

These are attached as Appendix 2

2 Recommendations

There is no recommendation, but in considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the variation as requested
- Grant the variation whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

3. Background

3.1 The premises has operated as a social club since October 2008. Mr Ifyeangi took over the premises in May 2013 and there have been complaints about the conduct of customers and noise disturbance emanating from the premises. This led to a review of the licence in early 2016 on the grounds of the prevention of public nuisance not being upheld and promoted at the premises.

3.2 The LSC has a new application to consider and if the committee see fit to grant a new licence to allow for later hours at the venue the current licence would be surrendered by the licence holder.

3.3 During the consultation period letters of representation were received from a residents concerned that the hours being sought would mean the premises would operate as a night club style operation and thereby lead to noise nuisance and potential anti social behaviour in the area.

3.4 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious.

3.5 The Licensing Authority considers that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to be adversely impacted.

4. Policy Implications

4.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5. Other considerations

5.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The premises currently benefits from a premises licence for the sale of alcohol. There are conditions attached to this licence and the applicant actively promotes the licensing objectives in accordance with these conditions. The premises licence holder is applying for a new licence to: - extend the hours and add additional licensable activities.

As such, he has offered extensive and robust conditions to enforce the licensing objectives in the form of a schedule which is attached to this application.

b) The prevention of crime and disorder

Please see the attached schedule

Continued from previous page...

c) Public safety

Please see the attached schedule

d) The prevention of public nuisance

Please see the attached schedule

e) The protection of children from harm

Please see the attached schedule

Section 19 of 19

PAYMENT DETAILS

This fee must be paid to the authority. If you complete the application online, you must pay it by debit or credit card. Premises Licence Fees are determined by the non domestic rateable value of the premises. To find out a premises non domestic rateable value go to the Valuation Office Agency site at http://www.voa.gov.uk/business_rates/index.htm

Band A - No RV to £4300	£100.00
Band B - £4301 to £33000	£190.00
Band C - £33001 to £8700	£315.00
Band D - £87001 to £12500	£450.00*
Band E - £125001 and over	£635.00*

*If the premises rateable value is in Bands D or E and the premises is primarily used for the consumption of alcohol on the premises then you are required to pay a higher fee

Band D - £87001 to £12500	£900.00
Band E - £125001 and over	£1,905.00

There is an exemption from the payment of fees in relation to the provision of regulated entertainment at church halls, chapel halls or premises of a similar nature, village halls, parish or community halls, or other premises of a similar nature. The costs associated with these licences will be met by central Government. If, however, the licence also authorises the use of the premises for the supply of alcohol or the provision of late night refreshment, a fee will be required.

Schools and sixth form colleges are exempt from the fees associated with the authorisation of regulated entertainment where the entertainment is provided by and at the school or college and for the purposes of the school or college.

If you operate a large event you are subject to ADDITIONAL fees based upon the number in attendance at any one time

Capacity 5000-9999	£1,000.00

PROPOSED SCHEDULE OF CONDITIONS

Proposed conditions for Chidos Lounge

1. The Premise Licence Holder shall ensure that the premises shall install and maintain a comprehensive CCTV system;

- All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. Includes coverage of all internal areas to which the public have access (except individual toilet cubicles), and external areas.

- All recordings shall be stored for a minimum period of 31 days with date and time stamping.

- Recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31-day period.

- The CCTV system should be updated and maintained according to police recommendations.

- A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage when requested.

2. The Premise Licence Holder shall ensure that an incident log shall be kept at the premises, and made available immediately upon request by an authorised officer of the Council or the Police, which will record the following:

- All crimes reported to the venue

- all ejections of patrons

- any complaints received from neighbours

- any incidents of disorder

- all seizures of drugs or offensive weapons

- any faults in the CCTV system

- any visit by a relevant authority or emergency service

The information should include, where disclosed, the complainants name, location, date time and subsequent remedial action undertaken.

3. The Premise Licence Holder shall ensure that telephone calls for taxis may be made for customers without charge on request.

4 The Premise Licence Holder and/or Designated Premises Supervisor shall encourage patrons awaiting collection to wait inside the premises.

5. The Premise Licence Holder shall ensure that prominent, clear and legible notices shall be displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and area quietly.

6. The Premise Licence Holder shall ensure that noise or vibration shall not emanate from the premises which could cause a nuisance to nearby properties. Except for ingress and egress through the entrance, doors and windows shall be kept closed (but not locked) whilst regulated entertainment is taking place.

7. The "challenge 25" scheme shall be operated and relevant material shall be displayed at the premises. Only passport, photographic driving licences or ID with the P.A.S.S. logo (Proof of Age Standards Scheme) may be accepted.

8. The Premise Licence Holder shall ensure that all relevant staff shall receive induction and refresher training relating to the sale of alcohol and the times and conditions of the premises licence. The training shall be recorded, ongoing and under constant review and made available to a relevant Responsible Authority upon reasonable request. Refresher training shall be undertaken by the relevant staff at least every 12 months and documented as above.

9. The Premise Licence Holder and/or DPS shall ensure that a written record of all refused sales are kept on the premises. This record shall be made available to Police and/or local Authority upon request and shall be kept for at least one year from the date of the last entry.

13. The Premise Licence Holder shall ensure that children under the age of 18 shall not be admitted to the premises after 21:00 unless they are accompanied by an adult.

