

## 2 REPORT

### 2.1 Human Rights Act Appraisal

The Committee is required to consider the consequences of refusal or approval on the applicant's human rights.

### 2.2 Financial Implications

None.

## 3. Background

### 3.1 Asher Brecher has made an application for a new Premises Licence, the requested licensable activities and opening hours are:

#### Supply of Alcohol

|                    |                    |
|--------------------|--------------------|
| Sunday to Thursday | 1200 to 2230 hours |
| Friday to Saturday | 1800 to 2230 hours |

For the consumption ON the premises

#### Hours Open to Public:

|                  |                    |
|------------------|--------------------|
| Sunday to Friday | 0900 to 2300 hours |
| Saturday         | 1800 to 2300 hours |

### 3.2 For a new application, applicants are required to submit an operating schedule detailing how they intend to promote the four licensing objectives, these are the prevention of crime and disorder, promotion of public safety, the prevention of public nuisance and the protection of children from harm. The applicant has indicated that the following steps would be taken.

General: All trained, briefed on the four licensing objectives and cctv will be in place to make they are observed.

### 3.3 Prevention of Crime and Disorder

All staff will be asking for ID to anyone suspected to be too young to be purchasing alcohol. Anyone whom is refused service will have their description entered into a file of refusal thus assisting the police with local crime.

### 3.4 Public Safety

We will refuse to serve anyone who is already drunk, thus keeping them from harming the public through levels of intoxication. Free tap water will be available at all times to all attendees of the premises.

### 3.5 Prevention of Public Nuisance

For any alcohol consumed off the premises (which we hope wont happen) we will provide rubbish bins outside the establishment and ensure no cans bottles and the like will be left lying around and keep the clean for the public.

### 3.6 Protection of Children from Harm

The establishment will refuse the service to anyone that looks under 25 without the correct ID and ensure to refuse service to anyone thought to be purchasing on behalf of children.

## 4. Objections Received (Responsible Authorities)

### 4.1 Objections were received from the Responsible Authorities, namely the Polce and

EHO Noise Officer, the applicant has accepted the offered conditions see Appendix 2

## 5. Objections received (Other Persons)

- 5.1 One representation has been received from other persons, who have concerns principally in respect of public nuisance and public safety. Those concerns relate to the nuisance that might be caused to local residents if a licence was to be granted, and speak of nuisance that has been experienced by residents as a result of events that have previously taken place at the premises.
- 5.2 The premises has been complained about by residents since February 2013, the records shows complaints being made up to July 2017. Residents complained of noise emanating from the restaurant both music noise and people noise whilst customers were outside on the pavement. In March 2016 Licensing requested enforcement visits were made to the premises to check and see if licensable activity was being carried out without a licence. Officers reported the premises closed at 23:30.

A Further written complaint was received in September 2016. Licensing sent an email to Mr Brecher asking for clarification of activities that were taking place at the premises. The Local SNT officers were also approached by the residents over the ongoing nuisance they were experiencing from the restaurant. Copies of complaints and emails attached at Appendix 3.

The application being sought does not request the ability to offer recorded or live music. The panel should bear in mind however that if the licence is granted the restaurant will be able to offer live and recorded music between the hours of 8am-23:00 for up to 500 people without the need for it to be placed on the Premises Licence. This includes the use of DJs within this time period on licensed premises.

With this in mind the panel will wish to ensure that the licence is conditioned to mitigate for the potential for further complaints to arise from the operation of the premises if the application is granted. The Panels attention is brought to the offered conditions by the applicant at 3.3-3.6, these are matters already set by law or in place through other legislation. Appendix 4 contains the list of accepted conditions to date.

## 6 Options for Consideration

- 6.1 The options available to the Licensing Sub-Committee having considered all the relevant information are as follows:
- To refuse to grant the licence
  - To grant the licence with conditions
  - To grant the licence but restrict the licensable activities
  - To grant the licence with restricted times
- 6.2 If the application is to be granted in line with the submitted operating schedule then conditions detailed in paragraph 3.3-3.6 of this report would need to be reconsidered for the licence, if deemed necessary and appropriate, with an appropriate decision.
- 6.3 Additional conditions or restrictions to licensable activities and/or times should only be imposed if considered appropriate for the promotion of the licensing objectives. If other law already places certain statutory responsibilities on a premises, it would not be appropriate to impose similar duties.
- 6.4 Members of the Sub-Committee should be advised that the applicant or any other person who made relevant representations in relation to the application

may appeal against the decision made to the Magistrates' Court within 21 days of the date on which they were notified.

## 7. Standard of Decision Making

7.1 In accordance with the provisions of the Licensing Act 2003 and the Council's scheme of delegation, all applications where a relevant representation has been made need to be determined by this Sub-Committee.

