20th October 2015

Dear Ms Barrett

**Premises Licence Variation: Sunshine Mini Market, 525 Seven Sisters Road
N15 6EP**

This venue has applied to vary its times authorised to sell alcohol from the present:

Monday - Saturday 0800 - 2300 and Sunday 1000 - 2230 to 24 hours a day.

This venue is situated in Seven Sisters Road which is known for street drinkers. There is a Public Houses near to venue. Police consider that whilst they must be proportionate with regards allowing a business to thrive they must be equally proportionate in not allowing a business to risk contributing to crime / disorder and anti-social behaviour.

Police consider the suggested hours below to be reasonable.

Monday to Sunday 07.00 – 2.00am

With regards the application to sell alcohol 24 hours Police feel that persons frequenting the venue to purchase alcohol after 0200 may well be already alcohol fuelled from other 'On License' venues or previously consuming alcohol in the street or residential premises. The basic consideration is the requirement for the ability for members of the public to purchase alcohol in the early hours of the morning, in this case between 0200 and 0700, compared to the risk of increased drunkenness affecting others suffering crime / disorder and anti-social behaviour.

Whilst Police accept there are other venues selling alcohol throughout the night they do not consider that a blanket justification for nearby venues to be given the same authorised hours.

With regards the present Premises Licence Police consider it appropriate to request the following Conditions be applied under Crime & Disorder:

A digital CCTV system to be installed in the premises.

Cameras must be sited to observe the entrance doors from the inside.

Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.

Cameras must be sited to cover all areas to which the public have access including frontage of venue.

Provide a linked record of the date, time of any image.

Provide good quality images - colour during opening times.

Have a monitor to review images and recorded quality.

Be regularly maintained to ensure continuous quality of image capture and retention.

Member of staff trained in operating CCTV present during times venue is open to the public.

Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request.

An incident log shall be kept at the premises, it will be in a hardback durable format handwritten at the time of the incident or as near to as is reasonable and made available on request to the Police, which will record the following:

(a) all crimes reported to the venue

(b) all ejections of patrons

(c) any complaints received

(d) any incidents of disorder

(e) seizures of drugs or offensive weapons

(f) any faults in the CCTV system or searching equipment or scanning equipment

(g) any refusal of the sale of alcohol

(h) any visit by a relevant authority or emergency service.

This is under the Protection of Children from Harm Objective.

Challenge 21 Policy Implemented:

I recommend that the following form of verification of a person's proof of age is:

A valid passport.

A photo driving licence

A proof of age standard card system

A citizen card, supported by the Home Office.

Yours sincerely,

Mark Greaves

To: 'Mahir Kilic [Business Development]'
Subject: FW: Application for the Variation of a Premises Licence - Sunshine Mini Market, 525 Seven Sisters Road, Tottenham, London, N15 6EP.
Importance: High

Dear Mr Kilic,

I am writing to make representation in regard to your application for premises licence for the premise at 525 Seven Sisters Road, Tottenham, London, N15 6EP. The conditions offered in the application form do not reflect any consideration being given to the make up of the local area and the potential impact the business may have if it were to go for later hours.

In determining what conditions are appropriate, it will be necessary to consider the individual circumstances of the premises, including:-

- The nature and style of the venue,
- The activities being conducted there,
- The location, and,
- Anticipated clientele.

We would particularly like to remind applicants of their existing legal obligations regarding:-

- Not offering irresponsible Drinks Promotions,
 - Not selling alcohol to a person who is drunk, and
 - have a written underage sales policy
- Licensees and premises supervisors are also reminded of the offence of selling alcohol to a person who is drunk, and to ensure that all staff are aware of the consequences.

Street drinking issues already exist in the area and area cause for concern with the police and local authority having to carry out joint operations to deal with the men that gather and consume alcohol in this area and along Seven sisters Road.

We do not feel that there are any conditions offered that show how your client has thought of the make up of the area and the potential impact that this application will have. Applicants are expected to cover these issues and detail them in their operating schedule. Failure to do so may result in the refusal of the application.

We have concerns that this premises is situated in an area where there are also a number of premises that sell alcohol.

Under Section 182 of the Licensing Act 2003, applicants are expected to demonstrate their knowledge of local issues and what they will do to adopt strategies to avoid the exasperation of such issues. The application is completely void of this important information. The applicant

demonstrates an inadequate understanding of the area and has failed to demonstrate in their application that their operation would not add to the existing issues already impacting on this area.

We would not support any extension to hours at this time as we do not have confidence in the management of the premises in ensuring that responsible retailing of alcohol will be at the heart of the day to day operation. If your client is able to put forward some conditions to demonstrate how they will better support the licensing objectives we will reconsider.

In doing so we would consider additional conditions such as:

No sales of single cans of beers/lagers/ciders.

Not to sell or stock beers/ciders/lagers with ABVs above 6.5%

Training of staff to ensure they are aware of who the DPS is and their social responsibility for selling alcohol.

Ensure that alcohol and tobacco are only purchased from reputable sources.

Regards
