having seen men publicly urinate in the street outside and been jostled on the pavement by the cab drivers. The gangs of youth too have offered me drugs several times and I do not want them to follow me home, although twice I have been offered such an escort. The unwanted attention from the men in this area that I currently receive, coupled with the accelerant that alcohol provides, gives me real cause for concern.

Since the Wood Green improvement scheme, the benches and stools opposite 266-270 Langham Road are used by street drinkers who buy alcohol at one of the four locations on the axis of streets of Westbury Avenue, Langham Road, Turnpike Lane and the High Road. A cafe restaurant which includes a mini cab office will only exacerbate matters.

Past experience of Fat Sam's at 268 Langham Road and its willingness to circumnavigate the most basic environmental, food hygiene and waste disposal regulation, leads me to believe that the sale of alcohol would only further encourage anti social behaviour, which the licensee would do little to regulate or discourage.

On this basis I urge the licensing committee to refuse this application as I am of the firm opinion that granting such a licence would only increase the threat to public safety, add to local crime and anti-social behaviour and put already hard to reach and at risk young people in further jeopardy.

sincerely

**The Prevention of Crime and Disorder**

The area outside the premises is a crime hot-spot. There is a serious problem already with groups of men drinking in the street late at night, urinating in public, engaging in fighting, sexually harassing women, committing criminal damage and dropping litter. A licence (particularly late-night and for consumption off the premises) would significantly aggravate the crime in this area.

**Public Safety**

The existing problem of violence in the street (including a shooting three years ago) as well as the broken glass left behind by drinkers is already a danger to the public. The granting of this licence would materially increase these dangers to the public.

**The Prevention of Public Nuisance**

The crime and public safety issues above are in themselves a public nuisance. There is also already a problem with anti-social behaviour and the area outside the premises has previously been subject to a police order prohibiting people from congregating here. Again, noise and anti-social behaviour would worsen if this licence is granted.

**The Protection of Children from Harm**

All of the issues above are putting local children at risk. The area around Turnpike Lane station is already unsafe for children, and the granting of this licence would make things even worse by increasing the number of drunk men hanging around on the street here late at night.

I, PAUL MOYSES....., hereby declare that all information I have submitted is true and correct.

**The Prevention of Crime and Disorder**

The area around Turnpike Lane station is already a hot-spot for anti-social behaviour and crime including begging, drug-dealing and public urination (which also impacts the residential areas directly behind). I am concerned that a late-licensed premises (I am guessing fast food) here will only worsen the situation by encouraging people to congregate in the area late at night drinking in the public space opposite the premises and in the residential areas nearby.

**Public Safety**

The above mentioned increase in people loitering around the area at night is bound to make the area more threatening to residents of nearby streets who have to walk through after taking the tube.

**The Prevention of Public Nuisance**

As a resident of Graham Road I am particularly concerned about the prospect of increased nuisance on Graham Green. There are already noise issues on the road due to it's open nature and the fact that it's a busy walking route but we also have the problem of people loitering on the green late at night making tremendous amounts of noise and waking the whole street up. With a late-licensed premises so close to the green I would expect this to noticeably increase.

Thanks for notifying me of receipt of my email. I have subsequently been advised that objections should reference any one or more of the four reasons.

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The reference is for the premises at 266-268 Langham Road, London N15 3NP, and the person seeking the licence is Mustafa Erdogan. If you do not want your personal details to be made public and would rather your name and address be withheld, **put this in your email in bold letters**. You can mention the reasons why you want your details withheld.

I include below, an amended version of my original transmission, to ensure that my objection is not dismissed on a technicality. Thank you.

### **MY OBJECTIONS, EDITED**

I write to protest the planning application by Mustafa Erdogan for a late night restaurant and take away at the site of 'Fat Sams' Fried Chicken, 226-268 Langham Road, which I assume is dependent on the approval of an alcohol license. The reasons for my objection are the *prevention of crime and disorder*, and the *prevention of a public nuisance*.

Late night opening and take away alcohol sales will increase antisocial noise and behaviour. The vicinity is already blighted by intimidatory behaviour - groups of loiterers drinking, smoking weed, urinating in the street and littering my neighbourhood with fast food detritus.

There are already three local retailers selling alcohol until late at night. Please reject the application.

Name and address provided. **I request that these details are redacted from online publishing.**

266-268 Langham Road, Tottenham, London N15 3NP

We the undersigned wish to object to the licensing application for the above location on the following grounds:

### **The prevention of crime and disorder**

A Public Dispersion Order has been in place on an intermittent basis around the immediate vicinity of the Fat Sams property for a number of years. This is a direct result of the continued use by drug dealers and other illegal trading freely plied among groups of youths attracted to this area. With the additional demise of any police on the beat, any 'expansion' of the previous business will signal an opportunity to ramp up and intensify previously opportunities.

