

The opening hours of the premises:

Sunday to Thursday 1200 to 2300

Friday to Saturday 1200 to 0030

Supply of alcohol for consumption ON the premises, ancillary to a meal.

- 1.3 If granted the variation will see an increase in the availability of alcohol at the premises by 11 hours Sunday to Thursday. Friday and Saturday the increase is 9hrs 30minutes.

The premises would also be able to offer live and recorded music and the performance of dance for up to 22 hours per day Monday to Sunday. There is no provision for regulated entertainment on the current licence.

The addition of Late Night Refreshment is also requested for 4hrs 30minutes per day. The LSC should note that the current conditions on the licence requires that the alcohol is only served with food but the current licence does not carry the provision of late night refreshment, so gives the impression that some alcohol sales are carried out outside of the conditions and sales are made without the provision of food.

- 1.4 The hours and additional licensable activity will see a significant change in the mode of operation of the premises. The premises is set along a terrace of shops with residential properties directly above and additional residential accommodation being built nearby.

2 Recommendations

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the variation as requested
- Grant the variation whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

- 2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

3. Background

- 3.1 The premise was initially granted a licence for alcohol sales only with meals in August 2014. Medina Basirika took over the licence in June 2015
The premises has a history of non compliance in the past and first came to attention of officers through complaints received from residents in 2014 relating to noise in the early hours of the morning from the venue. The premises also has Planning permission that only permits it to open until 23.00pm, this was to ensure that residents were not adversely affected by the operation of the venue when it was granted permission to operate as a take away/restaurant in 2013.
- 3.2 During the consultation period letters of representation were received from residents who have previously been affected by the operation of the premises.
Representation was also received from the Metropolitan Police and the Licensing Authority against any increase of the hours or the ability to now add regulated entertainment to the licence. There is potential for the additional hours to give rise to noise nuisance to nearby residents.
- 3.3 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious.
- 3.4 The Licensing Authority considers that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licenced premises in an area when considering what is appropriate to promote the objectives.
Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to be adversely impacted.

4. Policy Implications

- 4.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5. Other considerations

5.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

Dear Sir/Madam,

RE: APPLICATION FOR A PREMISES LICENCE FOR THE VILLAGE, 118 WEST GREEN ROAD, TOTTENHAM, LONDON, N15 5AA - REPRESENTATION

I am writing to make representation in regard to your application for a variation of the premise at The Village, 118 West Green Road London N15. The conditions offered in the application form do not reflect any consideration being given to the make up of the local area and the potential impact the business may have if it were to go for later hours.

In determining what conditions are appropriate, it will be necessary to consider the individual circumstances of the premises, including:-

- The nature and style of the venue,
- The activities being conducted there,
- The location, and,
- Anticipated clientele.

We are unable to support any increase in hours at this premises as we feel that the premises is not suitable for the extended hours now being requested by the applicant. The application is seeking to offer regulated entertainment to the early hours of the morning also. We feel that the close proximity of residential premises will be severely impacted by any such additional activity and or increase in hours.

We feel that the following hours should apply:

Supply of Alcohol	
Sunday to Thursday	1200 to 2230
Friday to Saturday	1200 to 0000

Supply of alcohol for consumption **ON** the premises, ancillary to a meal

Regulated Entertainment:

Live Music should be limited to:
Sunday-Saturday 1200 to 22.00

Late Night Refreshment
Friday-Saturday only 23.00-23.30pm

The opening hours of the premises:

Sunday to Thursday	1200 to 2300
Friday to Saturday	1200 to 0030

The premises was visited on Friday 20th November at which time the licensee was unable to tell us what the times on the current licence was for licensable activity. When asked what time she stopped serving food she replied '1am sometimes earlier'. We had to then point out that the licence did not provide for late night refreshment currently and that the premises was to be closing at 12.30am under the current licence.

The CCTV system on the premises was also not adequate and could not be operated by the Licensee.

The music being played within the premises could be heard from outside and would certainly be intrusive to the nearest residential properties. The entrance to the premises is also next to the entrance to the residential properties above. The premises is not suitable for late night music as the fabric of the building offers no protection from noise break out from the restaurant.

The Authority also considers that it is imperative to have a balance between the needs of the business and the needs of local residents to ensure there is no adverse impact on the community.

Dear Sir/Madam,

**PREMISES LICENCE BREACHES/NOISE NUISANCE AND CLUB-TYPE ACTIVITY
SHOP AT 118 WEST GREEN ROAD, LONDON N15 5AA**

The above opened as a takeaway in September 2013 and has been a continual noise nuisance since this time. I have reported it to the Haringey Noise Team several times, who visited and issued two separate warnings to the proprietor George Akolbire. Unfortunately, the nuisance still continues and the warnings have had no effect.

