Construction of extensions in the front of and at the rear of Dyne House together with associated landscaping and improved emergency and service vehicle access.</p> <p>Temporary Planning Consent for the duration of the construction period for the installation of temporary modular seminar rooms within one of the Quadrangles of the Island part of the Senior School Site. Temporary change of use of domestic and office property outside of the School boundary to educational facilities.</p>	<p>unacceptable as it would occupy too much of the site and be of a scale, bulk and design which is excessive.</p> <p>The applicants have been advised to produce an SPD in partnership with the Council for the site and to assist the development process of the new school.</p> <p>Site visit has been carried out by senior officers. The site has also been viewed from neighbouring residents properties. The general advice is that the development would be too significant in terms of height, scale and massing.</p> <p>Pre-application written response has been sent – officers support the principle of extensions but not the scheme which was tabled.</p>
