NOISE REPRESENTATION

Licensing Consultation - Internal Memo

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Cc:

Our Reference: WK/000082271

Date: 9th July 2008

Premises: Viva Viva Ltd, 18 High Street, Hornsey, London, N8 7PB

Type of application: New

I would like to confirm that I have visited the site and have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to:

Make representations to the Application.

on the following grounds (delete section if making no representations):

That the proposed operating hours are inappropriate due to the close proximity of residential dwellings.

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment

Supporting Information

The Noise Team have received 16 noise complaints so far this year and have sent 1 noise Advisory letter on 19th April 2008 and one warning letter on 31st May 2008

Informative

I would recommend the following alterations/conditions to the operating schedule:

Operating hours

That the premises closes no later than 0130 Thursday to Saturday

That regulated entertainment ceases at 0130 Thursday to Saturday and 0030 Monday to Wednesday.

Glasses will be collected from the beer garden area at the beginning of the day rather than at closing time when neighbours in close proximity might be unduly disturbed

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include where disclosed, the complainants name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

REPRESENTATION FROM INTERESTED PARTY

Barrett Daliah

Sent: 21 June 2008 14:48
To: Barrett Daliah
Subject: Re; New Licensing Application for Viva viva, 18 Hornsey High Street, N8.

Dear Daliah,

I am a local resident who lives 300 yards in Beechwood Road from this establishment, and I have the following comments and objections to certain aspects of their new application. I first must note that this club/restuarant has been trading for a number of years, albeit under another managment, and my comments are based on the expereince of the premises and its size in coping with the entertainment they propose and the hours they are proposing in their application.

First, the applicants ask for their hours to be up to 1 am Monday to Wednesday, and up to 2 am Thursday to Saturday.

My objection is that this would prolong the noise and disruption that the numbers attending this venue cause, and disturb local residents on what any reasonable person would consider to be a working night.

From about 10 pm when this club is open, in my experience customers are standing about on the pavement outside, holding drinks and generally making a lot of noise as the evening wears on, because the club is not big enough inside to contain the ammount of people it attracts. The pavement is partially blocked to ordinary residents going about their business, and the noise from the outside customers gets louder and louder until closing time.

The club has been successful in monuting a continuous advertising campaign for their events, but then in my opinion cant cope with or manage the numbers that turn up on some nights.

I would want to raise my objection as a local resident therefore to the late hours being granted on Monday, Tuesday, Wednesday, or Thursday evenings. I would ask that further local police and residents opinions are looked into about the pavement being blocked, loud drinking outside, taking place. I also object to this application on the grounds that the premises is too small to have large numbers of customers, dancing and that the customer activity outside needs to be planned for and contained or the consideration be given to the application being refused.

I have no objection to late licences at New Year and Christmas, but again the issue of customer control on the narrow pavement needs to be considered.

Many thanks,

Catherine Harris

Dear Sir,

I would like to object to the application of a late licence for Viva Viva at 18 the High street Hornsey. This Bar has regularly flouted the law.

When the bar was first opened planning put stipulations in place to contain the noise nuisance they create i.e. double entrance doors to act as a sound buffer. They have adapted the front so as to open the front up allowing noise to escape.

I have spoken to my Local councillor Robert Gorie who has been into the bar with me to ask them to keep the doors closed when they have live music. They agreed but have not made any effort to stick to this agreement.

We have reported them for noise several times, & almost weekly I have to go across & ask them to close the doors post 10.00pm When they should not be open at all.

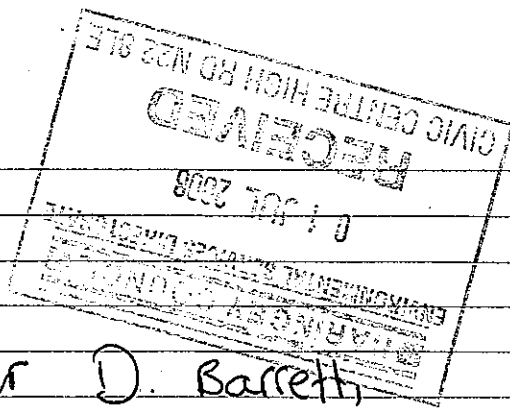

The bar has now put tables outside blocking the pavement & this also means we have noise pollution on Saturday & Sunday afternoons which affects the enjoyment of my property.

When we attended the appeal against their original licence various promises were made to us that there would be no disturbance none of these have been kept.

In short this bar is a nuisance in another wise peaceful residential area. Please do not renew its licence or if you decide to give them another chance do not allow them to open passed midnight. They have already shown you their willingness to break the law. Please show us your willingness to support us & uphold the law.