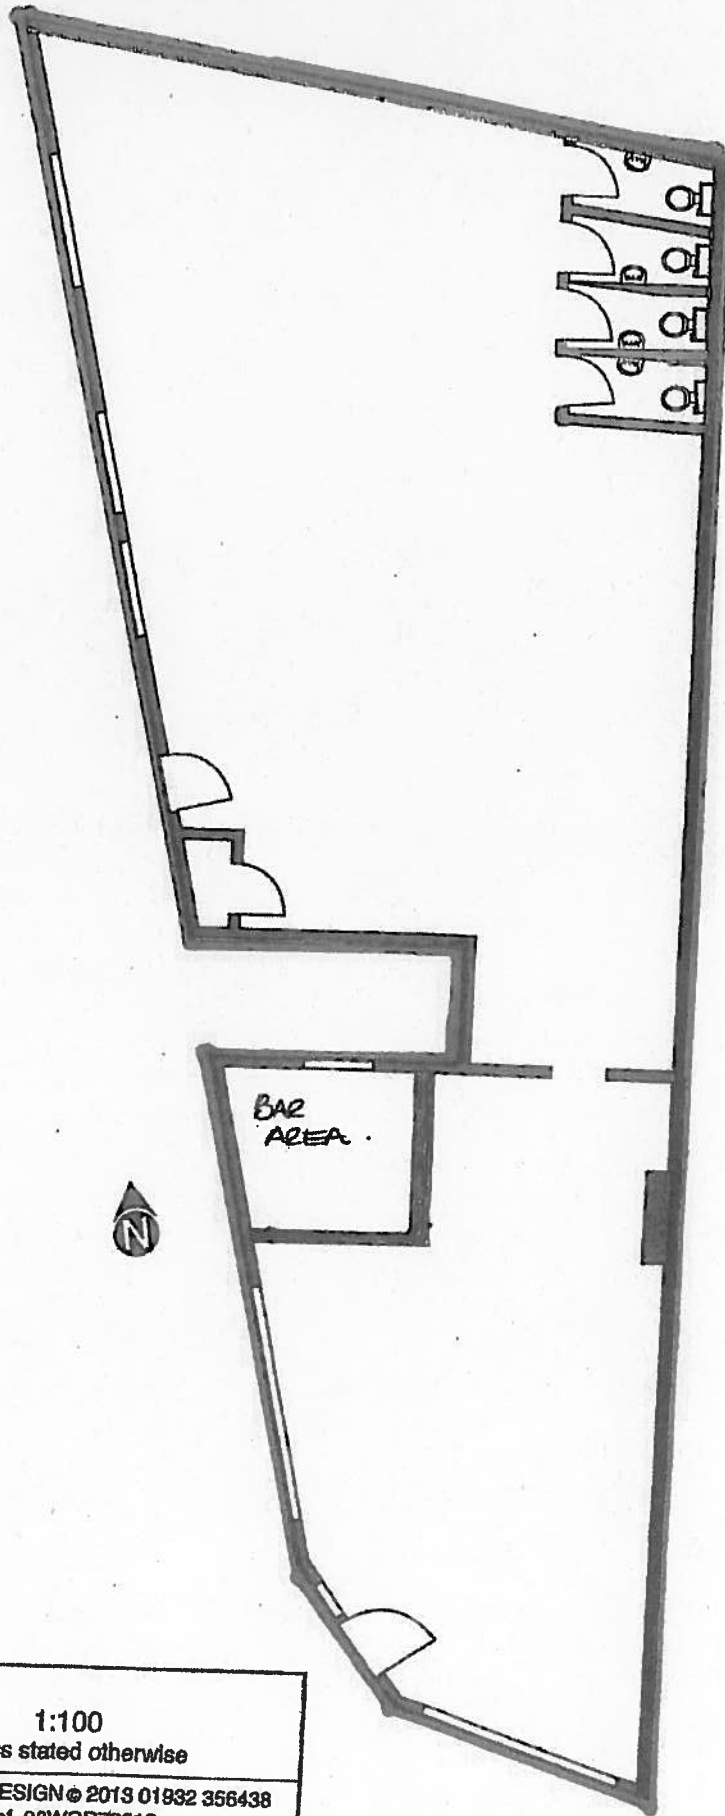

14. The premises licence holder shall ensure that where regulated entertainment takes place on a Friday or Saturday, SIA registered door staff will be employed at the premises from 9pm until the cessation of those licensable events.

Appendix 2 – Copy of Representations

LICENSING ACT 2003 - REPRESENTATION FORM

To make a representation in respect of an application for a Premises Licence or Club Premises Certificate please complete the following form. For representations to be considered relevant they must relate to one or more of the four "Licensing Objectives" (listed below).

Please note all representations will be made available for applicants to view. If you make a representation objecting to the application it is likely that you will be called upon to attend a hearing and present your objection before a Licensing Committee.

Personal Details
Name.....
Address....
Postcode..

Licence application you wish to make a representation on
<i>You do not need to answer all of the questions in this section, but please give as much information as you can:</i>
Application Number.....
Name of Licensee..Ifeanyi Oliver-Mwachukwu
Name of Premises (if applicable)..Chidos Lounge
Premises Address (where the Licence will take effect).... 98 West Green. Road, Tottenham, London
Postcode. N15 5NS..

Reason/s for representation
<i>Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council's leaflet Variations, Representations and Appeals for Premises Licences and Club Premises Certificates).</i>
<i>Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.</i>

The Prevention of Crime and Disorder

As a resident of Grove Park Road for over 20 years I have noticed that there seem to have been an increasing number of people hanging around the premises, though not entering it. These individuals are often drinking from cans of lager/beer in West Green Road most evenings and I feel that granting a license to the nightclub will only exacerbate the number of people drinking in the vicinity, which is already a designated drinking control area, it will encourage revellers to continue drinking in West Green Road and continue to cause a nuisance to other road users and local residents.

I have personally witnessed a number of people exiting the premises and using the wall around the corner as a public toilet which I find frightening and extremely disturbing and frightening. The police already have had a number of calls when the premises was a snooker hall due to antisocial behavior and I feel this antisocial behavior will continue if a license is granted to the Chidos Lounge.

