Theft Person

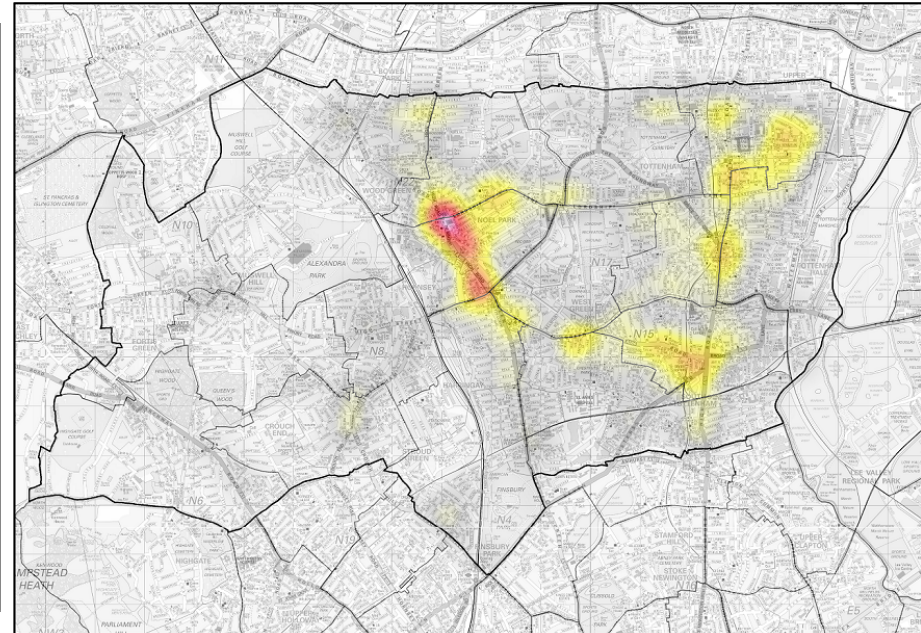

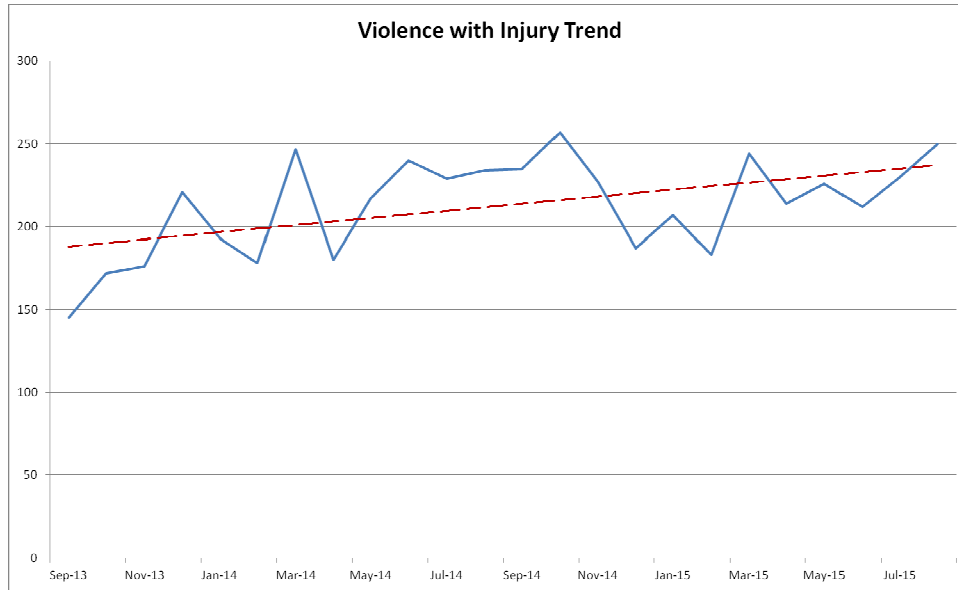

Key Locations:

Endymion Road, Wood Green High Road, Shopping City, Seven Sisters Road, The Broadway

Drivers:

- Wireless Festival – items being reported as missing
- Suspects dipping into females victims unfastened handbags and removing purse/phone
- Victims on phone around retail locations, suspects run by (or on bike/mopeds) and snatch phone out of hand

Violence with Injury

Key Locations:

