Anti-fraud Policy Statement

- 1.1 Haringey Council operates a ‘zero tolerance’ approach towards fraud and corruption and we will use the full range of sanctions available against any individual or organisation found to be committing fraud. Every pound taken by theft or fraud reduces our ability to provide services to the people who need them the most.
- 1.2 We want to protect against, detect and respond to fraud and corruption in order to protect the interests of our clients, partners, employees and other stakeholders while retaining a high ethical standing within the community.
- 1.3 This policy applies to all parts of the Council and to all our employees, volunteers, contractors and consultants in relation to their work with/for us. We rely on the support of staff, businesses and the community to deliver the services we provide to people in need. Loss of confidence in the Council as a result of fraud or corruption could have an adverse impact on our funding and investment in the area, leading to a more severe impact on the services we deliver than the initial theft.
- 1.4 We expect all our Councillors, employees, consultants, contractors, partner organisations and service users, to be honest, and to give us any help, information and support we need to deal with fraud and corruption. In return, we will:
- Take appropriate measures to prevent and deter fraud;
 - Introduce and maintain procedures to detect fraud;
 - Encourage employees to report any suspicions of fraud;
 - Provide resources to train our staff about fraud risk and investigate fraud;
 - Take appropriate disciplinary, civil or criminal proceedings; and
 - Report suspected fraud to the police and all relevant organisations.
- 1.5 It is in everyone’s interests to prevent fraud and corruption from happening. Report any suspected incident immediately to your manager and the Head of Audit & Risk Management (unless you suspect your manager may be involved). This strategy and response plan sets out what we mean by fraud; how we tackle fraud; what you should do if you suspect fraud; and how we will respond.

Anti-fraud Strategy

2. Definition of Fraud – what we want to know about

2.1 The **Fraud Act 2006** introduced the first legal definitions of fraud, which are used for the criminal prosecution of fraud offences. **Corruption** is defined as: ‘The offering, giving, soliciting or acceptance of an inducement or reward, which may influence the action of any person.’

2.2 The following are some examples of fraud or corruption which you may come across:

- Providing false identity or right to remain/work documents, references, or any other information when applying for a job;
- Making false claims for expenses, overtime, flexitime, or any other allowance;
- Not declaring a conflict of interest e.g. owning properties which are leased to us, or receiving benefits from us; you or your family owning companies which we do business with; or working for organisations which receive grant funding from us;
- Allocating housing, or any other benefits, to people who are not entitled to them;
- Misusing Blue Badges, residential, business or any other parking permits;
- Fraudulently claiming any benefits we the DWP or HMRC provide, including housing benefits, working/child tax credits, disability benefits, and council tax benefits;
- Fraudulently making, or exaggerating, an insurance claim against the Council;
- Using our vehicles, IT equipment, offices/buildings, stocks, materials, or any other resources for personal use, or to run a private business;
- Stealing money, materials or other resources from us, our partners, or our clients;
- Raising orders, or submitting invoices for payment when the work hasn’t been done;
- Working for another organisation, running a business, or being self-employed during contracted hours, including working whilst off sick;
- Accepting gifts or hospitality from contractors, or organisations who are bidding for work, or who we have contracts with, or who receive grants from us.

2.3 The above list can’t cover every example of fraud or corruption. If you have any questions, please contact the Head of Audit & Risk Management for further advice.

3. Responsibilities

3.1 We expect all individuals, groups and organisations that receive services from, or provide services on behalf of the Council to be honest in their dealings with us and our clients and customers.

3.2 We expect our Councillors and employees, including any temporary, agency and consultancy resources, to lead by example in preventing, deterring and advising of suspected fraud and corruption and these responsibilities are summarised below:

4. Our approach to preventing, detecting and investigating fraud and corruption

OFFICIAL

We have aligned our fraud prevention and detection approach to the government's recommended 'acknowledge, prevent, pursue' strategy in their [Fighting Fraud Locally](#) publication and the Chartered Institute of Public Finance and Accountancy's 2014 'Managing the Risk of Fraud and Corruption' Code of Practice.

4.1 Preventing fraud and corruption

We want to try and prevent fraud and corruption from happening in the first place. In order to do this our strategy includes:

- Undertaking a regular assessment of the fraud risks faced by the Council and ensuring our managers and counter-fraud teams carry out checks on high risk areas;
- Completing pre-employment screening of our staff (including volunteers, contractors and consultants) and confirming their right to remain and work in the UK, where appropriate;
- Requiring staff to declare potential conflicts of interest; and any gifts offered and accepted;
- Scanning and verifying identity documents of all applicants for housing and other benefits;
- Making sure quotes and tenders from contractors are opened by different employees to those who asked for the quotes; and
- Controlling our IT systems e.g. to ensure that individual employees aren't responsible for setting up and authorising payments.

4.2 Detecting and investigating fraud and corruption

As well as having systems in place to prevent fraud, we have procedures that detect and investigate fraud effectively which include:

- Fraud reporting mechanisms such as the confidential Freephone telephone number, PO Box address and email facility;
- Whistleblowing, Anti-Money Laundering and Anti-bribery policies in place, together with our complaints process, and regular reviews of personnel and financial information e.g. on Right to Buy applications;
- An annual counter-fraud plan which includes projects to look at high risk and high spend areas based on the overall risk assessment;
- Undertaking regular data matching and analysis of information held on our systems to identify e.g. fraud in housing tenancies, payroll and pensions, Blue Badges, benefits, planning applications and payments to suppliers;
- Sharing information on identified frauds and risks with other local authorities and agencies, including the police, Department for Work and Pensions (DWP), and the Home Office visa and immigration services;
- Receiving regular data analysis and fraud information alerts from the National Anti-Fraud Network;
- Having a dedicated and suitably trained counter-fraud team in place, with links to the police and other enforcement agencies, to investigate allegations of fraud and undertake prosecutions.

- 4.3 You should read our anti-fraud and corruption strategy in conjunction with our **Fraud Response Plan** (Appendix 1) which sets out how we will tackle the risk of fraud and investigate allegations of fraud; and the Council's **Whistleblowing Policy** (Appendix 2), which is intended to encourage and enable employees to raise serious concerns.
- 4.4 We will use all sanctions available to us to deal with anyone committing fraud or corruption, including referring cases to the police, prosecuting offenders and seeking recovery of monies and/or other assets obtained by fraud or corruption. Our **Sanctions Policy** is attached (Appendix 3), which describes the process in more detail.
- 4.5 We also need to have arrangements in place where any instances of suspected money laundering or bribery are reported. Our **Anti-money Laundering Policy** (Appendix 4) explains what money laundering is, and what we do to manage the risks associated with crime and money laundering. Our **Anti-bribery Policy** (Appendix 5) explains the legal position for the Council and employees; and how to report any concerns.
- 4.6 This strategy is aligned with the Council's Code of conduct and HR policies which require employees to declare any potential conflicts and any gifts or hospitality offered. The strategy is also consistent with the Council's IT Security Policies.
- 5. Monitoring**
- 5.1 This policy and the appendices will be monitored and reviewed on an annual basis. We will consult with all the relevant services areas to ensure that all relevant legal, financial and personnel issues are included in the review processes.
- 5.2 The Council's Corporate Committee has overall responsibility for this policy and it will be presented to them for their approval when any review takes place.
