## 6. Description

### Updated items from 5 February 2008

- 6.1 In light of the comments made in the previous Advisory Committee the various items can now be updated:
- Warner Estate Residents Association consulted their members over their request for a new pathway from the Redstone Road entrance. The Park Manager was due to discuss the details at the WERA AGM on 6 July 2008 and a further update will be made verbally to the committee.
  - The Alexandra Park Ornithological Group (APOG) held a public bird walk in May and 43 species were sighted. This list has been published on the Alexandra Palace Website and is available in the Information Centre. APOG is preparing a 'Birds of Alexandra Park' leaflet detailing all species that may be seen.
  - Traffic Engineers have reviewed the crossing point on Alexandra Palace Way (below the Palm Court entrance) and feel a traffic island could be installed to provide a refuge for pedestrians. Quotations for this project are being sought.
- 6.2 **Heritage Lottery Project**  
To celebrate the successful completion of the project a launch event is planned for Sunday 10<sup>th</sup> August. This will involve a tour of the park to look at the project elements. The tour will be lead by the Principle Landscape Architect for the project.
- 6.3 **Community Events**  
A number of community events have been taking place in the park and details can be found in Appendix A.
- 6.4 The park events are a mixture of volunteer tasks, walks organised by the Friends of Alexandra Park and charity events organised by local community groups.
- 6.5 **Grounds Maintenance Contract**  
Following the tender process, the successful contractor was **John O'Conner (Grounds Maintenance) Ltd**. They made a good bid in the tender interview and unannounced site visits to other sites showed a good quality of maintenance.
- 6.6 The contract started on 1<sup>st</sup> May 2008 and the incumbent staff all transferred to the new company. A new fleet of vehicles with a consistent livery has been supplied.
- 6.7 John O'Conner (GM) have successfully started the regular weeding, litter picking and grass cutting across the site. In the first month they have delivered a new bedding scheme on the south front and carried out last minute preparation works for the Green Flag Award inspection.

### **Green Flag Award**

- 6.8 The park was entered into the Green Flag Award scheme for the third time this year. Many improvements have been made since last year including the opening of the cafes, pitch & putt and boating facilities.
- 6.9 The submission included the re-written management plan, new park leaflets and programme events organised by the Friends of Alexandra Park. The Green Flag Award results are expected in mid-July and will be published on the Alexandra Palace website.
