- 13.1 The requirement for all local authority homes to meet the Decent Homes Standard was set out by The Office of the Deputy Prime Minister (ODPM) now known as Department for Communities and Local Government (DCLG) in February 2003. The objective of the Decent Homes Standard is that every tenanted home should be decent in accordance with the guidelines of the ODPM (now DCLG) by December 2010.
- 13.2 The Decent Homes Programme is a long term programme of major investment to bring all tenanted homes up to a decent standard. Environmental improvements, including sustainability issues, may represent up to 5% of the overall programme.
- 13.3 Managing and delivering the Decent Homes programme to cost, time and to the expectation of the tenants and residents of Haringey is paramount and as such requires the appointment of Constructors with a proven track record of delivering a similar programme for other Local Authorities/ALMOs.