Public Safety

As highlighted above there seems to be an increasing number of people drinking in the street at various points throughout the day. I feel that the presence of a night club will only encourage these people to continue drinking regardless of the time of day and will continue to cause a nuisance to those trying to shop or walk down West Green Road. I also feel if a license is granted it will increase the traffic in an already busy road.

The Prevention of Public Nuisance

If a license is granted this will create a lot of additional noise in the surrounding area and will disturb what is a residential area. I also feel that this will encourage an increase in the number of street drinkers in the area who already make a nuisance of themselves.

The Protection of Children from Harm

As with licensed premises some of the revellers will not necessarily leave the area after the premises has closed and I don't feel that children should have to witness, people drinking outside the nightclub whilst in West Green Road or even worse witness public urination or other antisocial behavior.

I, _____, hereby declare that all information I have submitted is true and correct.

Subject: Application for full alcohol and entertainments licence, Chidos Lounge, 98 West Green Road, Tottenham, London N15 5NS

Categories: Purple Category

Dear Licensing Team,

I am writing to voice my very strong objection to the granting of a full alcohol and entertainments licence to Chidos Lounge, 98 West Green Road, Tottenham, London N15 5NS.

This property is on the corner of the street that I live on. Every time I walk past this building on the way home, I have to run the gauntlet of groups of men selling drugs, drinking, urinating, parking mopeds and scooters and bikes on the pavement. I have to walk in the road, as they often block the pavement. This starts around 16:30 - 17:00 and continues late into the night. Beer cans and bottles litter the street in the morning. The door to a utilities box is frequently ripped off. The idea that it is appropriate to worsen this situation is appalling. The current property does not, as I understand it, have an alcohol licence and the situation is this bad: it will be completely intolerable if alcohol is made even more easily available and noise will be added to the problem as well.

West Green Road has started to improve recently, with some shop renovated and the 'pocket park'. However, it can still be intimidating to walk along the street from the tube station - leering, muttered suggestive remarks, altercations between groups of men all detract from this though, so there is still some way to go. This kind of behaviour will be made worse if the streets are full of drunks pouring out of a club, fuelled by alcohol. The last thing we need is to increase the opportunities for crime, public nuisance and disorder.

People live in this area. The noise levels would be increased to an intolerable level, not just by the club itself, but also by the people hanging around as a result of its opening. On my street, maybe 2-3 houses up from the corner, a new family has recently moved in, with young children: they won't get much sleep if this licence is approved, and they will be subjected to the litter on the streets in the mornings on the way to school. My immediate neighbours are elderly and rarely leave the house after dark: introducing more facilities that risk isolating them, other young families and older people even more should not be considered.

The potential for a club to increase traffic is a further public safety issue. Traffic on West Green Road is already appalling, with people seemingly able to use their mobiles, drive too fast and ignore the pedestrian crossings without penalty. This will be worsened by a club, bringing more vehicles into the area. I don't remember the last time I saw any police dealing with the gangs of men on the corner or the traffic problems.

West Green Road was rated the 5th most unhealthy high street in London, by the Royal Society for Public Health. I would have thought that Haringey's ambition would be to take it up the rankings, aiming for a healthier high street for its residents. Granting a licence to this club would suggest that the Council is, instead, aiming to be first, and win the award of the first most unhealthy high street in London.

Please do not grant this licence. To do so would be to put the profits of one person above the wellbeing of everyone who lives in this neighbourhood.

Representation on licence application for:

Chidos Lounge, 98 West Green Road, Tottenham, London, N15 5NS

Name of licensee: Ifeanyi Oliver-Nwachukwu

The prevention of crime and disorder/public nuisance

The West Green Road has been a 'sensitive' area for many years and the Council's efforts since the riots (more cameras, upgrading shop fronts, communal garden, etc) have had a positive impact on the local community here. However, there are still regular occurrences of violence and abusive behaviour, and gatherings on the street, particularly at night/early hours of the morning.

As an example, When the Fountain pub (1.30-2.00+am on Fridays/Saturdays) closes, a stream of people can be heard shouting, singing and sometimes fighting, cars revving their engines hard, racing, urinating and vomiting. If an additional premises were opened nearby, it would simply act as another venue for these people to go to, creating a new centre for determined drinkers from all over the locality.

This part of West Green Road has residential accommodation and also above shops/takeaways. Nearly all the shops operate between normal hours. A club operating all day to 12/2.30am would generate disturbing and intrusive levels of noise from music, talking/shouting, people traffic (coming and going), noise of cars parking/leaving all night/morning.

The area is improving rapidly, with new flats at Lawrence Square (30 metres away) mainly housing families, this is the kind of neighbourhood I want to live in, not one dominated by clubs offering loud music and alcohol until 2.30am. It would be a big step backwards and undo the Council's good work here.

Public safety

During the day and night, the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the vicinity, especially mothers with children and the elderly. There are a lot of obviously heavy drinkers in the area and encouraging these people is again a complete step backwards and compromises public safety. The increase in traffic will also put safety at risk in an already busy area.

Protection of children from harm

The area is becoming a better place for children to grow up in, the idea of having a club selling alcohol, purveying loud/club music and resultant anti-social behaviour on their doorstep, next to their homes, where they walk to and from school, does not create a good and safe environment for children.

I, , hereby declare that all information I have submitted is true and correct.

Dear Haringey Licensing Team

I am writing to oppose the application for full alcohol and entertainments licence for Chidos Lounge, 98 West Green Road N15 5AA.

I do not think such a use is appropriate for this street, and adjoining residential areas.

West Green Road is already well served with night time restaurants and cafes which include alcohol. What we need is more daytime and family friendly venues.

I live in housing for older people, [REDACTED], and the proposed development is diagonally opposite our street, which already attracts drinkers, loiterers, and groups of people, none of which encourage a safe environment. I feel the granting of the license to 98 West Green Road will possibly further encourage this type of behaviour. West Green Road has been site of fights and stabbings more than once in the 6 years I have lived a Holly Court. It needs calming down for the benefit of the residents, rather than affording opportunities for anti-social behaviour.

