Report of: **The Monitoring Officer and the Assistant Chief Executive, People Organisation and Development**

Wards(s) affected: **All**

Report for: **Decision by full Council**

**1. Purpose (That is, the decision required)**

1.1 To approve the delegation of power to the Head of Local Democracy and Member Services to appoint Members to Licensing Sub-Committees in circumstances where the Sub-Committee would otherwise be unable to function constitutionally.

**2. Recommendations**

- (i) to appoint the membership of a special Licensing Sub-Committee from among the Members of the Licensing Committee, and
- (ii) to appoint an additional Member, or Members, to any scheduled meeting of a Licensing Sub-Committee from among the Members of the Licensing Committee whenever the appointment of a Substitute Member (under Part 4 Section B paragraph 49 of the Constitution) would be impracticable and the meeting would otherwise be inquorate.

2.2 That the exercise of the above delegated powers by the Head of Local Democracy and Member Services be carried out so far as practicable in consultation with the Chair of the Licensing Committee and the Chief Whip of each Group and with a view to achieving political balance in the membership of Licensing Sub-Committees.

2.3 That the Scheme of Delegation to Officers in Appendix E, Part F7, Section 9 of the Council's Constitution be amended as shown in the Appendix to this report with effect from confirmation of the above delegated powers by the Licensing Committee.

## 6. Background

- 6.1 The Council's Licensing Committee and its Sub-Committees are set up under special rules contained in the Licensing Act 2003, and Regulations made under that Act, rather than the usual rules found in local government legislation which apply to other Committees and Sub-Committees. For this reason, the granting of the delegated powers recommended in this report requires the confirmation of the Licensing Committee to be legally effective.
- 6.2 Government Guidance recommends Councils to establish Licensing Sub-Committees (LSCs) to hear the majority of contested applications. Where LSCs are set up each Sub-Committee must consist of three Members from the parent Licensing Committee. It would be unlawful for a hearing to proceed when there were more than three or less than three Members on the LSC.
- 6.3 All ten of the Licensing Committee Members receive specific training on the conduct of Licensing and Gambling hearings. It would be unlawful for any Member other than a Member of the parent Licensing Committee to serve on a LSC even on a single occasion.
- 6.4 There is a further potential problem caused by the legal duty on Councils to hear contested applications within a fixed deadline which is generally 20 working days from the end of the public consultation period. This means that any adjournment of a hearing from the date originally fixed may expose the Council to complaint or legal challenge. In any event, adjournments are likely to cause inconvenience and expense to the parties including local residents.

6.5 There are currently three LSCs numbered “A”, “B” and “C” set up by the parent Licensing Committee. LSCs “A” and “B” both comprise two Majority and one Minority Party Member. LSC “C” has two Minority and one Majority Party Member. Although in practice the Licensing bodies are “politically balanced” in their membership, there is no legal requirement for this. It would be perfectly lawful for a LSC to comprise Members from only one Party Group should that be necessary on any particular occasion.

## **7. Report**

7.1 The great majority of hearings take place at regular meetings of the three LSCs which are scheduled in advance each year. However, there has been a recent increase in the number of hearings to be accommodated within the timetable. This is because of the coming into force of the Gambling Act 2005 in September 2007 which has brought with it several contested applications for betting shops. There has also been a growth in the number of applications by Police and local residents to “review” the licences of problem public houses.

7.2 There is also the possibility that an urgent hearing may be required to hear a Police objection to a temporary event notice under the Licensing Act 2003. This would be likely to mean setting up a LSC hearing with less than one week’s notice and probably on a date other than one scheduled for a regular LSC meeting.

7.3 Since the flow of applications and the timetable for hearing them is not within the Councils control, there has been an increased need to hold special meetings to conduct hearings on dates not within the previously agreed schedule. It is often difficult or impossible to secure all the Members from one of the regular LSCs for these special meetings and so there has to be a membership from different LSCs.