APPENDIX 4

LETTER FROM APPLICANT REFUTING RESIDENTS REPRESENTATION

E. Demosthenous
168 Dukes Av
London
N10 2QB

Dear D. Barrett,

I received your letter of Objection from Ian Bruce and would like to take the opportunity to respond. Ian originally objected to our late license and we went to court over it. Ian is saying the Court imposed special conditions that our doors are closed. The Court took none of his objections into making special conditions as they could see he was being totally unreasonable. They did not tell us to close our doors even though I suggested in court that we can put that as a condition to our license. They said it was not necessary. We do however always close our doors by 9.30, latest 10.00. It is too cold in the restaurant anyway to have them open and if we have loud bands on of course we don't want music blaring out. It would be a nuisance to neighbours and us as we would get a bad reputation.

Ian said to me from the initial Court case, "I will make sure you get closed down", in court I gave him my mobile number to call me direct if there were any problems when he called me at 2am, woke me up and my children shouting down the phone at me that we were causing noise disturbance and we were actually closed. He seems to ignore the fact, among others, that the other bars and restaurants in our strip on High Street Homsey advertise and have live music without license, without closed doors because I've seen Ian eating there and good friends with them.

We put £50,000 of sound proofing into our venue. We are not a disco bar. We are a performing arts venue with live world music, Congolese nights, Latin nights,

Jazz nights, Salsa and Moroccan. We are trying to bring Culture to the area not a night Club. We have a double acoustic doors, sound lobby, disabled access + disabled toilets, sound proofed walls. I think this much thought + cost into a venue means we are not trying to cause a noise.

However, I was out of the business having two children and have just returned to fully manage the business 2 months ago and realised the previous sound engineer had taken our limiter off our sound equipment, a device which means the noise cuts off when at a certain level. I have made sure this will go back on immediately as this may have meant noise levels could have risen. I did speak to environmental health about this as they sent a letter saying levels had risen. They also suggest I hang my speakers as this causes a lot less vibrations which I also agree to and will be done this week.

As for coming weekly, this is not true, I have seen him only once since three years ago that we went to court with him but he harasses us on the phone and tries to threaten us and if we continue without reason I will start a case of harassment against him.

I know that I have not been correct in transferring the license from company to another but I do not think this makes me a terrible person. I went through the whole application originally so it is of no benefit to me to not transfer the license, it's not as if I would have had a problem transferring it. It has only caused aggravation and was a genuine oversight.

I have not been able to trade as my business is live music and rehearsal and have had to move out of my house as I cannot afford mortgage without an

income and with two children so think I have felt the full effects of it. I have also had to lay off staff which I don't think is beneficial to anyone.

Well that's my point of view if it means anything at all.

Yours Sincerely

A A

E. Demosthenous

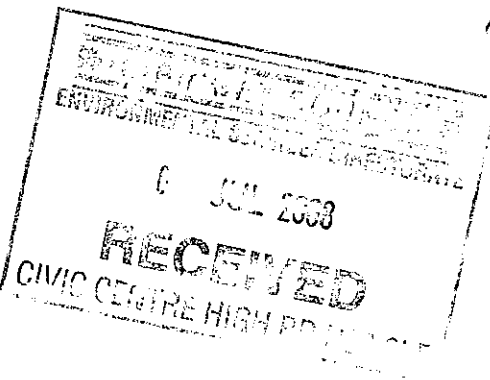

P.S. To say we have our doors open Sat + Sun afternoons + cause noise is a complete lie as we have no customers daytime, so much so I am considering closing the daytime!!

PPS I have never been approached by a councillor about music

and p p p 5 I have 50000 many people who want viva viva alive again!

2/7/08

Dear D. Barrett,

In response to Catherine Harris letter, I would like to say that as in my previous letter I was taken out of the management team as I had to be taken but am back working full time.

However, I can assure you midweek there is nobody outside our premises making noise as we are quiet midweek. We have been trading over two years with a license until 1am midweek and this letter is as if there would be problems if we traded until one. Obviously the resident hasn't realised we are currently trading until 1 already and there is no noise nuisance.

I think that with the non smoking laws now in restaurants people go outside to smoke which is why they stand there on weekends but they are not allowed to stand out making a lot of noise after midnight weekends. I could make a proposal that our doorman asks residents to walk down the road to smoke or keep the volume down while

they are outside.

I still do not know how we can be targeted for noise when the pub on the corner has a later license, live music, beer garden and lots of people outside smoking and drinking.

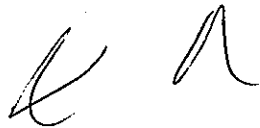

I suggest it is a street issue not just a viva viva issue and wasn't properly thought out when the smoking ban was put in place.

Look outside ev. bar and restaurant and you will see huddles of people smoking.

Again I will ensure that noise outside is kept minimal as I do not want to cause disturbance to residents and if there are people going out to smoke will ask if they can go out in pairs not groups.

Again it is a new management so I would ask to let us trade before we are judged.

Thanks

E. Demosthenous

P.S. Look at all the other places advertising live music next to us
with a license. Check their noise levels too! Thanks.