Thanking you for your attention to this matter.

Subject: Objections to the Application for a full alcohol, live and recorded music licence at the Chidos Lounge, 98 West Green Road, N15 5AA

As Grove Park Road residents for more than 27 years we wish register our opposition to the above application which, as we understand it, will result in the sale of alcohol at the Club till 2am.

Should the application be agreed, it will in our view probably lead (particularly at weekends) to drunkenness, fights, traffic noise and annoyance to passers-by. It will also present a threat to public safety (especially to children and the elderly) - with the police being called out to break up fights, move drunks on, and in extreme cases make arrests.

A couple of years ago, and in response to local-residents' complaints about frequent open-air consumption of alcohol at all hours of the day and night at the West Green Road end of Grove Park Road (adjacent to the club premises now seeking an alcohol licence), Police declared it an alcohol-free zone. This licence application, if granted, will drive a coach and horses through that.

It will also be contrary to the good work the council is doing to improve the area by upgrading shop fronts, instituting the Seven Sisters Regeneration project and removing the piles of rubbish which, for the past 18 months, have been routinely dumped on virtually a daily basis a stone's throw from the proposed club and adjacent to the barber's shop near the top of Grove Park Road.

We, [REDACTED] and [REDACTED] declare that all the information we are providing is true and correct.

RE: Representation on licence application: Chidos Lounge, 98 West Green Road, London, N15 5NS

Sir/Madam,

I'm am writing to express concern regarding the licence application for the Chidos Lounge and urge you to reject this application.

The premises is on the corner of residential street, where I am a resident. The grounds for my objection to this application are:

- the application would significantly extend the time period for disturbance on a residential street. A 2am closing time would generate noise both from people exiting the premises, congregating at the exit, and parking.
- there will be an increase in the level of noise from the venue itself if music and/or performances are allowed.
- the license would increase the volume of people congregating at the street corner. Groups of men already gather outside of the premises, an increase in numbers using the premises would increase this problem. Already it is often necessary to walk into the road as the pavement is blocked with men congregated on Grove Park Road.
- the men congregated outside the venue are a source of anti-social behaviour - street drinking, urinating in public, sitting on the walls of the houses and drug dealing. An increase in the numbers using the venue would further increase this anti-social behaviour in an area which the police identify as a 'high' crime area.
- Previous representation has been made to the licence applicant regarding the behaviour of their customers outside of the premises, but this has not led to any change whatsoever. The licence applicant has also had repeated breaches of their existing licence – both with regard to the noise nuisance and operation outside of licence hours. These breaches have happened over the course of several years. They have therefore not demonstrated they are a fit licence holder or will take any steps to address the potential increases in public nuisance.

Date:14/11/2016.....

Help stop an all-day/night club opening close to your home.

The premises at **98 West Green Road, N15 5AA** has applied to Haringey Council for a full alcohol and entertainments licence, weekdays 10am to midnight, weekends to 2am.

The application states the following within these hours:

"Supply of Alcohol, Live Music, Recorded Music, Performances of Dance, anything of a similar description, Facilities for making music, Facilities for dancing and anything of a similar description."

This proposal is completely inappropriate for our area. It will create a constant loud noise nuisance, traffic noise and much worse... **The sale of alcohol to 2am** will attract determined drinkers and party/drug types, long after the pubs have closed.. with the usual anti-social outcomes.

The Council has been working to improve West Green Road, upgrading shop fronts, creating a communal garden and adding more discreet CCTV cameras. Also, the Lawrence Square development and new scheme further up mainly houses families and the Seven Sisters Regeneration project will see £65m spent on upgrading the area from 2016/17. **A LATE-NIGHT CLUB IN THE MIDDLE OF THE HIGH STREET IS A HUGE BACKWARDS STEP!**

Please email or write to the Haringey Licensing Team before the 22 November 2016 cut-off!

- ▶ The prevention of crime and disorder
- ▶ Prevention of public nuisance
- ▶ Public safety
- ▶ Protection of children from harm.

I have provided my own response overleaf for guidance or to use.

Hard copy form at <http://www.haringey.gov.uk/sites/haringeygovuk/files/licensing-representation-form.pdf>

1. Name of the premises: CHIDOS LOUNGE

2. Name of the applicant: CHIDOS LOUNGE

3. Address of the premises: 98 WEST GREEN ROAD, TOTTENHAM, LONDON, N15 5NS

4. Description of the premises: A three-story brick building with a large glass entrance on the ground floor. The premises are currently used as a residential property.

5. Description of the proposed use: The proposed use is a late-night club, providing alcohol, live music, recorded music, and performances of dance. The premises will be open from 10am to midnight on weekdays and 10am to 2am on weekends.

6. Details of the proposed hours of operation: The proposed hours of operation are 10am to midnight on weekdays and 10am to 2am on weekends.

7. Details of the proposed licence: The applicant is applying for a full alcohol and entertainments licence.

8. Details of the proposed licence conditions: The applicant is proposing the following conditions: 1. The licence holder must ensure that the premises are used for the purposes of the licence. 2. The licence holder must ensure that the premises are used in a responsible and lawful manner. 3. The licence holder must ensure that the premises are used in a manner that does not cause a nuisance to the surrounding area. 4. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the public. 5. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the health and safety of the public. 6. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the environment. 7. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the cultural heritage of the area. 8. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the historical or archaeological interest of the area. 9. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the natural environment of the area. 10. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the public interest of the area.

