Licensing Officers comment.

Residents have raised concerns regarding the newspaper advertisement, these concerns have been in relation to the notice being carried out and the newspaper in which the notice was placed.

We have received confirmation from the applicants that the matter has been placed in a local paper and The Haringey Advertiser has supplied evidence of their circulation in the N8 area. APP 8

The applicants have also clarified that in the case of pre-booked functions there will be no alcohol consumed off the premises after 23.00.

The Police have requested that there be no consumption of alcohol at all after 23.00 on the patio area regardless if this is for pre-booked functions or not. People who wish to smoke may still use the patio but this should be monitored.

The applicants have been advised by the Licensing authority to show the patio as part of the boundary of the premises license, this will allow conditions to be applied and enforced to that area, where as previously the as it was not part of the area the Authority had no control over the area.

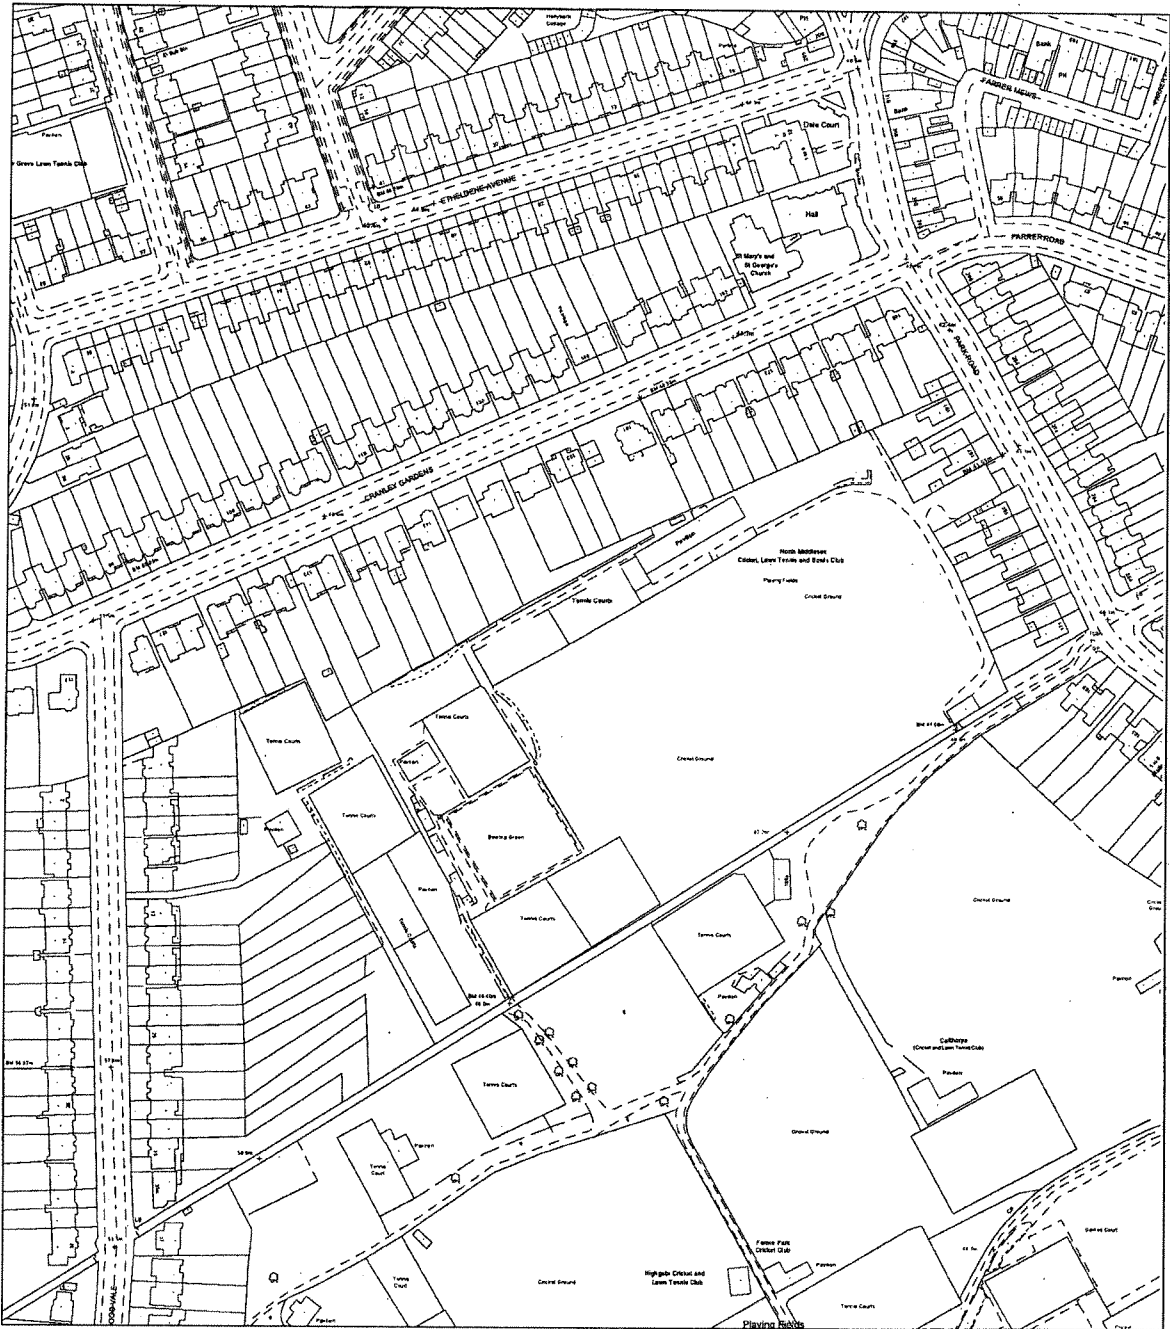

Indoor Sporting events is also being applied for, clarification will need to be given as to the types of event the Club will wish to have.

Notes for Guidance

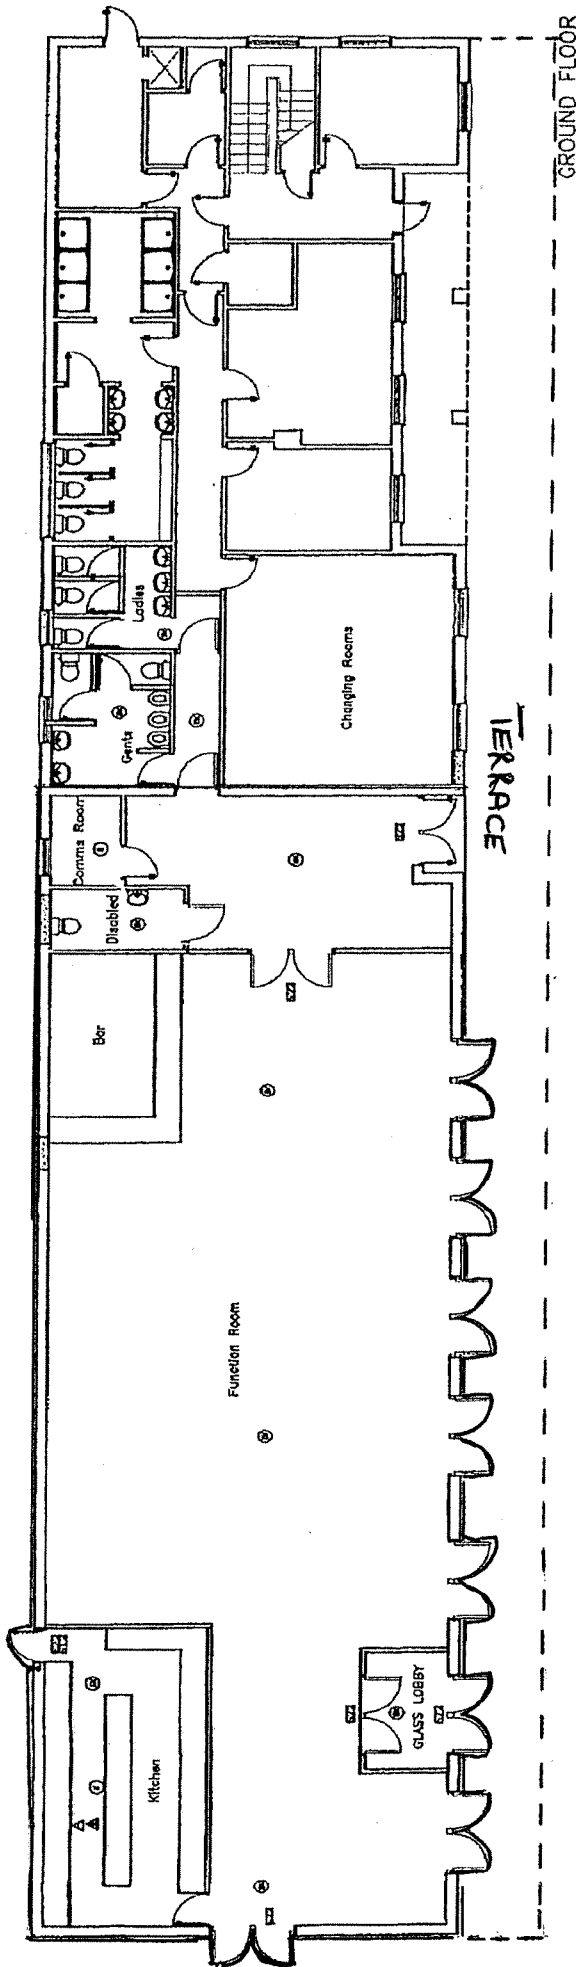

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example state the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day i.e Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick 'on the premises', if you wish people to be able to purchase alcohol to consume away from the premises please tick 'off the premises'. If you wish people to be able to do both please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.
