Ref: Erol Gulsen's licensing application at Damalis Bistro, 17 High Street, London, N8 7QB

To The Licensing Team

I am writing to raise my concerns and objection to the licensing application currently being made at 17 High Street, London N8 7QB. I am the owner and resident of 2a Myddelton Road, London, N8 7PY which is located above 19 High Street and diagonally above Damalis Bistro.

Before changing hands, the Dalamis was a 24-hour off license and during operation caused considerable noise pollution and disturbance to me. My concern is that should Dalamis have both an alcohol license as well as a late night license to be open and serve food until 2:30am it will become a place where people are gathered late, spilling out onto the pavement and creating disturbance. My bedroom window is on the first floor opening out onto the high street and at night I can hear word for word any conversations taking place outside 17 High Street. Should Dalamis gain a late night license this will likely cause a lot of noise, both in terms of cars parking, people outside talking and smoking, music and I should imagine that when the Three Compasses pub opposite closes at 12:30pm, many people will move to Dalamis to continue drinking.

I would like to add that none of the other restaurants or bars on Hornsey High Street are open past midnight, so this would become the only place to open until 2:30am – this is likely to mean that people seeking a late night drink will gather there and inevitably it will become rowdy. Even when it was just a 24-hour off license there were regular fights in the street outside at all hours, and I can only imagine it will be worse if it is a bar. I also don't know what the owner intends to do in terms of playing music but it would be unacceptable to hear any music coming from the premises after 10pm when I would like to be able to sleep without disturbance.

So far I have made reference to the late night license until 2:30am and sale of alcohol being my main concern, but I would also like to object the late opening hours until 12:30am on Sundays through Thursdays. For working professionals such as my family who have to get up at 6am, having noise outside our bedroom window until 12:30am (or later as visitors to Dalamis will likely stand outside talking before leaving) is unacceptable and will negatively impact our quality of life.

I feel it is really important that you take into consideration that local residents are living right above Dalamis and will be really affected by noise created by late licensing. I would like to raise my firm objection.

Kind Regards

Leyla Itani

As the three Councillors for Hornsey Ward, we would like to make representations regarding the application for a premises licence for 'Damalis Bistro' at 17 High Street, Hornsey, London, N8 7QB.

The applicants seek a licence for the supply of alcohol between the hours of 10am – 12 midnight on Mondays to Thursdays and between 10am - 2am on Fridays and Saturdays. The applicants have applied for opening hours of 10am – 12.30am on Mondays to Thursdays and 10am – 2.30am on Fridays and Saturdays.

We are opposed to the grant of a licence for the hours requested, as we do not feel that this would be appropriate in light of the likely effect on the following relevant licensing objectives:

- The prevention of crime and disorder, and
- The prevention of public nuisance.

The premises in question is situated extremely close to a number of residential properties and there are no other restaurants or bars in that vicinity (i.e. on that north stretch of Hornsey High Street) which are open beyond 11pm. Most bars and restaurants along Hornsey High Street are situated on the south side of the street and the vast majority of them close at 11pm on weeknights with slightly later hours on Fridays and Saturdays.

We believe that it would not be in-keeping with the area to allow a late licence in the terms sought by the applicant. Indeed, recent experience suggests that where one premises has had significantly later opening hours than elsewhere on the High Street, there is a risk of significant public disorder – for example, in 2013 there was a 'mini-riot' involving gang-related issues at a premises with a late licence. Needless to say, we would not want to see a repeat of such an event.

Further, there are very few premises in Hornsey and its surrounding areas of Crouch End and Muswell Hill with late licences. It is easy to anticipate that a premises with a late licence in the terms applied for would be a destination for people leaving other bars and restaurants, likely contributing to an increase in the number of people on the High Street in close proximity to residential properties late at night and into the early hours of the morning.

Haringey's current Statement of Licensing Policy acknowledges (at paragraphs 14.1-14.4 and 14.7) the risks that premises operating late licences can cause to people living in the local area and states that 'The Council is committed to protecting residents ... in the vicinity of these licensed premises.' (para. 14.1) We are particularly concerned about the potential for a significant increase in noise nuisance and other disturbances and/or anti-social behaviour caused by customers leaving the premises in what is currently a generally quiet area after 10-11pm.

We are not opposed to the grant of a licence for this premises, but we would ask that any licence should be in line with the licences issued to other restaurants on Hornsey High Street and should reflect the fact that Damalis Bistro is in very close proximity to residential properties. As such we would suggest that the supply of alcohol be limited to the hours of 10am-11pm on Mondays to Thursdays, and 10am-12 midnight on Fridays and Saturdays.

Subject: Damalis Bistro, N8 7QB - licence objection

Dear sir / madam,

I am writing to object to Damalis Bistro's recent application for a late night alcohol licence, which would apply to premises at 17 High Street, Homsey, N8 7QB. This would represent a profound change to the previous use of the premises, which served as a local grocery under the name "Al Pacino" and more recently "Maxxisave". The operation of a late night restaurant, serving alcohol as late as 12am on weeknights and 2am on Friday and Saturday, would clearly have a detrimental effect on the surrounding area, much of which is residential. My wife and I purchased a property at 1A Myddelton Road in December 2013, around 20 metres from the proposed site of the new restaurant, and a number of other houses, including family homes and council properties, are located at a similar proximity.

Haringey Council's licensing policy is clear that:

14.2 In particular, late night activities cause much of this nuisance. Late night cafés, clubs, pubs and restaurants can have a number of adverse effects on the residents in the vicinity of these premises. Nuisance such as noise, litter, anti-social behaviour, lights and odour all contribute to the loss of amenity to the general public

Hornsey High Street is already home to a vibrant night-time economy, with a number of high quality restaurants. It is important to note that none of these currently open as late as 2.30am, and I would question the need for Damalis Bistro to have such extended hours. By way of illustration, Tomo Pizzeria closes at 11pm on weekends, Le Bistro at 10.30pm and Pradera Tapas Bar at 12am. Even the local kebab shop, Terry's at 86 Hornsey High Street, closes at 11pm.

Furthermore, the recently renovated Three Compasses pub, located across the road at 62 Hornsey High Street, closes at 11pm on weeknights and 1am at weekends. It is easy to imagine that already inebriated drinkers leaving the pub will be attracted to the nearby Damalis Bistro to continue into the early hours, adding considerably to problems of drunkenness in the area. For many, the natural journey home will be via the residential streets around Myddelton Road, as the nearest route to the estates south of Alexandra Palace (Boyton Road, Newland Road etc), with all the accompanying nuisances listed in the Haringey Council licensing policy copied above. As owners of a property just 20 metres from the restaurant, the noise disruption will be considerable.

In short, Hornsey High Street is not currently a late night destination, and I would urge councillors to consider carefully whether they wish to open the door to this type of establishment. With Haringey Council having recently allocated £499,000 towards a much needed regeneration programme for the High Street, and a new development at Smithfield Square due to open in the new future, this is an exciting time for Hornsey. It is vital that the essential character of the area is maintained, and not threatened by drunken behaviour caused by a proliferation of late night venues such as that proposed for 17 High Street.

Yours,