9. Details of the proposed licence fee: The applicant is proposing a licence fee of £10,000 per annum.

10. Details of the proposed licence term: The applicant is proposing a licence term of 5 years.

11. Details of the proposed licence conditions: The applicant is proposing the following conditions: 1. The licence holder must ensure that the premises are used for the purposes of the licence. 2. The licence holder must ensure that the premises are used in a responsible and lawful manner. 3. The licence holder must ensure that the premises are used in a manner that does not cause a nuisance to the surrounding area. 4. The licence holder must ensure that the premises are used in a manner that does not cause a danger to the public. 5. Subject: Chidos Lounge 98 West Green Road N15 5AA

Dear Sir/Madam,

I am led to believe that the above premises have applied for a full alcohol and entertainments licence, with the added implication that they will be then be able to stay open for what amounts to ridiculously late opening hours,

Firstly, I will readily admit that I am not a resident in your area. My home is in

However I have a daughter who lives with her partner in Grove Park Road, not many doors down from the Chidos Lounge, which is at the corner of her road and West Green Road. They have just had their first child a few days ago.....

The last time I visited their flat, I was dismayed at the situation that I found on that same corner, so close to where my daughter lives. Each time that my wife and I reached that corner, from late afternoon through any part of the evening, we found the pavement barred by large groups of men who stood their ground, ignored us and forced us to move from the pavement into the road in order to circumvent them. These men were all smoking, some were drinking and all were obviously taking the air outside the Chidos Lounge.

I am now incredulous to learn that these same premises are making the application to which I refer above. If anything, the place should have any licence revoked, not extended. It is a place of public nuisance and unpleasantness and any council wishing to seek any improvement of the borough, should be seeking to close such premises NOT giving them full Licence to carry on being a danger to public safety through into the early hours of the morning.

I have already been kept awake at night, staying with my daughter, by the raucous noise pollution coming from the Lounge as its doped and inebriated clientele, laugh, joke and swear well after midnight, standing in the road outside. Are they really going to be able to subject the surrounding residents to an EXTENSION of this public nuisance?

To conclude, I sincerely hope that you will reject this application and see its failure as a step in the direction of improving the quality of live for the immediate residents and Seven Sisters as a whole

<i>You do not need to answer all of the questions in this section, but please give as much information as you can:</i>
Application Number.....
Name of Licensee Ifeanyi Oliver-Nwachukwu
Name of Premises (if applicable) Chidos Lounge,
Premises Address (where the Licence will take effect: 98 West Green Road, Tottenham, London
Postcode N15 5NS

Reason/s for representation
<i>Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council's leaflet Variations, Representations and Appeals for Premises Licences and Club Premises Certificates).</i>
<i>Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.</i>

The Prevention of Crime and Disorder

Police has been called to the address a number of times but no long time solution to prevent the drug use or fighting has been resolved.

Public Safety

There is ongoing fighting that happens once they have had a few drinks and taken drugs. The visitors to this club would sometimes argue with passers by which will make people cross the road and not walk in front of the club.

The Prevention of Public Nuisance

The only way to prevent public nuisance is to close this 98 West Green Road down as it is drawing the wrong crowd and is causing nothing but problems to this community.

The Protection of Children from Harm

I have young grandchildren who visit me very often. When arriving at my property they fear going outside as there is groups of men ranging from the age of 18 to 45 paired up smoking illegal drugs, drinking alcohol and making a lot of noise by shutting and having loud music playing from the club and trumping out of their cars.

I find this very disturbing as it goes on for hours, at time there will be outside till 1am sometimes 2 am depending on the season and weather.

I hereby declare that all information I have submitted is true and correct.

Reason/s for representation

The Prevention of Crime and Disorder/Public Nuisance

West Green Road has been a very sensitive area for many years. Efforts by the Council to improve the area by installing more camera, upgrading shop fronts, communal gardens and frequent street cleaning have had positive impact on the local community. However there are still regular occurrences of violence, abusive behaviour and people gatherings on the pavements in the afternoon/early evening and night/early hours of the morning.

For example, when the Fountain pub closes around 1:30am-2am, the people can be heard shouting, singing, sometimes fighting and cars revving their engines. There is also vomiting and urinating on the street. If another premises were to open nearby, it would act as another venue for these and new people to frequent.

This part of West Green Road has residential accommodation and also above shops and takeaways. Nearly all the shops and takeaways operate normal trading hours. A club operating day and night would generate disturbing and intrusive levels of noise from music, people talking/shouting, and noise of cars parking/leaving which could have an effect on residents' health.

The area is improving with new flats 30 metres away at Lawrence Square which are mainly housing families, this is the kind of neighbourhood I want to live in not one dominated by clubs offering alcohol until 2am and playing loud music. It would be a big step backwards and would undo the Council's good work in this area.

Public Safety

During the daytime/night time the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the area, especially the elderly and mothers with children. There are a lot of heavy drinkers in the area and encouraging these people would be a step backwards and a possible threat to public safety. The increase traffic will also put safety at risk in an already busy area.

Protection of Children from Harm

The area is becoming a better place for children to grow up in, having a club selling alcohol, the loud music and the resultant anti-social behaviour next to their homes is not good or safe environment for children who walk to and from school, adults returning from work and senior citizens going about their daily business.

PTO

The Chidos Lounge Club is situated on the corner of West Green Road & Grove Park Rd. I live in Grove Park Rd, just down away from the Club. I have to pass the club when I go out.

The men who attend the Chidos Lounge Club stand about on the pavement and I have to step down in the road to get pass.

Many times I've narrowly avoided being spat upon.

I try and avoid being out after dark as I have to pass the club to get home. I live in a ^{state} anxiety because of the antisocial behavior of some of the people who attend the Chidos Lounge.

The members from the Chidos Lounge Park in Grove Park Road and when the Club closes the shouting and revving of car engines keeps me awake.

This club has a negative impact on my health and wellbeing and the Chidos Lounge Club and alcohol licence will only make this worse.

