

- 2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

3. Background

- 3.1 The premises has applied for a premises licence while undertaking works to bring 3 shop units into one overall restaurant unit. The operating schedule submitted by the applicant offers various conditions that are already law and so do not require being repeated on the application as the applicant has a duty to abide to them in any event. A model set of conditions for the committee to consider is attached at appendix 3.

The premises was previously 3 separate retail units and the applicant has now carried out work to bring all 3 units into one for the purpose of operating a restaurant. The plans submitted show a rear garden area but the application is silent on the use of this area, due to the close proximity to residents The Licensing Authority would not encourage or support the use of the rear garden area.

- 3.2 During the consultation period representation were received from Enforcement Response, the Planning Service and other parties.

- 3.3 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious. There was a representation from three residents. The residents representations also highlight the fact that the premises does not have the correct planning permission at this time.

4. Policy Implications

- 4.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5. Other considerations

5.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- o Article 8 – Right to respect for private and family life.
- o Article 1 of the First Protocol – Protection of Property
- o Article 6(1) – Right to a fair hearing.
- o Article 10 – Freedom of Expression

Hi Daliah,

The comments from Planning are as follows:

The use of 13 – 15 Grand Parade as a restaurant/takeaway does not benefit from any planning permission, and it is unlikely that permission would be granted. The suggested hours in the application would result in unacceptable noise impact on the residential occupiers above AND would therefore not be acceptable.

The Prevention of Crime and Disorder

From what I hear of this proposed new restaurant, its planning applications are far from above board and I am, frankly, surprised that they have come this far. Have you looked into them? I refer you to the comments and supporting evidence submitted to you by my Salisbury Road neighbour, Dr. Rosemary Leedham.

Public Safety

Salisbury Road is already blighted by grossly unjustifiable and dangerous levels of traffic, which the council is clearly not prepared to address. The endless, house-shaking noise and vibrations and the illegal levels of air pollution are more than enough for us to cope with. We simply do NOT need the added burden and public safety implications of late night revelers on our street.

The Prevention of Public Nuisance

I am not in principle opposed to a restaurant (though Green Lanes already has an abundance of fine restaurants), but if we really need another, why does it require a special late-night alcohol license? Such a license, if granted, is more than likely to lead, at the very least, to late night noise, if not downright drunkenness and public nuisance and disorder.

The Protection of Children from Harm

Several young children on Salisbury Road live close to the proposed restaurant. Any late night noise from the restaurant would be grossly unjust. Yes, Green Lanes is a busy trading street, but Salisbury Road is residential and should not be expected to put up with late night noise and possible disorder.

I, hereby declare that all information I have submitted is true and correct.

<p>The Prevention of Crime and Disorder</p>
<p>Public Safety</p>
<p>The Prevention of Public Nuisance We are very concerned about long opening hours and anti-social behaviour, e.g. noise from people inside/leaving the restaurant (especially after alcohol) as late as 1:30am every night, litter on our street/gardens and resulting fox activity, odours and fumes from fires and smokers. If the restaurant back yard will be licensed, this could have a horrendous impact - noise, light, odours and smoking fumes could ruin the quality of life of local Grand Parade, Salisbury Rd and Kimberly Gdns residents'. It could be impossible to sleep/work/relax in our gardens and back rooms. Many residents have little children who could suffer.</p>

Subject: Resident Representation - Application for a New Premises Licence: - Sira Vanadokya Restaurant, 13-15 Grand Parade, Tottenham, London, N4 1LA

Dear Licensing,

In response to all 3 resident representation I would like to reiterate that several other premises on Grand Parade/Green Lanes are all open until 2am. In this case, The license applied for late night refreshment is requested for until 1.30am. The corner of Salisbury Road and Green Lanes is not different to any other (similarly at least 3 restaurants are at the corner of a side road and Green Lanes). The entrance to the restaurant is at the corner but more than a meter inward into the restaurant space. There will not be an issue of anyone coming in standing on the actual pavement.

The back yard is not for licensable activities as it includes emergency exits for the restaurant and two other neighbouring shops.

There is a proper lockable waste storage facility in that back yard and as my client prioritises residents' well being and wants to prevent noise nuisance at night time all waste will be collected in the morning after 8am.

Sira Vanadokya is a restaurant. It is NOT a club, pub or a bar. No one will be there just for drinking. All alcohol will always accompany food in and/or out of the premises. No alcohol will be sold without food.

There will be no live music.

My client, Ms. Dilek Karakas, the Director, is a personal license holder herself. She will be present at the premises full time. She will train other staff for them to be responsible in her absence. She will ensure that there is a member of staff who is dedicated to welcoming and sending off customers in an orderly fashion after 10pm on all busy days, most likely on Thursday, Friday, Saturday and Sundays.

No one will be allowed to drink outside.

The restaurant is refurbished meeting the requirements of the Council's and the landlord's building control regulations providing a proper sound insulation.

I can assure residents that Ms. Karakas will be available to any resident who'd like to raise any operational issue with her. They will be able to visit her in the restaurant.

The points on planning has already been covered elsewhere.

I hope this is helpful.

Kind regards,

Nilgun