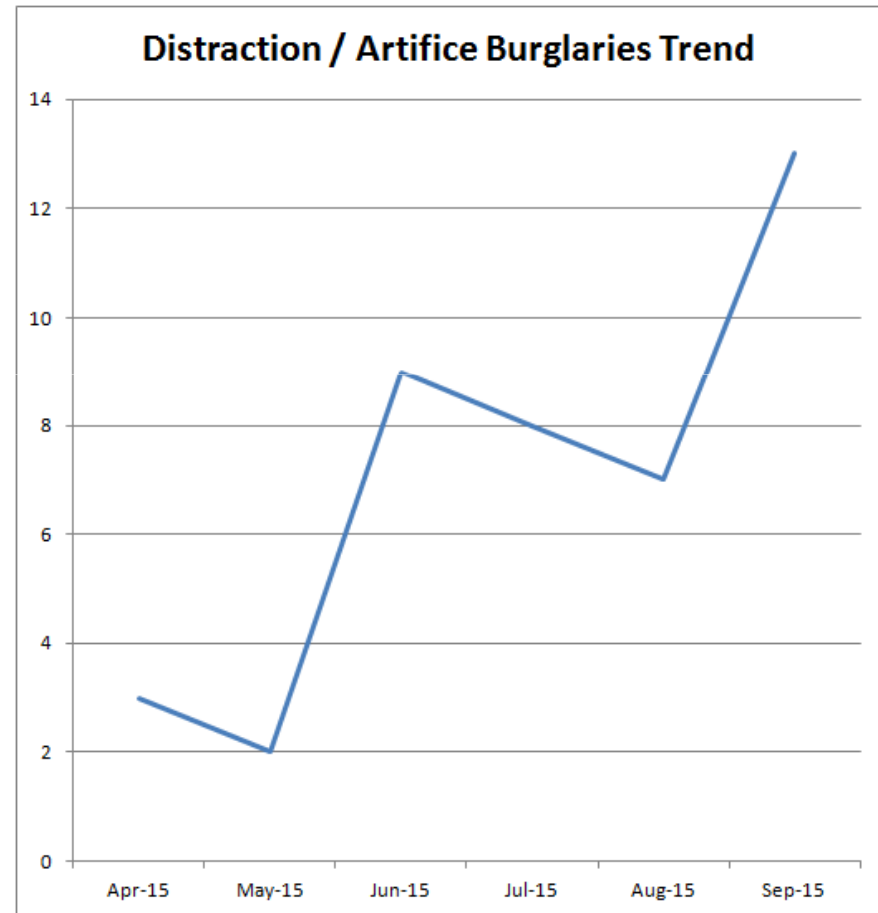

Endymion Road, St Ann's Road, Wood Green High Road, Seven Sisters Road, Lordship Lane

Drivers:

