

3 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place.

This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.

3.1 Licensing hours

Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance. It may be the case that in order to uphold and promote the licensing objective the Council feels is appropriate to refuse an application in order to achieve that requirement.

3.2 Recommendations: Powers of a Licensing Authority

- Grant the temporary events as requested
- Refuse the temporary events

- Grant with conditions in a Counter Notice to include conditions that are already on the licence.

3.3 Members are asked to give detailed reasons for their decision.

4. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

4.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

27th April 2017

Dear Mrs Barrett

**POLICE OBJECTION NOTICE to a Temporary Event Notice (TEN)
Section 104 Licensing Act 2003**

Applicant: Mr Jermaine Adams

Address of Premises: Russell Road N15 - Street Party

Date(s) requested for TEN: 17th & 18th June 2016 1200 - 2100

Police are satisfied that the grant of this Temporary Event Notice (TEN) would undermine the Prevention of Crime & Disorder and Public Nuisance objectives.

This application relates to a 2 day street party to bring the community together in remembrance of MP Jo Cox. Such events over this weekend will take place across the UK and Police will facilitate them wherever possible. No application is made for alcohol sales but attendees would be able to bring their own alcoholic beverages. Applicant will DJ along with DJ Cham who DJ'd at the previous event on 11th June 2016.

The applicant is known to Police after we liaised with him regarding a TEN for a street party on 11th June 2016 at the same location to celebrate the Queens Jubilee. Police had concerns about this event and monitored it wherever possible, particularly towards the end. I was in attendance a few times throughout the day and the last hour or so. The event had barriers and SIA security and at the end litter was picked up by applicant's staff which was good. Gang members were attracted but did not cause any concerns.

The Police concerns were the large crowd confined within barrier, some people were intoxicated, and SIA appeared overwhelmed and stayed on the outskirts. There was no disorder but the potential was there should Police have made arrests or tried to stop the event. The attendees may have had some residents from Russell Road and surrounding streets but I saw a lot coming from Seven Sisters Road some with alcohol. As it finished just after 2100 a large proportion of the attendees drove off in cars and a cascade of motorbikes. Many others walked into Seven Sisters Road. Throughout the event music was played by DJ's on a sound system and was very loud with DJ's shouting over the top of it. Haringey Council noise officers attended and when repeated requests to turn the volume down after complaints from residents were ineffective a noise abatement notice was served.

The applicant now wants to repeat this event over 2 days. Whilst he is co-operative and appeared to do his best to control the previous event, apart from music volume, with SIA and barriers and does look on this as a community event Police saw the first one as a music event and whilst the 'community' were there most appeared to be from elsewhere. Police believe such an event where people bring their own alcohol, so no control over intoxication over the 9 hour period, playing loud music from a sound system could lead to crime / disorder, particularly if

Police / Council Enforcement need to take action and will cause public nuisance. I have discussed this with applicant who suggested a 1700 finish on the second day but Police still have the same concerns.

Yours sincerely,

Mark Greaves
Licensing Officer Haringey Police
