Report for Key/ N/A
Non Key Decision:

1. Describe the issue under consideration

- 1.1 This report gives details of the proposed work programme for the remainder of the municipal year.

2. Cabinet Member Introduction

N/A

3. Recommendations

- (a) To consider the future work programme, attached at **Appendix A**, and whether any amendments are required.
- (b) That the Overview and Scrutiny Committee be asked to endorse any amendments, at (a) above, at its next meeting.
- (c) To receive a verbal update on progress with finalising the Panel's review on Youth Transition.
- (d) To approve the draft scope and terms of reference, attached as **Appendix B**, for the Panel's review on disproportionality in the youth justice system.

4. Reasons for decision

- 4.1 The work programme for the Panel was agreed by the Overview and Scrutiny Committee at its meeting on 27 July 2015. Arrangements for implementing the work programme have progressed and the latest plans for Panel meetings are outlined in Appendix A.

5. Alternative options considered

- 5.1 The Panel could choose not to review its work programme however this could diminish knowledge of the work of Overview and Scrutiny and would fail to keep the full membership updated on any changes to the work programme.

6. Background information

- 6.1 The careful selection and prioritisation of work is essential if the scrutiny function is to be successful, achieve added value and retain credibility. On 8 June 2015, at its first meeting of the municipal year, the Overview and Scrutiny Committee agreed a process for developing the 2015/16 scrutiny work programme.
- 6.2 Following this meeting a number of activities took place, including a public survey and Scrutiny Cafe, where over 90 suggestions, including those from members of the public were discussed by scrutiny members, council officers, partners, and community representatives. From these activities issues were prioritised and an indicative work programme agreed by the Overview and Scrutiny Committee in late July.
- 6.3 Therefore, whilst Scrutiny Panels are non-decision making bodies, i.e. work programmes must be approved by the Overview and Scrutiny Committee, this item gives the Panel an opportunity to oversee and monitor its work programme, attached at **Appendix A**, and to suggest amendments.
- 6.4 The Panel has been continuing with it's in depth piece of work on Youth Transition which it began in 2014/15. It has now finished all of its evidence gathering and Panel met on 19 January to agree its final conclusions and recommendations. A verbal update on progress will be provided at the meeting
- 6.5 The meeting of the Panel on 16 November agreed that that an in-depth piece of work would be undertaken on disproportionality within the youth justice system. Following discussions between the Chair and relevant officers, a draft scope has been developed and is attached for approval at **Appendix B**.

Forward Plan

- 6.6 Since the implementation of the Local Government Act and the introduction of the Council's Forward Plan, scrutiny members have found the Plan to be a useful tool in planning the overview and scrutiny work programme. The Forward Plan is updated each month but sets out key decisions for a 3 month period.
- 6.6 To ensure the information provided to the Panel is up to date, a copy of the most recent Forward Plan can be viewed via the link below:
- <http://www.minutes.haringey.gov.uk/mgListPlans.aspx?RP=110&RD=0&J=1>
- 6.7 The Panel may want to consider sections of the Forward Plan, relevant to the Panel's terms of reference, and discuss whether any of these items require further investigation or monitoring via scrutiny.

7 Contribution to strategic outcomes

- 7.1 The individual issues included within the work plan were identified following consideration by relevant Members and officers of Priority 1 of the Corporate Plan and the objectives linked. Their selection was specifically based on their potential to contribute to strategic outcomes.

8 Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

Finance and Procurement

- 8.1 There are no financial implications arising from the recommendations set out in this report. Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications then these will be highlighted at that time.

Legal

- 8.2 There are no immediate legal implications arising from this report.
- 8.3 Under Section 21 (6) of the Local Government Act 2000, an Overview and Scrutiny Committee has the power to appoint one or more sub-committees to discharge any of its functions.
- 8.4 In accordance with the Council's Constitution, the approval of the future scrutiny work programme and the appointment of Scrutiny Panels (to assist the scrutiny function) falls within the remit of the Overview and Scrutiny Committee.
- 8.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the Overview and Scrutiny Committee. Such reports can then be referred to Cabinet or Council under agreed protocols.

Equality

- 8.6 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
 - Advance equality of opportunity between people who share those protected characteristics and people who do not;
 - Foster good relations between people who share those characteristics and people who do not.
- 8.7 The Panel should ensure that it addresses these duties by considering them within its work plan and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;
- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;

- Whether the impact on particular groups is fair and proportionate;
- Whether there is equality of access to services and fair representation of all groups within Haringey;
- Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.

8.8 The Panel should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