Dear Members,

Sorry about the recent opening and closing of ViVa ViVa but all comments must go to Haringey council licensing Department. We had a company change over 2 years ago and the license wasn't transferred. Haringey Council walked in one day and said we couldn't have live music or sell alcohol or open after 11 because of a paperwork issue over 2 years ago and we were all breaking the law and an outrage to society!

We put in an immediate notice to renew our license and were met with objections from our friendly neighbour over the road; well this guy, the rather large caretaker of the school opposite us, Ian, caused a stink saying we are a nuisance to the so peaceful residential area (I think he must be blind to the pub blaring live music out every Saturday with its doors wide open), and the estate behind us churning out all kinds of trouble. He originally went to court with us 4 years ago objecting to our opening and has basically been kicking up a storm since, phoning us, coming over and saying we are a trouble to the area. I am not quite sure how salsa, Elvis, Frank Sinatra and Flamenco are so threatening, but I guess we all have our own opinions.

Well let's put it this way, the noise team have been called in to come with our friendly Ian and stand at his house and do a noise test with us playing music. So when ever Ian says he is happy with the level, the council have made me buy a £1000 limiter (his reason was that businesses have the money to afford such things) even though we have been closed for a month with no income and had to lay our staff off. Well come on it is Haringey for the people right? And Haringey will help small businesses make it????????? So when Ian is happy he can't hear us, the council will set this limiter and seal, it and if the music goes above this level everything shuts down so there is no noise pollution. Fine, but shouldn't we have some say in the matter seeing as Ian was originally chucked out of Court for his ridiculous suggestions? Plus, talk to any sound engineer who says that the council have asked us to put speakers on anti vibration springs, that this is actually a fallacy and doesn't make a difference. Oh, I forgot to mention, I already have a £800 limiter which the council wouldn't accept as you can set it at the back instead of the front.

So sorry to hear about all your problems. I am one of the Mums who used to come in at lunchtimes en route to or from Priory Park and I think you should consider opening again during the day - at least over the school summer holidays. I know lots of people who miss being able to drop in for a coffee, afternoon tea or lunch and have a space for the children to play inside.

On another issue, have you ever looked into applying for the lease of the 'Yum Yum' (rather mis-named) Cafe in Priory Park? I think it is very badly in need of new management but I know nothing about the length of lease. The same woman has, apparently, been running this place for years. The menu hasn't changed in 4 years - and it's very boring, the staff are slow and surly, some of them downright stupid. And the toilets are a disgrace (the Council tell me the loos are the cafe's responsibility). It's a thought for the future...

Good luck with Viva Viva and getting back on your feet.

It is amazing to me a business which is upscale and provides the neighborhood with low-volume music, good food and a warm, non-violent atmosphere is subjected to all this trouble. That pub nearby makes waaaaaaayyy more noise than Viva Viva and your clientele is perfectly urbane and gentle.

Dear Haringey Council,

To say that we are disappointed in your decision to not renew the license for Viva Viva is an understatement. My friends and family have been frequent and loyal guests of Viva Viva for a few years now and we are totally devastated that we can no longer enjoy ourselves since you have taken this opportunity away from us. A lot of us live very local to the restaurant and we are absolutely shocked that anyone would complain about the noise. We are all very hard working individuals, many of us responsible parents who would never ever flaunt the law. Our group of friends and family consist of lawyers, architects, web developers, two telecoms engineers, three marketing consultants, a midwife, a property developer, a director of the Walt Disney company and the list goes on of professional individuals, hardly riff raff who are likely to cause any problems. We are very respectable of the local environment. We would just like to have a great night out after working so hard during the day. We bring a lot of money with us to the venue where we are treated with the most unbelievable hospitality, consideration and respect each and every time we frequent the premises. We take great care to designate drivers who do not drink alcohol so that everyone returns home safely. We tell all our friends about Viva and what a fantastic place it is. Now you have taken this away from us and we are now at a loss.

It is our considered opinion that you have done a great injustice to Viva Viva and the wonderful management and staff. Jobs have been lost, parties have been cancelled, money is now not coming into the borough of Harlingen and we fell pushed out by you. We have such a great distrust of the council and it's woefully poor judgment that it puts us off frequenting any of your establishments if this is the way you treat people who are seeking to enjoy their time spent in Haringey in a responsible manner.

It is common knowledge that Haringey is regarded as one of the poorest boroughs and that you need all the help you can muster. So it begs the question why you would excommunicate upstanding, hard working, affluent citizens who come to your borough to enjoy a night out?

Also the mind boggles how you came to your decision on the strength of what seems like a misguided member of the public who seems to have a personal grudge against people

enjoying a night out? We have often walk passed many other premises selling alcohol close to Viva Viva that are allowed to create much more noise pollution than should be allowed.

Please, please, please, we beg of you to allow Viva Viva to regain their license for live music and to be able to serve alcohol.
