**Purpose: To inform the Forum of the updated work plan for the 2016-17 academic year and provide members with an opportunity to add additional items.**

**Recommendations:**

**That the updated work plan for the 2016-17 academic year is noted.**

**1. Schools Forum**

- 1.1. It is good practice for Schools Forum to maintain a work plan so that members ensure that key issues are considered in a robust and timely way.
- 1.2. Members of the Forum are asked to consider whether there are any additional issues that should be added to the work plan for the next Academic Year.
- 1.3. This work plan will be included on the agenda for each future meeting so that members are able to review progress and make appropriate updates.