We understand that Mr Akolbire only has planning permission to operate until 11pm, which was kindly confirmed by Daliah Barrett, Licensing Manager at Haringey Council. However, the music, cooking/customer activity/shouting/banging usually goes on to between 1.00am and 2.30am on most days, sometimes 3.30am at weekends.

Please can you let me know if it's possible for Haringey Council to order/serve notice to Mr Akolbire to finish trading at 11pm as per his licence? I have kept a record of activity for December and started January (attached).

Yours faithfully,

7th December 2015

Dear Mrs Barrett

POLICE OBJECTION NOTICE to a Variation of a Premises Licence

Name of Licence holder: Mediwa Basirika

Venue: The Village, 118 West Green Road N15

This application relates to an increase in operating hours from:

Supply of alcohol: Sunday - Thursday 1200 - 2230 Friday to Saturday 1200 - 0000

Opening Hours: Sunday - Thursday 1200 - 2300 Friday - to Saturday 1200 - 0030

To:

Supply of alcohol: Sunday - Saturday 0600 - 0330 Opening Hours: Sunday - Saturday 0600 - 0400
with music throughout opening hours.

Myself and Daliah Barrett visited the venue at 2230 on Friday 20th November 2015 and met Ms Basirika. A Condition on the premises Licence states: 'All alcohol sales will be ancillary to substantial food.' I saw 9 clients with alcohol and 2 of them had empty plates on their table. Ms Basirika assured me everyone had finished their meal.

The Premises Licence has a Condition that there should be an 'Incident Book' but Ms Basirika did not have one. The Premises Licence has a Condition relating to CCTV standards including 'full frame head shots of persons entering but Cam 2 covering the door was average quality but did not record images as required, image was of full person entering so smaller facial image. Cam 1 recorded inside venue seating area and was poor quality with unidentifiable images. Cam 3 was poor quality and covered behind the counter. Cam 4 was poor quality and covered rear yard of venue. I asked about facilities to burn off images for Police, as per licence, but Ms Basirika know nothing about the CCTV system and neither she nor anyone else in venue could operate the system to show images of previous events as required on Licence. She told me her brother could operate the CCTV.

When Ms Barrett asked her what time she stopped serving she replied 'I am sometimes earlier'. Ms Barrett pointed out the licence did not contain late night refreshment entitlement. I asked Ms Basirika if she could turn down the music as it was so loud it was difficult to converse with her and could be heard outside so she did.

Police feel the CCTV system Condition is not being adhered to and neither was the Condition relating to alcohol with food sales. I did ask to view CCTV of the evening to ascertain if the Condition had been adhered to but as stated above Ms Basirika stated she could not operate the system to that extent.

The application is to virtually operate 24 / 7 in a residential area. A similar venue in same street nearby had it's Premises Licence revoked after 2 incidents of serious violence late night / early morning and Police feel Ms Basirikas lack of knowledge / concern regarding the times / conditions on the licence may lead to alcohol crime / disorder in the early hours.

Yours sincerely,

Mark Greaves

The prevention of crime and disorder/public nuisance

The West Green Road has been a 'sensitive' area for many years and the Council's efforts since the riots (more cameras, upgrading shop fronts, communal garden, etc) have had a positive impact on the local community here. However, there are still regular occurrences of violence and abusive behaviour, and gatherings on the street, particularly at night/early hours of the morning.

As an example, When the Fountain pub (1.30-2.00am on Fridays/Saturdays) closes, a stream of people can be heard shouting, singing and sometimes fighting, cars revving their engines hard, racing, urinating and vomiting. If an additional premises were opened nearby, it would simply act as a focal point for all these people to go to, creating a new centre for determined drinkers from all over the locality.

This part of West Green Road has residential accommodation and also above shops/takeaways. Nearly all the shops operate between normal hours. A club operating all day to 4am would generate disturbing and intrusive levels of noise from music, talking/shouting, people traffic (coming and going), noise of cars parking/leaving all night/morning.

The area is improving slowly, the new flats at Lawrence Square (25 metres away) will bring 1800 new residents and their families from December, this is the kind of neighbourhood I want to live in, not one dominated by a club offering loud music and alcohol until 4 in the morning. It would be a big step backwards and undo the Council's good work here.

