Malachy McGovern	John McRory
<b>Steel Yard Station Approach, Hampden Road</b>	Change of use from steel yard to residential and construction of a new building in residential and commercial use.	The site has been sold and acquired by Fairview. Pre-application meeting taken place – response sent stating that the principle of a residential led mix use development is acceptable subject to re-provision of existing employment space and height, scale, bulk	Valerie Okeiyi	John McRory

		and massing development.		
<b>30 Chester House, Pages Lane</b>	Creation of 24 plus residential units	Principle may be acceptable subject to design, scale and siting – within a conservation area and a SINC site. Pre-application note to be sent.	Malachy McGovern	John McRory
<b>Car wash Site, Broad Lane</b>	A new build for B1 offices	Principle of B1 office development within this defined employment site is acceptable.	Aaron Lau	John McRory
<b>r/o 55 Cholmeley Park N6</b>	Demolition of existing building and redevelopment to re-provide health care facility and 8 residential units	Pre-application discussion has taken place. Principle may be acceptable subject to re-providing the facility for existing user group both permanently and whilst the development is built and adherence to planning policies relevant to the scheme and the Highgate Bowl.	Tobias Finlayson	John McRory
<b>Coppetts Wood Hospital, Coppetts Road, N10</b>	Re-Development of site to provide 90 dwellings; 29 x 1 bed flats; 45 x 2 bed flats; 6 x 3 bed flats; 10 x 4 bed houses	Number of pre-application meetings held with different bidders.	Aaron Lau	John McRory
<b>69 Lawrence Road, Tottenham, N15</b>	Demolition of the existing building and erection of buildings ranging from 3 to 8 storeys in height to provide 87 residential units and 250sqm of commercial floorspace.	Principle acceptable – level of commercial is too low and unacceptable.	Valerie Okeyi	John McRory
<b>67 Lawrence Road, Tottenham, N15</b>	Re-development of the site for the erection of two buildings ranging from 4-6 storeys comprising of 55 residential units and associated landscaping and car parking. <b>Keston Centre</b>	Pre-application discussion for	Discussion needed on layout, access, design	Adam Flynn	John McRory

	residential scheme.	and transport.		
<b>52-68 Stamford Road N15</b>	Mixed use development including 50 dwellings and 335 sq.m. B1/B2	First formal pre-application discussion took place on Monday October 13 <sup>th</sup> . Not acceptable with loss of employment space.	Gareth Prosser	John McRory
<b>Dyne House Highgate School N6</b>	<p>Demolition of the Classroom Building, Gymnasium and a redundant open air Swimming Pool. Construction of extensions in the front of and at the rear of Dyne House together with associated landscaping and improved emergency and service vehicle access.</p> <p>Temporary Planning Consent for the duration of the construction period for the installation of temporary modular seminar rooms within one of the Quadrangles of the Island part of the Senior School Site. Temporary change of use of domestic and office property outside of the School boundary to educational facilities.</p>	<p>Although the principle of the scheme is acceptable, the scheme presented is unacceptable as it would occupy too much of the site and be of a scale, bulk and design which is excessive.</p> <p>The applicants have been advised to produce an SPD in partnership with the Council for the site and to assist the development process of the new school.</p> <p>Site visit has been carried out by senior officers. The site has also been viewed from neighbouring residents properties. The general advice is that the development would be too significant in terms of height, scale and massing.</p> <p>Pre-application written response has been sent – officers support the principle of extensions but not the scheme which was tabled.</p>	Gareth Prosser	John McRory
