REPRESENTATION FROM NOISE TEAM

Haringey Council

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Derek Pearce Enforcement Response Officer (Noise)

Our Reference WK65326

Date: 12th March 2008

Premises: GRILL Kebab House, 270 Muswell Hill, Broadway, London, N10 2QR

Type of application: Variation

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Variation.

on the following grounds :

That the proposed operating hours are inappropriate due to the close proximity of residential dwellings. The noise caused by patrons exiting the premises, loitering in and around the premises and locating suitable transport home is likely to be detrimental to the residential amenity. This is not helped by the level of public transport available at the proposed closing hours.

The operating schedule does not adequately address the prevention of public nuisance from:

- Noise generated from patrons who may be queuing to enter
- Noise from patrons exiting the premises and who may loiter in the area
- Noise generated from deliveries and/or patrons collecting goods in early hours of the morning.
- Noise from plant and machinery
- Litter nuisance

Supporting Information

Later opening hours may encourage patrons of other premises nearby to loiter, outside or nearby, causing a noise nuisance to local residents. This may aggravate public safety and nuisance, in the immediate area, by patrons of other nearby venues causing public order offence. The present management of these premises don't appear to be able to run the premises according to present licensing conditions and have been reported for being open past their current operating hours and have not complied with the terms of Temporary Event Notices which they have put in

Informative

We would recommend the following alterations/conditions to the operating schedule:

Operating hours

That the premises closes for new business no later than 02.00 Sunday to Thursday (03.00 on Friday and Saturday nights ie Saturday and Sunday early mornings), any patron sitting down in premises to vacate within 30 minutes of the closing time.

That an SIA approved door person be employed from midnight until closing on Friday and Saturday nights.

Prevention of nuisance from noise/vibration

Airborne

Adequate and suitable mechanical ventilation should be provided to public areas

Sound limits

No music to be played in the premises other than background music which does not intrude into conversations

Patrons entering/exiting premises.

When the premises turn out a licensed door supervisor (or the proprietor if no licensed door supervisor required on that day) shall supervise patrons and ensure they leave in a prompt and courteous manor, respecting the neighbours

Signs should be displayed instructing patrons to respect the neighbours and behave in a courteous manor

Prevention of Nuisance from Odour

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Security lights will be positioned to minimise light intrusion to nearby residential premises

Out of Hours Response (Noise) Officer