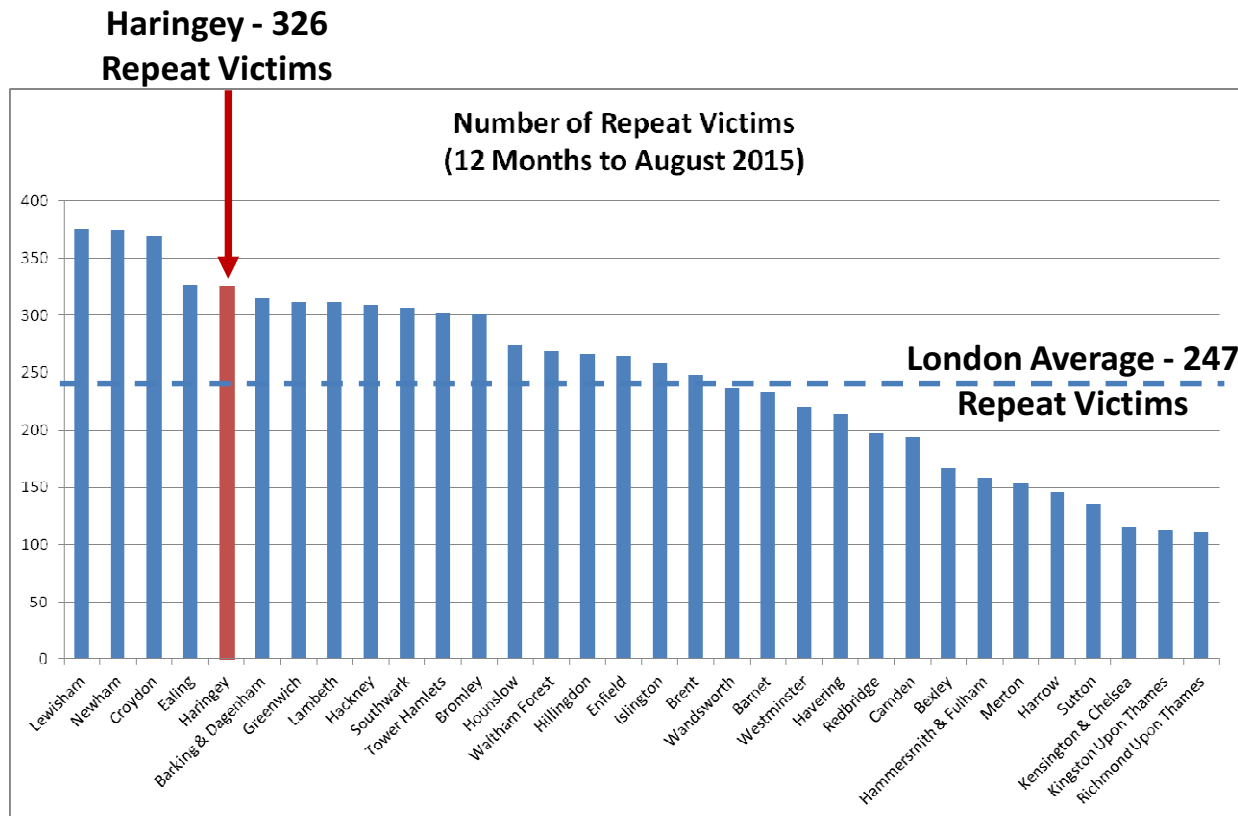

- Wireless Festival / Finsbury Park – fights occurring during festival and also in park during day-to-day usage by public
- St Ann's Hospital – Patients/staff members being attacked by patients, often whilst being restrained.
- Retail/night time economy related issues, including when individuals have been refused entry to shops or bars/pubs and subsequently attacking staff/security.

Emerging Distraction / Artifice Burglary Risk

- Increasing volume of distraction type burglaries across borough
- Suspects often claim to be from the electric company / water board / Council
- Victims are usually elderly and are targeted during the day
- Properties being targeted are usually in relatively affluent neighbourhoods, predominantly to the west
- Small items are frequently taken, including wallets, cash and phones
- **Potential opportunities through Council teams e.g. Trading Standards and public awareness campaigns.**