Add alcohol into the equation and this pocket of Tottenham could soon develop into a major crime area. The aggressive behaviour, alongside illegal parking of the cab drivers also signifies the unregulated manner in which the premises owner runs his businesses.

With a proposed closing time of 00.30, such a venue does not fit within a residential area. And as such, will inevitably attract the kind of crime and disorder associated with late night drinking venues.

### **The prevention of public nuisance**

This area of public thoroughfare was never designed to either accommodate continual 'entertainment' via eating and drinking (and its associated behaviours), or more importantly be built up with additional outside structures. As mentioned above, there is a history of this location needing help with unruly behaviour. Upscaling the focal point will surely lead to the general public seeing their residency affected by more public urination, littering, aggressive behaviour, dealing and drug pushing. Should the business expand, and receive an alcohol licence, the door will be open to those from further afield to add to an already existing public nuisance situation.

### **Public safety**

With a very mixed age, and cultural community, the area around the proposed restaurant has historically existed in a very tolerant fashion. It thrives on easy access and small scale businesses running operations which bind the community. This new operation would create the first ever, large scale vendor of alcohol at this locale. This would inevitably tip the balance away from the resident, in favour of the occasional visitor looking for something contrary to the existing status quo. Public safety would be compromised with drunken behaviour at closing time, littering, potential disorder from those emboldened through alcohol consumption, rowdy exit of patrons into the surrounding streets, vandalism to the trees in the new concourse.

Alcohol and driving do not mix. So why should a cab office and a licenced restaurant be allowed to coexist under one roof.

**The protection of children from harm**

The blatant, all day dealing of drugs around Turnpike Lane has already spread into the side streets. Allowing the businesses at this location to upscale, and also take on another form of intoxication, will present a high level danger to children at risk from aggressive pushing. Such activity also goes hand in hand with knife crime. With a growing list of Tottenham youths affected by this growing menace, Haringey needs to do everything in its powers to protect the young and vulnerable. Turning down the licence application, and ideally the business expansion would go some way to keep our area as it was intended to be.

**WE DO NOT WANT OUR ADDRESS PUBLISHED WITH THIS APPLICATION DO TO FEARS THE APPLICANT IN QUESTION MAY TAKE ACTIONS AGAINST OBJECTORS**

**Subject:** 266-268 Langham Road, London, N15 3NP: Application for a premises Licence to permit the Supply of Alcohol Off The premises

Dear Sirs

I write to object to the application by Mustafa Erdogan for a Premises Licence to permit the Supply of Alcohol Off The premises Monday—Sunday 10:00am – 00:30am for the premises located at 266-268 Langham Road, London, N15 3NP.

My objection is based on the following grounds:

**The prevention of crime and disorder and The Prevention of Public Nuisance and public safety**

At present, the area around Fat Sams and Turnpike Lane station frequently has a number of groups congregating and drinking in the street. The net result is antisocial behaviour including public urination, harassment, and litter. I have also witnessed fights breaking out, often exacerbated by the consumption of alcohol. The granting of a licence to permit the supply of alcohol off the premises is likely to increase such antisocial behaviour. I work long hours and regularly come home after 10 pm. I, and many other women, have experienced harassment in this area from various drunk men and night. I am concerned that an increase in the sale of off-premises alcohol, and the proposed outdoor seating area, will exacerbate this situation.

I understand from the Applicant's recent application for a change of use that the premises is intended to be used as a takeaway, rather than a sit down restaurant, thereby encouraging street drinking, and the associated anti-social behaviour outlined in this letter.

**Environment and public disorder**

The area is not sufficiently serviced by waste bins and those that there are already operating over-capacity. There is already extensive fly tipping and the sale of off-premises alcohol must inevitably lead to a greater littering which will further blight the area and stretch already inadequate resources to clean this up.

Noise levels from people walking home after late night drinking at the premises is also likely to increase if the premises is granted a late night licence, thereby disturbing local residents.

Accordingly, for these reasons alone, I submit that it would be inappropriate to grant the licence.

If the licence is granted it would go some way to help address the issue if restrictions are placed on the hours of sale, and hours for which patrons can use the outside seating.

I am including my name and address pursuant to the terms of the Licensing Act 2003, **however I do not consent to the publication of my name and address generally, and specifically invoke my right under paragraph 10 of the Data Protection Act 1998 to not have my personal data processed. As such do not include my name and/or address and/or email address in the event of this email or any part of its content being published, or (for the avoidance of doubt) passed on to any third party (including the applicant and/or its agents or representatives).**

Dear Sir/Madam,

I am writing in respect of the application by Mustafa Erdogan for a Premises Licence to permit the Supply of Alcohol Off The premises Monday—Sunday 10:00am – 00:30am for the premises located at 266-268 Langham Road, London, N15 3NP.