21 NOV 2016

Representation Against licence Application for:

Chidos Lounge, 98 West Green Road, Tottenham, London N15 5NS

Dated: 16th November 2016

Those in Opposition to this Application:

Residents at:

Please note this is a sheltered scheme for the elderly, most of whom are vulnerable and susceptible to what could be the resulting further anti-social behaviour experienced in this area from the successful granting of such a licence. We are located on the road opposite and our road is used as parking and a cut through to the council car park when there are events at this and other establishment on this road. We already having enough anti-social behaviour with intoxicated people whether by drink, drugs or both, who use our communal gardens, front entrance and car park as a hideaway corner to do drugs, urinate, defecate or have sex.

The prevention of Crime and Disorder/Public nuisance

West Green road is already somewhat notorious for crime, public disorder and general anti-social behaviour. While the area has come a far way and the Council has done a lot to improve the face of the area, this sort of establishment further encourages drunk and disorderly behaviour, drugs and who knows a meeting/battle ground for gangsters. We already have a situation where party goers congregate all along the pavement outside this particular establishment when there are events late evenings to early hours of the morning, and especially in the summer time it harbours a loud and noisy crowd hanging around the venue.

As an example when the nearby Fountain pub closes on a Friday and Saturday in early hours of the morning, a stream of people can be seen and heard shouting, singing and sometimes fighting, cars revving loudly, people urinating and vomiting on the street and even defecating at shop doors. Such an addition so close by is only creating another meeting point for potential anti-social behaviour.

This part of West Green Road has residential accommodation and a lot of it is also above shops/takeaways. Nearly all these operate between normal hours. A club operating all day to 12/2am would generate disturbing and intrusive levels of noise from music, groups talking/shouting, people traffic (coming and going), noise of cars parking and leaving all night/ morning.

The area is improving rapidly with new flats at Lawrence Road the next road up mainly housing families, this is the kind of neighbourhood we all want to live in not one dominated by clubs offering loud music and alcohol until 2am. It would be a huge step backwards and the undoing of the Councils good work here.

Public Safety

During the day and especially night the presence of patrons hanging around outside smoking and intoxicated can be very intimidating for the public especially the elderly and mothers with children going by. There are clearly a lot of heavy drinkers in the area and encouraging these people to run this sort of establishment is a complete step backwards and compromises public safety. The increase in traffic will also put safety at risk in an already busy area. Our road is used as a quick point

to turn around in and most vehicles do so at speed. So think especially of the safety of our elderly people and children around.

Protection of Children from Harm

This area is becoming a better place for children to grow up in, the idea of having a club selling alcohol, purveying loud/club music and resultant anti-social behaviour on our doorstep, next to their homes, where they walk to and from school does not create a good and safe environment for children.

We the Residents of Holly Court on this 18th day of November 2016 hereby declare that this represents our reasons for objecting to the request for licence for the above premises.

From: [REDACTED]
Sent: 21 November 2016 22:04
To: Licensing
Subject: Chidos Lounge, West Green Road, extension of hours for alcohol sales

To the licensing officer,

We have lived at [REDACTED] since September 1999 and have seen the impact of this club on our community, during these years and as far as we know, in the hands of two different owners.

It has been the scene of violent crime and while some of the clientele may conduct themselves properly, the club also attracts a significant criminal element. If this were contained within the premises, the impact on residents would not be quite as marked but in summer, there can be 40-50 men congregating on the pavement in our street. Some visit the barbershop across the road but never seem to cause trouble. The street presence continues throughout the seasons and only subsides in the most extreme cold and wet weather.

We cannot remember every having been consulted about this premises acquiring a licence to serve alcohol. Under the previous proprietor, an application to vary the licence was submitted, which residents opposed. This was upheld by the planning inspectorate when the proprietor appealed against the decision of the licensing authority. I am unclear as to when a licence was granted but the sale of alcohol was marked by an increase in people visiting the premises and the number of cars parking in our street. The drugs trade has moved from being obvious but not blatant. It is now conducted loudly, arrogantly, with no concern about residents hearing details of how much, how good and of what quality. The police crime map gives a picture of what we live next to. Tonight a man was shouting on his phone to a supplier, in loud complaint of about the poor quality of the drugs he was expecting to sell - customer services in Grove Park Road.

I oppose the extension of licensing hours at Chidos Lounge on a number of grounds, which are set out below.

The prevention of crime and disorder

I live in Grove Park Road, where people smoking outside the club gather in groups, where individuals drink, smoke and openly deal drugs with apparent

impunity. The police tell residents to gather evidence, then they'll do something about it. We rarely see police in our poorly lit, residential street. In the past, community support officers visited regularly and their presence reassured residents and disrupted the drug dealers' trade, but they are no longer here.

I get home from work late and walk through crowds of men gathered outside the club - I frequently see men urinating against cars and vans, making lewd remarks to young women. Tonight, I had to step out into the road to avoid a man on the pavement, casually urinating against a tree. A very elderly but independent neighbour was bemused by this behaviour, so near the entrance to her home.

Each morning, there is rubbish strewn around the pavement - only a little of this strays into West Green Road, the focus of it is in Grove Park Road, frequently with broken glass bottles. I photographed it this morning, a light day for rubbish, and will try to send the photo with this submission or soon after.

Prevention of public nuisance

Increasingly, we are being woken at night by intoxicated people shouting in the street. As I travel to work in Croydon every day - and I'm nearly 60 - this disruption plays havoc with my sleep patterns and makes a stressful job increasingly difficult. It's more than just a nuisance for our neighbours and ourselves. Not all of the club's customers are local, which is indicated by the number of large, expensive cars which park in our street, a lot of activity takes place round the cars, with people sitting in them, playing loud music, trying to engage passing women and doing drug deals.