Public safety

During the day and night, the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the vicinity, especially mothers with children and the elderly. There are a lot of obviously heavy drinkers in the area and encouraging these people is again a complete step backwards and compromises public safety. The increase in traffic will also put safety at risk in an already busy area.

Protection of children from harm

The area is becoming a better place for children to grow up in, the idea of having a club selling alcohol, purveying loud/club music and resultant anti-social behaviour on their doorstep, next to their homes, where they walk to and from school, does not create a good and safe environment for children.

The Prevention of Crime and Disorder

The West Green Road has been a sensitive area for crime. In the past years there have been some improvements but a new club operating all day until 4am will bring the crime back. There are a lot of gatherings in the night on the street and a club selling alcohol will make things worse. Also, as a young female citizen I don't feel safe with people drinking and hanging around outside my door.

Public Safety

As said, there are a lot of heavy drinkers in the area who gather together in West Green Road. Normally they are groups of men who are not respectful of the other people living in the area. The opening of a new club with alcohol licence would definitely compromise public safety.

The Prevention of Public Nuisance

The opening of a club with alcohol & live music licences would be detrimental for the area. This is a high street with little local shops that operate normal hours. Also above the shops there are lots of private accommodations who won't be able to sleep in the night with an intrusive level of loud music.

The Protection of Children from Harm

The area is still not ideal for the protection of children and young adults (in particular young female teenagers). The opening of a club that operates till later in the night but also with licence to sell alcohol during the day would ~~bring~~ make the protection of children impossible. Children would experience abusive behaviour on the way to and from school, not to mention the gathering around the club would compromise the traffic at the crossing.

The Prevention of Crime and Disorder

West Green Road has long been a sensitive area, but the Council's recent efforts have had a positive impact on the local community and the overall character of the neighbourhood, e.g. Improved shop frontages, new public space/garden at Seven Sisters end of the road etc. However there are still regular cases of violence, aggression, intimidating gatherings on the street and anti-social behaviour, particularly at night. The new premises would simply act as an additional focal point for this.

The Prevention of Public Nuisance

This particular part of West Green Road has a lot of residential accommodation, particularly above the shops and on Lawrence Road. We in fact live in Lawrence Yard, which The Village backs on to, and this is already a rather unpleasant place, attracting a variety of unsavoury activity, suspicious/antisocial behaviour and probable criminality. We already have to put up with people urinating/vomiting in the lane, talking and shouting during the night, cars revving and loud music from parties. The new establishment would make this much worse, particularly the intrusion of loud club music on a nightly basis.

Public Safety

West Green Road is already quite an aggressive environment. The new premises would lead to customers standing on the street, smoking and intoxicated. People are likely to feel intimidated walking past such an establishment and young families and the elderly will avoid the area. There are already a lot of drinkers in the area (it is common to see people standing or walking in the street with bottles/cans in brown paper bags, obviously at some stage of inebriation) and encouraging this behaviour is a step backwards, compromising public safety.

The Protection of Children from Harm

The area is slowly becoming more 'child-friendly' and the nearby mosque attracts a lot of children at various times during the week. Introducing a club selling alcohol and playing loud music does not create a good environment for children to live and play.

The prevention of crime and disorder/ public nuisance

Local politicians have been working hard over the last number of years to create a welcoming community. However, there are still occurrences of violence and abusive behaviour, particularly at night/ early hours of the morning. There are often remnants on the road and pavement of car windows having been smashed in. As a result, local residents are reluctant to park their vehicles where there is footfall from late night premises. Having another late night operation in the area will only intensify this. Also, as the proposed new premises is open 2 hours longer than the local Fountain pub, it will create a new centre for determined drinkers from all over the locality.

The lane that runs behind the proposed beer garden for the establishment leads to Lawrence Yard a quiet residential pocket in North London, which is unique difficult to find. Unfortunately, because of it's secluded nature it is often used as a urinal, a place to gather for drinking and consuming other substances, as well as other nocturnal activity. The remains of these activities can be seen when you step out in the morning. Should planning for The Village go ahead, these activities will intensify, as those needing privacy will make use of the lane. This will cause a huge disruption to the residents of Lawrence Yard as bedrooms and living spaces face onto the lane.

With the new development in Lawrence Square attracting new people and families to the area, I don't think loud music and alcohol will endear them to the area.

Public safety

During the day and night, the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the vicinity, especially mothers with children and the elderly. There are a lot of obviously heavy drinkers in the area and encouraging these people is again a step backwards and compromises public safety. Protection of children from harm

Children from the local Masjid play on the lane where the proposed patio/garden will lead. With the remains of the night before visible on the lane, it will not be a safe or pleasant environment for children.