I am writing to object to any such licence being granted on the following grounds:

### **Prevention of Crime and Disorder/Public Safety**

- The area around Turnpike Lane station has a well-documented problem with criminal and anti-social behaviour e.g. [http://www.tottenhamjournal.co.uk/news/crime-court/police work against drug dealers by turnpike lane tube wins them award 1 3873479](http://www.tottenhamjournal.co.uk/news/crime-court/police%20work%20against%20drug%20dealers%20by%20turnpike%20lane%20tube%20wins%20them%20award%201%203873479) whilst there are serious efforts to improve this situation the problem is still ongoing and highly visible and the granting of this licence is likely to reverse the work done to improve this situation.
- The hours of sale are inappropriate. The licence hours extend beyond the licence hours of the nearby pubs, again this is likely to result in the area becoming a focal point for individuals who want to drink after the pubs shut. Given the proximity of the premises to the tube/bus station this is likely to result in the area becoming a flash-point between people attending the premises after the pub to purchase alcohol and those arriving home late in the evening. Nor will the premises have the safety protocols and staff that the local pubs have.
- The granting of an off-premises alcohol licence at these premises is highly likely to result in it becoming a focal point for loitering, especially as the street outside the premises has recently been pedestrianized which increases its attractiveness for groups to congregate. The combination of these factors will only increase the tension in what is already a highly hostile environment for those people returning home via the nearby tube/bus station.
- My partner works long hours and regularly comes home after 10 pm. She, and many other women have experienced harassment in this area from various drunk men and night and I regularly meet her at the tube where I witness this abuse. An increase in the sale of off-premises alcohol will exacerbate this situation.
- There is an existing problem with public urination on Langham Road after the toilets at Turnpike Lane bus station are shut (and indeed when they are open). The well documented effects of alcohol will only exacerbate this and the associated crime of public-exposure.

### **The Prevention of Public Nuisance**

- The area is not sufficiently serviced by waste bins and those that there are already operating over-capacity. The sale of off-premises alcohol must inevitably lead to a greater littering which will further blight the area and stretch already inadequate resources to clean this up.
- The increased traffic to the premises for the sale of alcohol will inevitably lead to late-night noise pollution in what is essentially a residential area.

On these grounds alone it would be inappropriate to grant the licence applied for.

**I am including my name and address pursuant to the terms of the Licensing Act 2003, however I do not consent to the publication of my name and address generally, and specifically invoke my right under paragraph 10 of the Data Protection Act 1998 to not have my personal data processed. **Application for a premises licence for  
266-268 Langham Road, N15 3NP - Mustafa Erdogan**

The Friends of Graham Green,(FOGG) former members of the West Green Residents Association (WGRA) and the Turnpike Art Group, (TAG) represent a broad range of residents and small business in the area. We want to present a balanced view of the opinions emailed to us and the outcome of meetings at which the above application was discussed. It is important that the licensing committee is aware of the sometimes conflicting needs of nearby residents and local businesses. **(We request that our individual names and details are redacted from online publishing. We have a right privacy and avoidance of possible intimidation. )**

Fat Sam's chicken takeaway at 266-268 Langham Road is well known to local residents as a small takeaway counter, part of the subdivided premises at 266 to 270a Langham Road which include a café, mini cab office, hairdressers and chicken takeaway counter, occupying a total frontage of some 10 metres. It is directly opposite the public toilets which form part of the listed Transport for London premises. Fat Sam's is frequented by teenagers and school children. Outside, the tables are used by mini cab drivers who congregate to drink, smoke, eat and occasionally valet their cars.

As a result of various F.O.G.G meetings about the license application, board members met with the Met police licensing officer for Haringey on 27<sup>th</sup> June.

**The prevention of crime and disorder:**

Most local residents have experience of local youths gathering at Fat Sams who are seen dealing to younger children and other adults. This is a daily occurrence. Public urination, aggressive harassment of women, street drinking and littering are also problematic at the address and parents have reported their children being offered drugs. Residents report seeing goods being sold from backs of cars and being offered mobile phones and cheap "tax free" cigarettes. It is commonplace to see young people roll joints when seated outside.

A number of residents have contacted F.O.G.G as they want to write and object to the licence application, but do not want their names and addresses made public. Many feel vulnerable and fearful of the intimidation experienced from the mini cab drivers at the address and the youth that congregate there. Residents have asked how they can redact any personal details of their objection from the public record. Of particular concern is the suggestion made by Trident a few years ago, that the area was a centre for organized criminal activity which culminated in the murder of a prominent Turkish gang member in 2012. This fear, whether unfounded or not, stops residents and local businesses from regularly contacting police about the persistent anti social behavior and criminal activity they witness at the address.

We would urge the Licensing Committee to seek the views of the local Safeguarding Children Team about their knowledge of the activities at Fat Sam's and their opinion as to the benefit of awarding a license to premises frequented by children and teenagers.