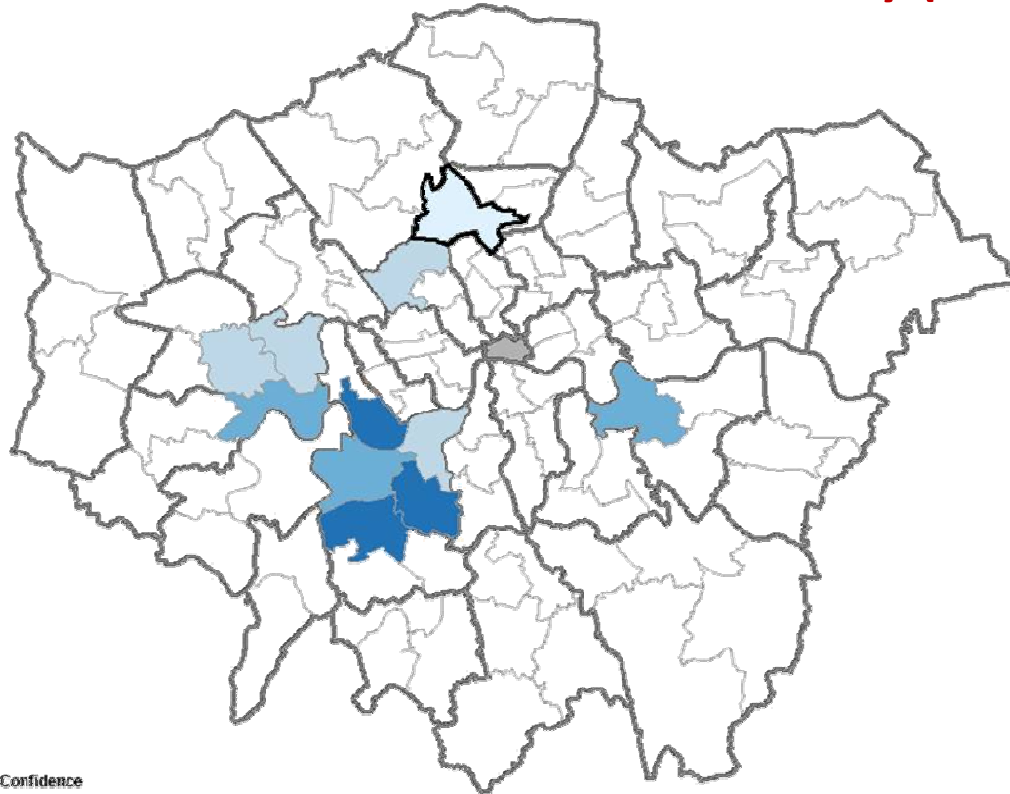

Repeat Victims of Crime

- Haringey currently has the fifth highest volume of repeat victims of all London boroughs.
- Current levels are approximately 32% above the London average.
- Areas experiencing disproportionately high levels of repeats include **Burglary** and **Robbery** offences.

Confidence Levels

June 2015 MPS Public Attitude Survey (PAS)

