Green Lanes Area Transport Study
Round 1 engagement response analysis (includes website, email and written responses)
Categorised by road / area
This list is an unfiltered summary of all issues raised by respondents to the Round 1 engagement, and does not necessarily reflect LB Haringey policy.

7 T 8 D -1 C		_	Number of responses mentioning
8 D	ssue description General	Theme	issue
8 D	raffic calming measures needed on residential roads across the study area	TRAFFIC	33
	Different and effective traffic calming measures needed (not speed bumps)	TRAFFIC	28
	Concern over pollution levels Discourage driving for local shopping by making parking difficult/encourage use of sustainable modes/off peak travelling	OTHER PARKING AND LOADING	26 24
	ntroduce CPZ on residential roads surrounding Green Lanes. Review CPZ arrangements for all residential streets in study area	PARKING AND LOADING PARKING AND LOADING	22
	Nove on-pavement parking to the carriageway on Wightman Road and Hermitage Road	PARKING AND LOADING	18
	Reopen all closed roads to spread traffic burden	TRAFFIC	15
	Quality of life for local residents should not be compromised to cater for drivers from outside the area leed to enforce speed limits better - drivers ignore these at present	TRAFFIC TRAFFIC	12 11
	nstall CCTV cameras to catch fly tippers	OTHER	10
	Vould like more on street bike hangars	CYCLING	9
	mprove accessibility and staffing hours at stations	PUBLIC TRANSPORT TRAFFIC	9
	General issue with rat running on smaller streets in the area IGV access on residential streets should be restricted, monitored and enforced (including Hermitage Road)	TRAFFIC	9
24 S	Speed bumps ineffective: drivers speed between them; shaking damages properties	TRAFFIC	8
	Piccadilly Line should stop at Haringay Green Lanes station	PUBLIC TRANSPORT	5
34 R	Reduce traffic near schools (and therefore pollution) e.g. Chestnuts Primary School Remove all mini roundabouts in the borough; not pedestrian or cyclist friendly	TRAFFIC WALKING	5 5
	Create a cycle/ped path along the New River path	CYCLING	4
-8 A	ll changes should encourage/support walking, cycling and public transport use	OTHER	4
	Road closure plans should consider disabled residents who are dependent on their car	TRAFFIC	4
	mprove pedestrian path on the New River mprove road surface for cyclists e.g. verges potholed and uneven	WALKING CYCLING	3
	The area needs a fully segregated north-south cycle lane	CYCLING	3
-9 Ir	mprove street scape e.g. clear overgrown foliage, remove satellite dishes, more bins	OTHER	3
12 R	Require better enforcement of illegal parking outside schools	PARKING AND LOADING	3
	General support for reduction in traffic in the area Resurface footpaths	TRAFFIC WALKING	3
	resurrace rootpatns Traffic islands are dangerous	WALKING	3
·17 Ir	mprove drainage at kerbsides	CYCLING	2
·18 Ir	ntroduce ASL on major junctions in the area	CYCLING	2
	mprove lighting and general conditions in parks	OTHER OTHER	2
	Provide clearer signage and accessiblity to parks (erbstones need repair/ lowering where pavement parking is permitted	PARKING AND LOADING	2
	mprove access across railway lines	WALKING	2
-22 V	Viden narrow pavements to improve pedestrian safety	WALKING	2
	ingage with London Cycling Campaign to improve cyclist routes in the area	CYCLING	1
	ncrease cycle only route network Install cyclist contraflows on one-way streets	CYCLING CYCLING	1
	Better enforcement of blue badge parking needed	PARKING AND LOADING	1
	Provide designated lorry route for heavy vehicles making deliveries to avoid damage to buldings	PARKING AND LOADING	1
	inforce bus lane parking restrictions	PUBLIC TRANSPORT	1
	ncrease frequency and length of overground trains at Harringay Green Lanes station	PUBLIC TRANSPORT PUBLIC TRANSPORT	1 1
	ntroduce a school bus service to reduce school drop off traffic	PUBLIC TRANSPORT	1
	ntroduce park and ride service in the Green Lanes area	PUBLIC TRANSPORT	1
	ncrease the frequency of the 67 bus route	PUBLIC TRANSPORT	1
	Re-route bus lanes Rationalise street furniture to remove pedestrian pinch points	PUBLIC TRANSPORT WALKING	1
	Remove pedestrian crossings to help traffic flow	WALKING	1
	Schools should have time controlled crossings to stop many individual crossings being made	WALKING	1
	Subto	tal	
1 R	Green Lanes [A105] Remove parking on Green Lanes	PARKING AND LOADING	85
	mprove Green Lanes/Hermitage Road junction - dangerous for cyclists/peds, light phasing not long enough for vehicles	TRAFFIC	35
9 Ir	mprove existing junction to Arena	TRAFFIC	26
	ntroduce 24hr bus and cycle lanes on Green Lanes	PUBLIC TRANSPORT	19
	Cycle lane needed in both directions the full length of Green Lanes	CYCLING	12
	Green Lanes bus lane operational hours should be extended Move bottleneck southbound bus stop at Arena south towards Endymion/Hermitage Roads or set back into pavement	PUBLIC TRANSPORT PUBLIC TRANSPORT	11 8