Public safety

The area immediately around the premises in West Green Road and Grove Park Road is designated by the council as an alcohol control zone. Yet it is full of intoxicated people drinking and smoking outside the club - how can the control zone - unenforced - be made any safer by this premises extending the hours at which it is open to serve alcohol? Broken glass is a common feature of the pavement in the mornings. Cars parked at the bottom of our street, which is a 20mph zone, race up and down Grove Park Road, which has an island as a turning point mid-way up the street. Even though we have road humps, the speed achieved by cars and motorbikes is

dangerous to people and animals - a cat died as a result of head injuries sustained recently, late at night. The same applies to the 20mph zone in West Green Road, which we refer to as the race track.

Women are intimidated by the treatment visited upon them by the men who frequent this club. Leering, accompanied by sexist comments, is commonplace. In summer I have seen men follow young women up the street, pressing their unwanted advances. On it goes.

Protection of children from harm

The level of drug dealing at 98 West Green Road presents a menace to teenagers in this part of Tottenham, where the number of young people with severe mental health issues requires specialist services to support them. We are seeing teenage neighbours beginning to frequent the club and to associate with its customers hanging about in the street - it's a well known spot to score dope in our neighbourhood, unfortunately, a service which is enthusiastically taken up by some local kids. A neighbour whose son has severe mental health problems despaired at the ease with which he could buy skunk outside the club, a situation which has had the most appalling consequences for this young man and his family.

Given our concerns about the nature of some of the clientele of this premises, in relation to personal safety, I would be grateful if my personal details were not revealed with this submission.

Yours faithfully,

21 NOV 2016

Representation on licence application for:

Chidos Lounge, 98 West Green Road, Tottenham, London, N15 5NS

Name of licensee: Ifeanyi Oliver-Nwachukwu

The prevention of crime and disorder/public nuisance

The West Green Road has been a 'sensitive' area for many years and the Council's efforts since the riots (more cameras, upgrading shop fronts, communal garden, etc) have had a positive impact on the local community here. However, there are still regular occurrences of violence and abusive behaviour, and gatherings on the street, particularly at night/early hours of the morning.

As an example, When the Fountain pub (1.30-2.00am on Fridays/Saturdays) closes, a stream of people can be heard shouting, singing and sometimes fighting, cars revving their engines hard, racing, urinating and vomiting. If an additional premises were opened nearby, it would simply act as another venue for all these people to go to, creating a new centre for determined drinkers from all over the locality.

This part of West Green Road has residential accommodation and also above shops/takeaways. Nearly all these operate between normal hours. A club operating all day to 12/2am would generate disturbing and intrusive levels of noise from music, groups talking/shouting, people traffic (coming and going), noise of cars parking/leaving all night/morning.

The area is improving rapidly, with new flats at Lawrence Square (30 metres away) mainly housing families, this is the kind of neighbourhood I want to live in, not one dominated by clubs offering loud music and alcohol until 2am. It would be a big step backwards and undo the Council's good work here.

Public safety

During the day and night, the presence of customers standing on the street, smoking and intoxicated will cause people to avoid the vicinity, especially mothers with children and the elderly. There are a lot of obviously heavy drinkers in the area and encouraging these people is again a complete step backwards and compromises public safety. The increase in traffic will also put safety at risk in an already busy area.

Protection of children from harm

The area is becoming a better place for children to grow up in, the idea of having a club selling alcohol, purveying loud/club music and resultant anti-social behaviour on their doorstep, next to their homes, where they walk to and from school, does not create a good and safe environment for children.

Subject: objection to licence application from Chidos Lounge 98 West Green Rd, N15 5NS

Dear Licensing team

I am writing to register my strong objection to the application for a late night alcohol and entertainments licence at the above premises.

I live with my family in Grove Park Road, which is a residential street leading off of West Green Road. The above premises is at the corner of my road, and we need to walk past it to get to the shops and the tube. This premises already causes a severe public nuisance and encouragement to illegal drug dealing, and I fear that granting such a licence will only make matters even worse.

Having such a night club operating until late and selling alcohol is totally inappropriate in a residential area. It will lead to an increase in anti social behaviour such as noise late at night, and drinkers urinating and vomiting

There are already very often groups of men hanging around on the pavement outside this club, They sell drugs, and can often be intimidating to passers by, especially women, who are leered at and propositioned. My sons, who are young adults, are often approached as they go past this premises by the men hanging around outside offering them illegal drugs

I have spoken to many of my neighbours in Grove Park Road and everyone is worried about the prospect of the problems caused by the above premises becoming even worse if the licence is granted and more drinkers are attracted to hang around there. It is especially worrying to elderly residents and families with children

I urge you to please refuse this licence application

I hereby declare that all information I have stated above is true and correct

Yours sincerely

To: Licensing
Subject: Chidos Lounge 98 West Green Road

I strongly object to the licence being granted.

The prevention of crime and disorder -

This premises, along with the betting shop a few doors to the east, is the main focus for drug and alcohol related dealing, drug and alcohol related gang activity and drug and alcohol related unsocial activity leading to drug and alcohol related public nuisance and, ultimately crime.

In a dense residential area this licence is likely to increase the perception of vulnerability to crime over an extended period.

Smoking bans result in clients drinking and smoking outside in large numbers.

Talking and excited disputes once kept indoors now inflict the neighbours with long hours of extremely impaired amenity.

This application must be refused as it flies in the face of the Haringey Local plan which aims to safeguard the rights of residents to live in a safe and beneficial environment.

- preference is to withhold name and address.

To: Licensing
Subject: Chidos Lounge, 98 West Green Road, N15 5NS

To Whom It May Concern,

As a resident of [REDACTED] I would like to lodge my objection to the licence application for Chidos Lounge, 98 West Green Road, N15 5NS.

I believe that the extended licencing hours will increase the level of noise, drunken and disorderly behaviour and crime in the area.

