56. MINUTES

RESOLVED

- I. That the minutes of the informal Joint Statutory Advisory and Consultative Committee held on 19th April 2017, be approved;
- II. That the minutes of the Statutory Advisory Committee held on 19th April 2017, be noted;
- III. That the minutes of the Alexandra Palace & Park Board held on 25th April 2017, be noted.

57. CHIEF EXECUTIVE OFFICERS REPORT

RECEIVED the report of Louise Stewart, Chief Executive, Alexandra Park and Palace.

The following matters arose from discussion of the report:

- a. East Wing Restoration Project - In response to a request for further information about the revised scope of the project including the decision to defer the restoration of the TV Studios, and whether the HLF were supportive of this decision; the Chief Executive commented that the Board had agreed to the project being re-scoped in order to stay within the available budget and that the major funders had agreed with this decision, which included the deferral of the TV studios. The Committee was also advised that the Management team of the Alexandra Park & Palace were currently developing a plan to ascertain what steps needed to be taken to ensure that the project was not forgotten. At the Board's request the forward plan would include consultation workshops with external experts. The Committee was advised that the scope and nature of the expertise required was still to be determined.
- b. In response to a request for reassurance around the deferral of external landscaping, the Chief Executive advised that this had been deferred due to cost pressures on the wider project but that the management team were looking at alternative means of delivery including sponsorship, fundraising and improved design.
- c. No timescales were available at this point in time for the renovation of the TV Studios.
- d. The Chief Executive advised that there were a number of conditions placed on Willmott Dixon, as the main contractor, by the Planning Authority to secure local employment and apprenticeship schemes.
- e. West Yard Storage Project – in response to a question, the Chief Executive advised that delays were primarily due to issues with getting the steel on site and that the costs of delay were borne by the contractor. It was anticipated that the stated completion timescales for the project, at the end of the year, would be met.
- f. Events – Concerns were raised about the lack of live testing to ascertain the impact of event noise and the implementation of a noise monitoring programme was requested. The Chief Executive agreed to convene a meeting with representatives from the Warner Estate, TARA, Palace View and Palace Gates Residents Associations, as well as the licensing authority and the Noise team at Haringey Council to discuss the issues of testing and noise monitoring in relation to upcoming events. The CEO commented that the meeting was likely to repeat the information previously provided by the Licensing Authority and Alexandra Palace at previous public meetings. **(Action: Louise Stewart).**
- g. There was an offer of contacts for experts if needed for any lectures and other exhibitions to mark the 50 year anniversary of the 1967 Summer Of Love elements of the Summer Festival in the Park, the Chief Executive advised that she would be more than happy to receive suggestions of experts and contacts but advised that the summer festival had a very tight budget.
- h. In relation to the closure of Alexandra Palace Way to all public vehicles for the summer festival, the Committee expressed its support for the decision taken to allow the W3 bus through access throughout the day.

- i. The Chief Executive agreed that she would come back to the Committee with details of the location of the zip wire when the information was available. **(Action: Louise Stewart).**
- j. Park Update – In response to a question about park monitoring the Chief Executive informed the committee that there were some automatic monitoring counters on site in the Park.
- k. Learning and Participation – The CEO mentioned the online APTV channel coverage of the BAFTA and Microsoft day at the Palace. The Clerk agreed to include a link to the Palace's YouTube channel in the minutes:
https://www.youtube.com/channel/UCokPPHKEjs_E6ipz549nueQ
- l. The first Big Schools day took place on 20th June which included 1060 pupils from 19 schools across the borough. The event included use of the organ and showcased different careers within television, it was delivered in partnership with BAFTA kids and Microsoft. The Chief Executive acknowledged that she would like to develop further links with Microsoft in future.
- m. The Chief Executive acknowledged that the Palace did allow internships but the availability of places was very limited and as a result placements were only agreed if there was a clear business case. The Chief Executive agreed to come back to Cllr Ross on whether the two current placements were paid internships. **(Action: Louise Stewart).**
- n. New Year's Eve Road Closure – The Chief Executive advised that the Trustee Board would receive a report at its July meeting on the potential closure of Alexandra Palace Way on New Year's Eve due to growing incidents of anti-social behaviour in the Park as large number of people visit to watch the firework displays across London, and the associated reputational risk to the Trust from failing control the situation. The JSAC/CC's views would be sought at the October meeting once the Board had considered the matter. The Chief Executive clarified that the intention was not to prevent local people accessing the Park on foot. The majority of issues were caused by visitors arriving in cars. Members of the committee voiced support for the closure but requested further details of how it would operate and how the potential impact on parking in neighbouring streets would be addressed.

58. NON-VOTING BOARD MEMBERS FEEDBACK

The Committee was advised that most of the business of the April Board meeting was carried out in the exempt section, and therefore there was very little to feedback upon, above what was contained in the minutes.

59. ITEMS RAISED BY INTERESTED GROUPS

Jacob O'Callaghan, representing the Alexandra Park and Palace Conservation Area Advisory Committee, sought information about the Board discussions on the future of the SAC and the Consultative Committee.

In response the Chief Executive advised that, as previously discussed at SAC/CC the Board was undertaking a governance review,. The Chief Executive advised that she was unable to provide details on the contents of the governance review until it had been discussed formally and agreed by the Board. The Governance of APPCT was acknowledged as complicated. The Committee was advised that both the SAC and

the Consultative Committee would be consulted on the governance review but that there was no current timeframe around that consultation.