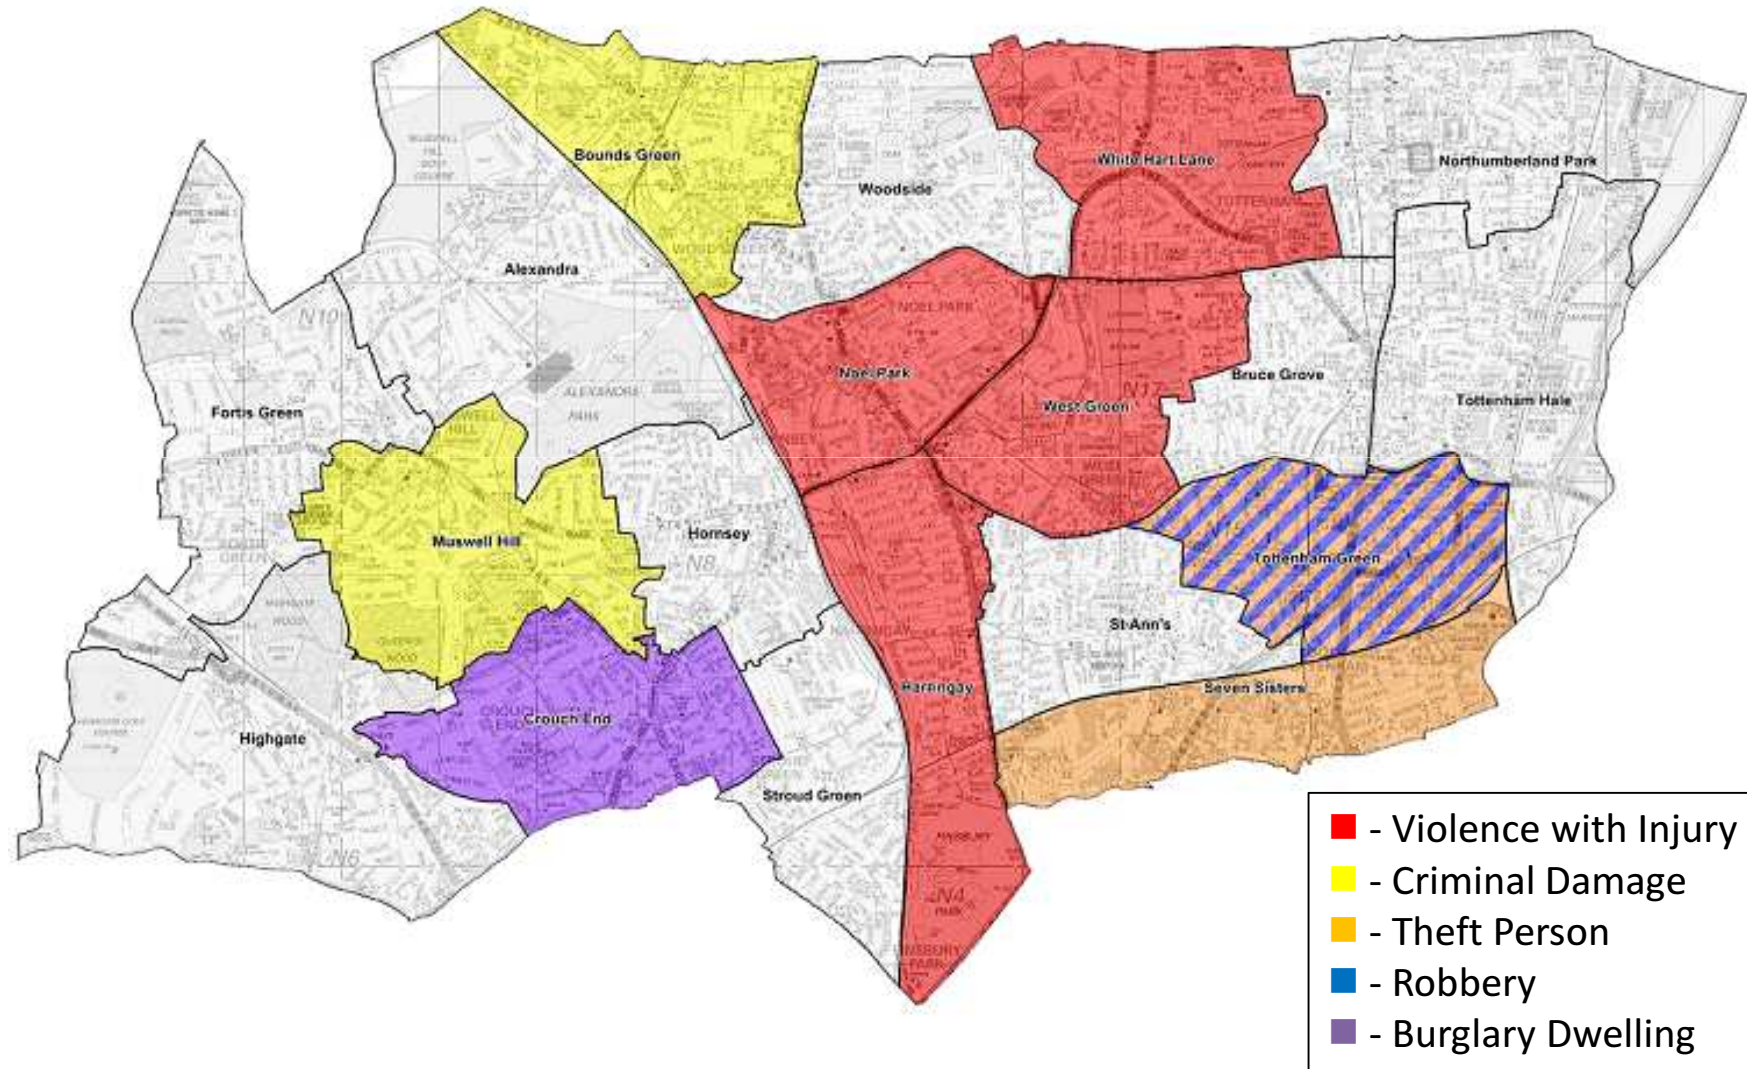

Neighbourhood Confidence
 ■ Highest
 ■ (London)
 ■ (London)
 ■ Lowest

| Area | Confidence Level | Rank |
|-----------------------|------------------|------|
| MERTON: Wimbledon | 77% | (11) |
| WANDSWORTH: Tooting | 75% | (17) |
| HAM/FULHAM:S Fulham | 75% | (20) |
| GREEWICH: Greenwich | 71% | (33) |
| WANDSWORTH: Putney | 70% | (36) |
| HOUNSLOW: Chiswick | 68% | (51) |
| WANDSWORTH: Battersea | 66% | (57) |
| CAMDEN: North | 66% | (58) |
| EALING: Acton | 66% | (65) |
| EALING: Ealing | 61% | (83) |
| HARINGEY: West | 59% | (91) |

- Haringey West cluster has the lowest overall confidence level of its Most Similar Group, and is ranked 91st of the 108 London core neighbourhoods.
- This is despite experiencing a lower than average rate of crime and may suggest an artificial fear of crime related to public perceptions
- In particular, areas of relatively poor performance include ‘Police Friendliness’ and ‘Policing Visibility’.

Emerging Vulnerable Locations

- - Violence with Injury
- - Criminal Damage
- - Theft Person
- - Robbery
- - Burglary Dwelling

Emerging Vulnerable Locations
