243. APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillor Patterson.

244. URGENT BUSINESS

The Clerk informed the Committee that item 8 had been deferred, and the report which had published under this item was a different item which would be discussed under item 9 of the agenda.

245. DECLARATIONS OF INTEREST

None.

246. MINUTES

RESOLVED that the minutes of the meeting held on 17 January 2017 be approved as a correct record.

247. PLANNING SERVICES WORK REPORT

Emma Williamson, AD Planning, introduced the report as set out in the agenda pack. The following was noted during discussion of the report:

- The building Control restructure had not been completed as there was still some negotiation to take place regarding salaries. It was expected that this would be completed within the next couple of months.
- The decision not to send out consultation letters to residents regarding planning applications had been made two years ago, due to the low response rate. Information on applications would be available at the sites, on the website and on the Haringey phone app. The statutory obligation was to provide either a site notice or a consultation letter.

RESOLVED that the report be noted.

248. PLANNING PROTOCOL DISCUSSION

Emma Williamson, AD Planning, informed the Committee that work would soon be undertaken on updating the current Planning Protocol and requested any comments that the Committee wished to make.

Initial comments from Members was that it would be useful to have copies of the papers before site visits; that consideration should be given to any potential conflicts of interests when non-planning Members addressed the Committee; and that the papers on Major Applications and Delegated Decisions be for noting, with any questions directed to Officers outside of the Committee meetings.

The Committee noted that a further report would be given at a future meeting.

249. CHANGES TO THE LICENSING ACT 2003

This item was withdrawn from the agenda.

250. NEW ITEMS OF URGENT BUSINESS

Adoption of Street Trading Fees and changes under London Local Authorities Act 1990

Daliah Barrett, Licensing Officer, introduced the report as set out. This report was a follow up report from the January Regulatory Committee and Members were requested to approve the recommendations, which would trigger a further 28 consultation before the fees would be adopted.

RESOLVED that the Street Trading Fees be adopted.