7.2 When determining the application, the Sub-Committee should only consider issues, which relate to the four licensing objectives. The licensing objectives are:

- The prevention of Crime and Disorder
- Public Safety
- The prevention of a Public Nuisance
- The protection of Children from Harm

7.3 Members of the Sub-Committee must have regard to the statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's Statement of Licensing Policy. Members of the Sub-Committee may deviate from the statutory guidance and licensing policy only if they deem that there is good reason to do so.

7.4 Members of the Sub-Committee should not allow themselves to predetermine the application or to be prejudiced in favour or opposed to the licence and shall only determine the application having had an opportunity to consider all relevant facts.

## 8 Licensing Policy

The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place.

## 8.1 Licensing hours

Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

## 4. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

## Appendix 2 – Letters of representation

## **Anderson Chanel**

---

**From:** [REDACTED]  
**Sent:** 14 August 2017 12:32  
**To:** Licensing  
**Subject:** Representation against the application for license at The Parkside Restaurant.

Personal Details:

Application I wish to make a representation on:

The Parkside Restaurant

45 Grovelands Road

N15 6BT

Licensee: Mr A Brecher

The reason for my representation is primarily the prevention of public nuisance but elements also fall within the prevention of crime and disorder.

My objections to both a sale of alcohol license and the late opening hours can be grouped under 4 categories:

1. The nature of the street on which it is positioned
2. The noise pollution and nuisance noise caused by customers,

3. Parking provision,

4. Some comments I believe are important relating to my previous interactions with the license applicant.

1. The restaurant is positioned on an extremely quiet residential street. There are no other business premises located next to or even nearby and anything that could be described as a main thoroughfare is a 10 minute walk away. The opening of a venue which hosts evening events will automatically cause a drastic increase in the number of people in the area and in particular cars using the road outside. The final point to note about the restaurant's physical position is that it is fronted by a paved area and boarded on either side by concrete walls and has two terrace ends facing it. This serves to create a natural echo chamber increasing the volume of any noise produced in the immediate vicinity and also ensuring through reflection the noise persists for longer.

2. As the restaurant has been operating without a license for some time I have witnessed the type of noise produced as a by product of its opening. Customers gather outside in large numbers during events talking, smoking and allowing children to play. As I have described above this results in an immediate change from a quiet residential street to that of a noisy main road. Secondly the suggested opening hours (in particular closing at 11pm Sunday to Thursday) will entail a simply unacceptable quantity of noise as people leave the venue, say good bye to friends and chat outside and all children to play. Due to the restaurants positioning, as I detailed above, this noise echo's reflects and persists preventing people from sleeping until the street is empty. In the past this has continued well past 12pm and the many complaints I have made to Haringey Environmental Health will testify to this. The door being left open and loud music inside being played creates a further source of noise like this, which again reflects around the street. I do not believe it is appropriate for a venue on a street such as this to be open that late on a week night. Were this positioned on a high road or in an area of business activity that would be different but its opening will irreparably change the nature of the street.

3. The lack of and dedicated parking provision outside the restaurant produces a further source of unwanted noise. First the upswing in cars using the area naturally creates an increase in traffic noise. As I have mentioned earlier this is a residential street that does not lead anywhere in particular, were this a high road or thoroughfare one would expect heavy traffic, the late opening of this restaurant will unfairly and artificially create that. Secondly the patrons of the restaurant routinely park on the double yellow lines outside. These are positioned so that the 318 bus, which does intermittently use the road, can turn the corner. By parking where they do (as the lack of any other space forces them to) patrons force the bus to sit and sound their horn or alarm until someone inside finally hears and comes and moves their car. Any conversation with a driver of a 318 bus would verify this. Not to mention the very existence of that restaurant and its lack of space encourages parking violations.

4. I would finally like to add the detail of a conversation I had with the applicant last year concerning noise in the venue. I am happy for this to be included in any hearing and understand the seriousness of making false and or frivolous statements in respect of an application. During the summer last year I was experiencing problems described above with the venue. After speaking to Haringey Environmental health they suggested I tried speaking to the owner to encourage his patrons to not congregate outside. When I visited the restaurant and explained my concerns the owner informed me that he usually tries to get people

out by 11pm. This was because he 'has a license to open until 3am' but wanted to get to bed himself. I thought it strange a venue on a street like I have described would have a nightclub license so I contacted Haringey Licensing to enquire. I was informed they only held a sandwich shop license and not one to serve alcohol despite at the time advertising this on their website (since taken down). I believe this to be relevant as indicative of the attitude towards council legislation by the owner.

