REFUSALS REGISTER & INCIDENT LOG

Refusals Register

If a customer fails to produce a valid photo ID, which confirms his or her age, the sale should be **REFUSED** and **RECORDED** in this Refusals Register – after the customer has left the premises. The register should be kept in a safe place out of sight of the customer.

ALL staff should know where the Refusals Register is kept and should **WRITE AN ENTRY** whenever an age-related sale is **REFUSED**.

The manager should regularly check and sign the register to ensure that staff are filling it out.

The register must be produced on request to Haringey Council Trading Standards or Licensing Officers and Police Officers in relation to test purchases or other enforcement activity concerning age-restricted products.

Incident Log

The incident log should be completed every time there is an incident of crime or disorder on your premises or immediately outside. Examples include a theft from your shop or an abusive or violent customer.

The log must be produced on request by a Haringey Council Licensing Officer or the Police.

22/6/17

I have known Mr Ali Taze for the past 16 years and since ~~of~~ living within the locality of Tottenham. Mr Ali Taze has helped me on several important occasions:

a When I moved home - he provided and drove his van to help with the removal, including friends with moving furniture.

b At times when I have not had sufficient cash to pay for goods, he has always trusted me enough to allow me to pay on the next occasion within the shop.

c At many times Mr Ali Taze has helped in 'keeping an eye' on my very young child for short periods when needing to do errands nearby and where it has

not been appropriate for my son to
accompany me.

Mr Ali Taze has on no occasion
ever been deceitful, dishonest or
disagenuine in his efforts to
always be helpful, available
and accessible - even late @
night when I have left my
keys indoors and locked myself
out.

As a single parent and
mum living within the locality
I have always felt able to
rely on Mr Ali Taze's kindness
and generosity.

To lose Mr Ali Taze in any way
from the Community from running
and managing his shop would be
to lose someone, a person who
is very rarely around these days.
For me and my son, this would
just be horrible, unnecessary and
meaningless. I would be happy
to be contacted as needed. Mr T

To whom it may concern,

I have known Ali Taze for the last 15 years as a customer; he is the owner of our local supermarket.

I have found him to be extremely helpful, polite, honest and reliable. I have witnessed him help many of his customers; explaining about products so the customer can make the best choice, offering advice, helping the elderly carry heavy shopping.

Every time we go to the shop he is cheerful and welcoming; even when faced with challenging customers he keeps an extremely professional manner. There are many elderly people locally who shop in Yesim Supermarket. For some of these residents it is the only time they go out and see someone on that day and Ali always has time to have a chat with them.

If I can offer any information, please do not hesitate to contact me.

Yours sincerely,
