## 1 Describe the issue under consideration

### 1.1 Summary

To consider an application for a Variation of an existing Premises Licence: All Star Food & Wine. Haringey Council being the authorised licensing authority for the above premises has received an application for a variation of a premises licence. The application has been accepted as a valid application and during the statutory consultation period a relevant representation was made by Public Health. The application is therefore required to be determined by way of a hearing of the Licensing Sub-Committee.

In determining the application the licensing authority must give appropriate weight to:

- the steps that are necessary to promote the licensing objectives;
- the representations (including supporting information) presented by all parties;
- Guidance issued under Section 182 of the Licensing Act 2003;
- Haringey Council's Licensing Policy.

After considering all the relevant issues the licensing authority may grant the application in full or in part, subject to such conditions that are deemed necessary and appropriate. Any conditions imposed must be appropriate for the promotion of the licensing objectives.

Alternatively the application can be refused if it is considered appropriate for the promotion of the licensing objectives.

Following a hearing, the licensing authority should give its decision and provide reasons to support it. This will be important if there is an appeal by any of the parties.

All parties are required to be notified of a decision and that decision should be accompanied by information on the right of appeal. Please see Appendix 1.

### 1.2 Recommendations
