Dear Sir,

Financial statements of London Borough of Haringey for the year ended 31 March 2017

We confirm that the following representations given to you in connection with your audit of the Council's financial statements (the 'financial statements') for the year ended 31 March 2017 are made to the best of our knowledge and belief, and after having made appropriate enquiries of other officers and members of the Council.

The Chief Finance Officer has fulfilled his responsibilities for the preparation and presentation of the financial statements as set out in the Accounts and Audit Regulations 2015 and Statement of responsibilities of auditors and of audited bodies: local government issued by Public Sector Audit Appointments (PSAA), and in particular that the financial statements give a true and fair view of the financial position of the Council as of 31 March 2017 and of its income and expenditure and cash flows for the year then ended in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code) and for making accurate representations to you.

We have fulfilled our responsibilities on behalf of the Council, as set out in the Accounts and Audit Regulations 2015, to make arrangements for the proper administration of the Council's financial affairs, to conduct a review at least once in a year of the effectiveness of the system of internal control and approve the Annual Governance Statement, to approve the Statement of Accounts (which include the financial statements), and for making accurate representations to you.

We have provided you with unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence. In addition, all the accounting records have been made available to you for the purpose of your audit and all the transactions undertaken by the Council have been properly reflected and recorded in the accounting records. All other records and related information, including minutes of all management and other meetings have been made available to you.

In relation to those laws and regulations which provide the legal framework within which the Council's business is conducted and which are central to our ability to conduct our business, we have disclosed to you all instances of possible non-compliance of which we are aware and all actual or contingent consequences arising from such instances of non-compliance.

There have been no events since the balance sheet date which either require changes to be made to the figures included in the financial statements or to be disclosed by way of a note. Should any material events of this type occur, we will advise you accordingly.

We are responsible for adopting sound accounting policies, designing, implementing and maintaining internal control, to, among other things, help assure the preparation of the financial statements in conformity with international financial reporting standards and preventing and detecting fraud and error.

We have considered the risk that the financial statements may be materially misstated due to fraud and have identified no significant risks.

To the best of our knowledge we are not aware of any fraud or suspected fraud involving councillors, management or employees. Additionally, we are not aware of any fraud or suspected fraud involving any other party that could materially affect the financial statements.

To the best of our knowledge we are not aware of any allegations of fraud or suspected fraud affecting the financial statements that have been communicated by councillors, employees, former employees, analysts, regulators or any other party.

We attach a schedule showing accounting adjustments that you have proposed, which we acknowledge that you request we correct, together with the reasons why we have not recorded these proposed adjustments in the financial statements. In our opinion, the effects of not recording such identified financial statement misstatements are, both individually and in the aggregate, immaterial to the financial statements.

We have disclosed to you the identity of all related parties and all the related party relationships and transactions of which we are aware. We have appropriately accounted for and disclosed such relationships and transactions in accordance with the applicable financial reporting framework.

We have no plans or intentions that may materially affect the carrying value and where relevant, the fair value measurement, or classification of assets or liabilities reflected in the financial statements.

We confirm the following significant assumptions made in relation to accounting estimates (including fair value measurements) used in the preparation of the financial statements:

a) Pension fund assumptions

We confirm that the actuarial assumptions underlying the valuation of the Local Government Pension Scheme (LGPS) liabilities, as applied by the scheme actuary, are reasonable and consistent with our knowledge of the business. These assumptions include:

Rate of inflation (CPI): 2.4%
Rate of increase in salaries: 3%

Rate of increase in pensions: 2.4%
Rate of discounting scheme liabilities: 2.6%

LGPS commutation take up option:

Pre-April 2008 50%

Post-April 2008 75%

We also confirm that the actuary has applied up-to-date mortality tables for life expectancy of scheme members in calculating scheme liabilities.

b) Valuation of housing stock, other land and buildings and investment properties

We are satisfied that the useful economic lives of the housing stock and other land and buildings, and their constituent components, used in the valuation of the housing stock and other land and buildings, and the calculation of the depreciation charge for the year, are reasonable.

We confirm that the valuations applied to council dwellings and other land and buildings revalued in the year, as provided by the valuer and accounted for in the financial statements, are reasonable and consistent with our knowledge of the business and current market prices.

We are satisfied that investment properties have been appropriately assessed as TBC on the fair value hierarchy for valuation purposes and valued at fair value, based on highest and best use.

c) Allowance for non-collection of receivables

We are satisfied that the impairment allowances for council tax arrears, NDR arrears, housing benefit overpayments, housing rent arrears and parking charges are reasonable, based on collection rate data. We have disclosed all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements and these have been disclosed in accordance with the requirements of accounting standards.

We consider that the Council is able to continue to operate as a going concern and that it is appropriate to prepare the financial statements on a going concern basis.

We confirm that the above representations are made on the basis of enquiries of councillors, management and staff with relevant knowledge and experience (and, where appropriate, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

We confirm that the financial statements are free of material misstatements, including omissions.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware. Each director and member has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that you are aware of that information.

Yours faithfully

Clive Heaphy, Chief Financial Officer 21 September 2017
