### Background note

The priorities proposed are informed by the 2016/17 outcome 5 action plan and a number of sources/strategic documents, e.g. STRATAS 2015, perception survey feedback and work of Partnership Tasking and ASB Action Group forums. The key issues concern violent crime (specifically non-DV & gang related), personal robbery, theft person, burglary and ASB. Whilst long term analysis ‘themes’ captured within the STRATAS, include drugs & alcohol, town centres, youths and public confidence. Re the latter, despite overall long term reduction in crime in Haringey, work is needed to better understand the ‘gaps’ between the Partnership performance and residents perceptions.

**RAG Key:** The plan activities are monitored via RAG ratings, these being:

<b>Green</b>	On track to be delivered on time/ minimal impact – no action
<b>Amber/Green</b>	Slightly off track, moderate impact – need to monitor
<b>Amber/Red</b>	Predicted to be off track, serious impact – intervention needed
<b>Red</b>	Critical impact, urgent intervention required