7.4 Where the membership of a special LSC is close to that of one of the regular LSCs, with two of the three Members, then reliance has been placed on the procedure for appointing a “Substitute Member” under the Committee Procedure Rules (paragraphs 49 to 55 in Part 4 Section B of the Council’s Constitution). But this is not wholly safe or satisfactory.

## **8. Appointing Special Licensing Sub-Committees**

8.1 It would be preferable to have a specific procedure for setting up special LSCs so as to permit maximum flexibility over the choice of three Members from the parent Committee. It would not be practicable to have the parent Licensing Committee meeting to set up each special LSC and it would not be legally possible to delegate such matters to the Chair of the Licensing Committee alone. Therefore, it is being recommended that power to appoint special LSCs be delegated to the Head of Local Democracy and Member Services.

8.2 This delegated power would be exercised in consultation with the Chair of the Licensing Committee. Every effort would be made to achieve political balance in the membership of all special LSCs taken over the municipal year as a whole, even if this

is not always practicable in relation to each individual meeting.

## **9. Appointing Additional Members to Regular Licensing Sub-Committees**

- 9.1 The Council's Local Licensing Procedure Rules prevent any Member of a LSC from hearing an application arising from premises in the Member's own Ward. Care is taken to observe this rule when allocating each hearing to a LSC. However, even with this safeguard, it occasionally happens that a Member will discover a "conflict of interest" that makes it impossible for them to serve on a forthcoming LSC. For example, this might be a realisation that they have some connection with one of the parties.
- 9.2 It also happens that a Member on a forthcoming LSC may fall ill or be unable to attend owing to some emergency beyond his/her control.
- 9.3 In most cases where a Member listed on the agenda as part of the LSC is unable to attend the meeting, it will be possible for that Member, or the relevant Group Chief Whip, to appoint a Substitute Member under the Committee Procedure Rules. Written notice to appoint a Substitute Member must be given to the Head of Local Democracy and Member Services by 10.00 a.m. on the day of the meeting (if the meeting is at 18.00 or later). The name of the Substitute Member must be notified in writing to the Head of Local Democracy and Member Services by the Chief Whip no later than 3 hours before the advertised start time of the meeting.
- 9.4 There was a recent episode where the inability to invoke the Substitute Member procedure because of the passing of the time limits resulted in a LSC having to be adjourned when a Member could not attend. Although such cases are likely to be unusual, it is now recommended that a "fall back" procedure be made available.
- 9.5 If Members agree, this will be a delegation to the Head of Local Democracy of power to appoint an additional Member or Members to any scheduled meeting of a Licensing Sub-Committee whenever the appointment of a Substitute Member would be impracticable and the meeting would otherwise be inquorate. Any additional Member would be a trained Member of the parent Licensing Committee and, so far as practicable, the Chair of the Licensing Committee would be consulted about the appointment.

## **10. Consultation and Decision-Making Procedure**

- 10.1 The Chair of the Licensing Committee was consulted about the contents of the report to the Constitution Review Working Group (CRWG) and he was in agreement with the recommendations.
- 10.2 A version of this report was considered by the CRWG at its meeting on 28 February. Members accepted the recommendations but with additional requirements that the exercise of the delegated powers by the Head of Local Democracy and Member Services should be, so far as practicable, in consultation with the Chief Whip of each

Group and with a view to achieving political balance in the membership of Licensing Sub-Committees. This report to Council incorporates these points.

- 10.3 As explained in paragraph 6.1 above, the special statutory position of the Licensing Committee requires that any delegation to officers be confirmed by that Committee. If full Council approves the recommendations in this report, then they will be reported to the next available meeting of the Licensing Committee. The necessary amendments to the Scheme of Delegation within the Constitution would take effect from the date of that meeting if agreed.

## **11. Appendix**

- 11.1 The Appendix to this report sets out the recommended text changes to the Scheme of Delegation to Officers in Appendix E, Part F.7, Section 9 of the Council's Constitution.
