- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

3. Background

3.1 The premises has applied for a variation to the existing premises licence to increase the floor space of the restaurant particularly in the basement area to allow for more booked functions to take place. The application also seeks the ability to do Off sales as well as ON sales and to increase hours to capture a later takeaway trade demand.

The premises has operated with a premises licence since June 2011 under the same licence holder.

3.2 During the consultation period representation were received from Enforcement Response, the Planning Service, the Metropolitan Police and other parties. Planning have advised that the premises would require planning permission and that the use of the basement was for storage and not for the seating of customers so change of use would be required from Planning also. The current planning permission permits the following: Hours of opening to 0800 to 12 midnight, 7 days a week including Bank Holidays. Use of basement area as ancillary to ground floor restaurant, this does not allow for the basement area to be used as a function room, which seems to be the aim of this variation. There has been a previous application to the Planning Service to have the basement use changed to that of a function room but this was refused and the basement was to be operated as a restaurant like the ground floor.

3.3 The applicants agent has accepted a condition in relation to the use of the external garden area agreeing to it use ceasing after 23:00. The word is very ambiguous but the application itself does not mention the garden area. If the use is to be for smoking the LSC may wish to consider conditions to minin the use and not have patrons permitted in this area to consume drinks at any time of the trading day. The LSC may also wish to restrict the hours of use to 22:00 throughout the week or earlier in the weekdays and Sunday evening.

3.4 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious. There was a representation from three residents. The residents representations also highlight the fact that the premises does not have the correct planning permission at this time.

4. Policy Implications

4.1 The decision should be made with regard to the Secretary of the State’s guidance and the Council’s Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal/challenge is increased.

4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in
accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5. Other considerations

5.1 Human Rights
While all Convention Rights must be considered, those which are of particular relevance to the application are:
- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

LICENSING ACT 2003 - REPRESENTATION FORM

To make a representation in respect of an application for a Premises Licence or Club Premises Certificate please complete the following form. For representations to be considered relevant they must relate to one or more of the four "Licensing Objectives" (listed below).

Please note all representations will be made available for applicants to view. If you make a representation objecting to the application it is likely that you will be called upon to attend a hearing and present your objection before a Licensing Committee.

**Personal Details**

Name...........................................

Address...........................................

Postcode...........................

**Licence application you wish to make a representation on**

You do not need to answer all of the questions in this section, but please give as much information as you can:

Application Number......................

Name of Licensee.........................

Name of Premises (if applicable)...........

Premises Address (where the Licence will take effect).............................

96 Alexandra Park Road

Postcode.....N10 2AE

**Reason/s for representation**

Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council’s leaflet Variations, Representations and Appeals for Premises Licences and Club Premises Certificates).

Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.
The Prevention of Crime and Disorder
When this establishment was ELEMENTZ it was open for the hours as requested by the current application. Although different owners, our previous experience is that word soon gets around that drinks are available at premises such as this and it brings undesirable customers to a relatively dense residential area. Previous experience is that drinkers gather outside to smoke and also drink whilst sitting at the bus stop outside the Premises. Reference can be made to the Haringey Environmental Officers' reports for the period when ELEMENTZ had a similar licence.

Public Safety
At closing time large groups of customers will exit the premises causing a safety hazard by spreading across the road. There is no spare parking and passing trade used to come and park on the bus stop, forcing buses to double park when alighting or loading passengers.

The Prevention of Public Nuisance
When the front door of ELEMENTZ was opened, and because there is no second set of front doors the noise came directly to the front door of 101 Alexandra Park Road (opposite) every time someone either entered the premises or came out for a cigarette (busually ringing their beer with them). Noise was usually in excess of 80dB at our premises opposite.

The Protection of Children from Harm
The area is in a catchment area of the local school and as a result many children will be asleep and woken up by customers when they enter and leave the premises.

I........................................... hereby declare that all information I have submitted is true and correct.

Subject: Fwd: Ref: The Hilly Kitchen 96 Alexandra Park Road N10 2AE extended license application

Dear Sirs,

Ref: application to extend hours / use of adjacent building

My name is recently purchaser and now resident of the flat next door to the above - our address being:
and have a 4 year old daughter.

This is an overwhelmingly residential area with distinctly quiet ambience / environment particularly after 18.30 which was one of the key attractions to us for this specific property - the proximity of our flat as per the attached photographs raises a number of concerns as follows:

Our daughter's bedroom overlooks the front of our flat onto Alexandra Park Road, with the Hilly Kitchen entrance located just below to the west means she will be exposed to any late night disturbances likely to arise from extended alcohol consumption / by the attraction of increased persons/groups - especially after 23.00 either loitering pre / post visiting the establishment.

In addition, the existing back garden terrace allows for a large amount of light into our dining room (evidence attached) and is also in close proximity. If left as it is (uncovered) the noise levels from extended hours visitors will directly affect our home. If there are plans to build some form of cover to soundproof the area, it will
a) clearly not address sound being transmitted through the walls into the flat
b) will directly affect the light into our dining room.

The alley way passing behind our row of buildings, i.e. behind Hilly Kitchen's garden has recently seen youths congregating possibly distributing, something that has appeared to cease in the last 2 months. We feel strongly against encouraging influx of late night drinkers to this particular area for reasons of safety and the potential return of these groups in their cars.

We did have a brief discussion with the applicant late last year where they assured us they would inform us of any decisions as they were at the time still planning. We have only become aware of this further development as we saw the blue notice in the door on Saturday 15th April.
We appreciate this is seen as commercial opportunity and should circumstances change substantially we can review our position but as it stands in light of the above, we must object to the extended hours of on & off alcohol service (selling alcohol to go will encourage traffic and noise levels even more).

Kindest Regards,