We have seen many welcome improvements to the area in recent years and the sense of safety has notably improved. I feel the granting of the licence would be a step back in this regard.

Finally, my main concern: as a young woman I experience verbal harassment from men hanging outside the lounge on a regular basis. It is intimidating and offensive and I feel that the likelihood of this harassment increasing if the licence was granted is high.

I hope the licensing team will take these issues and those of other residents into consideration.

Yours sincerely,

Resident: [REDACTED]

To: Licensing
Subject: West Green Road - Chidos Lounge

Dear Haringey licensing team,

I write to you in response to the proposal for an application for a late license at Chidos Lounge, West Green Road.

I am a resident of Grove Park road since buying a property here 18 months ago. Like many, we value the perfect location close to shops and transport links.

I had hoped, and have seen more frequent signs of, the area improving since its troubles back in 2011. Everything I read details how the Seven Sisters regeneration program is scheduled and demonstrates a real hope for Haringey council that the area will improve as the potential is clearly present.

The proposal to license a late bar and club, 7 doors away from me is completely contradictory to this regeneration. The letter highlights all of the worries a neighbour might dread so I won't go into that.

However, I have just become a father for the first time, and wish to bring my daughter up in a safe, peaceful and prosperous area. The groups of men that hang around the corner where this club might end up, already pose a threatening prospect for my fiancée to walk past every night. With a later license, comes more drunk and disorderly people. As a young female, she already deflects flippant comments, but actually, verbal abuse, from patrons of the venue and I just cannot see myself living on this road if this license is passed.

I expect this application has provoked a lot of opposition as it does not support the trajectory of improvement this area so desperately needs.

I feel so strongly about this. The bar already serves a purpose for its clients. If anything, we should be united in closing the Chidos Lounge as it is, let alone opening the flood gates to more degenerates dealing coke and weed on the street corner.

The police don't seem to care, but I really hope you do.

Personal details

Name of Licensee
Ifeanyi Oliver-Nwachukwu

Premises
Chidos Lounge
98 West Green Road, Tottenham, London, N15 5NS
Ward - Tottenham Green

The Prevention of Crime and Disorder

- drugs and intoxicated behaviour

There is already a regular gathering of patrons
blatantly

smoking marijuana outside Chidos most evenings, which would only be exasperated should the
license be extended

at weekends

. With alcohol available later into the night and consumed both on and off premises, I argue
that the likelihood of disorder becomes increased.

Public Safety

- large groups of intoxicated patrons and road traffic safety

The gathering of groups (patrons or otherwise) outside Chidos and the property opposite on
Grove Park Road make for an intimidating entrance to a residential road. I believe that with a
later license, these groups would congregate outside the premises even longer and gravitate
towards it once other premises close. There are also often many cars (seemingly of patrons or
their friends) parking along or driving up and down the road, causing blocks at the junction with
West Green Road. I have experienced many occasions in the last 18 months where there has
been an impasse of vehicles, making it difficult to turn off of West Green Road, for access to
the north end of Grove Park Road and for pedestrians to cross the road.

The Prevention of Public Nuisance

- noise and litter pollution

The groups who gather outside Chidos and the property opposite on Grove Park Road can often
be heard shouting late into the night as it is, let alone with a later license. If this were to
continue even later, it would be a nuisance to me, especially when the premises closes and
they spill out. This must be even worse for properties closer to the premises than mine. The
litter to be seen around the junction after a busy night is appalling. There is already enough

litter deposited around this end of the road from the surrounding properties. Increasing the time available for patrons to purchase drinks and consume them outside the property would only make this problem worse. The debris extends to urine, vomit and food remnants, which definitely attracts flies, foxes and worse. I do not believe that the licensee currently does enough to discourage littering or reduce noise pollution.

The Protection of Children from Harm

- litter near children playing

The excess of litter - broken bottles, vomit and cans - are not ideal when there are young families living close to the premises. Children do play along the pavement and they should not have to dodge vomit all weekend. Again, I do not believe that the licensee does enough to discourage this littering or to clear up the next morning.

I declare that all of the information that I have submitted within this representation is true and correct to the best of my knowledge.

To Whom It May Concern

I am writing in regards to the opening of 98 West Green Road which is applying for a license to open 7 days a week selling alcohol, playing/recording music and selling late night refreshment etc. I reside at _____ and already I am not impressed with the presence in which it currently operates as it is only a few yards from my residence which is an inconvenience and causes irritation.

Every evening a group of individuals stand outside consuming alcohol, smoking, conducting illegal activities which results in unacceptable behavior; shouting, swearing, talking loudly, walking up and down the Road without considering the people living on the road, they are clearly a nuisance. The main issue is they already disturb the residence as well urinating all over the street, fighting, smoking and selling drugs all throughout day without any consideration for residence which many are elders and families with young children whom witness this kind of behavior on a daily basis.

Early hours of the morning they bang car doors, making up loud noises speeding up and down the road and disturbing resident in their sleep. I find it difficult to find a parking place on Grove Park Road where I reside which is irritating because I pay Haringey council every year for a permit, unfortunately, the road is always full of cars with people who attend this social club. This has been a continued issue for a numbers of years, even though we had a petition against their behavior sometime ago but clearly nothing was done about it. The police and Haringey Council know about this but nothing seems to have happened. As the area is developing and Lawrence Road has improved the area along with the council regeneration programme, why would you want to put a night club at the bottom of our street that already causes so much stress? This is not the type of neighborhood that makes me want to reside in especially with the new proposal.

Thus, I would like to reject this Licensing of alcohol and permanently have the premises closed. We petitioned before and nothing happened this cannot go ahead as this is not good for the area with the increase of traffic and the safety of our environment.

I sincerely hope that the residence who have voiced their concerns about this building and what it stands for is taken into consideration.

Yours truly,

A horizontal black bar redacting the signature of the sender.