In summation I object to the license in its current form. I do not believe it is appropriate for the venue to be open until 11pm on week nights for the reasons outlined above. However, I do not wish the venue to close or to take away the owners livelihood, especially now they are working through the appropriate channels. To compromise I would suggest that Friday and Saturday are granted as per the application. Sunday the Thursday should have a closing time of 10pm so that the street is clear by 11pm and finally people should be prevented from gathering outside.

I happy to be contacted in regards to any of this will state so in a hearing if necessary.

Yours Sincerely

Licensing, it has come to our attention that the above premises maybe operating sales of hot food after 23.00 and also having regulated entertainment.

I have set up some pro-active visit when most often occurring on Sunday nights.

Dear Noshaba

I spoke to you on the phone about 2 months ago regarding the illiegal activity taking place at the Parkside restaurant, 45 Grovelands Road, N15 6BT, next door to me. The venue is operating as a wedding venue, hosting late night events with live and recorded music and serving alcohol. When we spoke previously you checked and found the venue only has a license as a sandwich shop and no alcohol license.

This activity entails large groups of people gathering outside making unacceptable levels of noise (shouting, talking loudly, singing, children running and screaming) until 12:30 or 1am at night.

Unfortunately since I last contacted you, nothing has happened and the problem has only continued. There have been several events hosted there over the summer. Last night was the third night in a row that the disturbances took place. I realise it is a noise control problem when people are making such and I have made complaints the previous two nights. However if they were not allowed to continue illegally operating as a wedding venue, there would be no noise so that is why I am emailing again!

Haringey in general has been extremely supportive and helpful and I thankyou for your time.

Below I have attached the text from the original email if it is any use reminding you:

Yours sincerely

As requested please find a link below to the website for the Parkside Restaurant, 45 Grovelands Road, N15 6BT:

<http://ravindrasavant.wix.com/parkside#!the-parkside-menu/stackeraccordion0=13>

I have inserted a link to the menu section of their website, specifically cold drinks part where you can clearly see they are in the process of selling alcohol and advertise as such.

My contact details are as follows:

If you are advising a team to visit the premises during this week I would just point out that as it is an Orthodox Jewish premises a visit on Friday would not be of any use as the premises close in preparation for the Sabbath. However, given the fact an event is currently being held I am confident there will be illegal activity taking place tonight, as last night and Monday.

Thanks again for all the help and please update me on any progress

Resident lives on Grovesland Road N15 J/W Gladesmore Road N15 stated about an ongoing issue of public disturbance and disruption taking place next door to his home.

He stated the problem is arising from the unlicensed use of a restaurant.

The Parkside Restaurant  
45 Grovelands Road  
N156BT

The restaurant is regularly, once or more a month being used to hold wedding celebrations. Unfortunately when this takes place large crowds of people gather outside on the street making noise, shouting, singing, children playing and screaming etc. until 1 am. To make matters worse wedding celebrations in some of the local community take place over 5 days so the noise will be present for 5 days until 1 am every night. He also stated that he was informed by the council they do not hold a license at all for any of the activities taking place.

Officers from Seven Sisters SNT have visited the venue and spoken to the manager and ward of advice given.

Hi Ms Barrett

Thanks for you quick reply

can you clarify if alcohol is sold at the venue?  
we are not selling any alcohol for time being

Is the venue hired out for events? yes

If so what hours is the premises hired out for and what is the capacity of the venue?  
it can be only at the hours what the restaurant is open 9:00am - 11:00pm  
our max capacity is for 80 people but most of the events was between 60-70 people

Is the premises operating as a restaurant offering alcoholic drinks?  
The restaurant is not offering or selling any alcohol,

Best regards

Your Ref: C&O/RS WK/000243340

This is to confirm my acknowledgement of your letter dated 14 September 2016

Just to inform you that the Parkside Restaurant has been operating for the last 8 years & we have done quite a few function over the years.

if you notice the complaints was only the last 2 month, and i received a call 2 month ago from your team that there are complaints from the neighbors.

i have put a notice out, inside & outside of my premises, as attached (noise level) & i employ a security guard to be out side from 9:30pm to make sure that the noise level is down & people shouldn't be gathering out side

the person complains about noise of shouting. this never came from my premises or from my guests & all Function must be finished by 11:15pm

this means by 11:30-11:45pm none of my guests are still around,

if you want proof for this you are welcome to come in to check my CCTV

on the 14 Sep 2016 there was a function. it started at 7:00pm. At 7:30pm i had a visit from 3 police officers to say a complaint came through, they are just coming to inform me to make sure to keep the noise down, i joined my security guard out side from 11:00pm by 11:30pm no one was around any more,

Please confirm receipt of this email.

Many Thanks