### **Recommendations**

Most residents would prefer that the licensing committee reject the application out of hand on the basis of the persistent and consistent criminal and anti social behavior which emanates from the address. For many residents, Fat Sam's has brought only increased litter, noise nuisance, crime and exacerbated existing anti-social and public disorder problems.

If any licence is to be awarded, we strongly suggest that the committee issue a time limited licence in the first instance, in accordance with Section 8.14 of the Revised Guidance issued under section 182 of the Licensing Act 2003. In this way the levels of associated anti social behavior, drug dealing, harassment and the environmental impact of the licence, can be monitored by local residents and relevant agencies.

The applicant has requested a late night licence for consumption of alcohol both on and off the premises. Residents feel any licence should cease at 10.30pm promptly and be limited to consumption on the premises.

Strict controls should apply to the patron's use of the outside area in front of the premises. The noise impact on residents should be noted and restrictions placed on drinking and sitting outside beyond 10.00pm. With less ambient noise levels late at night, the voices of groups of people drinking in the open carry a long way, and it's not realistic to assume that customers will all be talking quietly. As a guide, we suggest that outside hours might be limited to 10pm (Mon to Mon) but we appreciate that some residents still feel these hours are too late. Either way, it is important that the outside use hours should be considerably shorter than the full hours which may be permitted by the outcome of this application.

The premises should have clear signs informing patrons to respect the neighbouring residents when outside (smoking) or leaving the take away. An S.I.A registered security person should be responsible for ensuring people disperse after the premises have closed at 11pm.

The premises should operate a ScanNet ID scan system (or similar) for age verification, to ensure the age appropriate visitors are on the premises.

The licence should be limited to the sale of wine and beer only.

It is highly recommended that an incident log be kept at the premises, handwritten at the time of any incident and made available on request to the police and which will record all crimes, ejections of patrons, complaints received, any disorder and any faults in the CCTV system or scanning equipment.

Thank you for your consideration.

**Subject:** Application for a premises licence for 266-268 Langham Road, N15 3NP - Mustafa Erdogan

To whom it may concern,

I am writing to protest the alcohol licence application by Mustafa Erdogan for a late night restaurant and take away at the site of 'Fat Sams' Fried Chicken, 226-268 Langham Road. The reasons for my objection are the *prevention of crime and disorder*, and the *prevention of a public nuisance*.

Late night opening and take away alcohol sales will increase antisocial noise and behaviour as well as . The local area is already blighted by intimidating behaviour - groups of loiterers drinking, smoking weed, urinating in the street and littering our neighbourhood with fast food detritus. The venue is situated near one of the exits for Turnpike Lane tube station. Many commuters and those returning home later at night, especially local women, already feel unsafe in that area. Late night drinking is likely to encourage even more obnoxious and intimidating behaviour often aimed at women. It is also likely to spill out onto the streets and likely to end with drunken loitering on Graham Green. This little road already bears the brunt of late night anti social behaviour since it acts as a rat run to and from transport links on the high road. Late night arguments, fights, vandalism are already too common.

If any licence is to be awarded, I strongly suggest that the committee issue a time limited licence in the first instance, in accordance with Section 8.14 of the Revised Guidance issued under section 182 of the Licensing Act 2003. In this way the levels of associated anti social behaviour, drug dealing, harassment and the environmental impact of the licence, can be monitored by local residents and relevant agencies.

Please reject the application.

**Subject:** Application for a premises licence for 266-268 Langham Road, N15 3NP - Mustafa Erdogan

To whom it may concern,

I am writing to protest the alcohol licence application by Mustafa Erdogan for a late night restaurant and take away at the site of 'Fat Sams' Fried Chicken, 226-268 Langham Road. The reasons for my objection are the *prevention of crime and disorder*, and the *prevention of a public nuisance*.

Late night opening and take away alcohol sales will increase antisocial noise and behaviour as well as . The local area is already blighted by intimidating behaviour - groups of loiterers drinking, smoking weed, urinating in the street and littering our neighbourhood with fast food detritus. The venue is situated near one of the exits for Turnpike Lane tube station. Many commuters and those returning home later at night, especially local women, already feel unsafe in that area. Late night drinking is likely to encourage even more obnoxious and intimidating behaviour often aimed at women. It is also likely to spill out onto the streets and likely to end with drunken loitering on Graham Green. Application for premises licence for 266-268 Langham Road, N15 3NP

I would like to put forward my objection for an application to sell alcohol for consumption on and off the premise. There is no shortage of off licences in the area. I believe that this licence will not be a positive influence on an area that is well known for drug dealing. Also the late hours the application cover will increase anti-social behavior noise pollution and litter.

I that you will deny this application will be denied out hand and hope you will consider the negative impact it will have on our community.

Thank you.
